WAYNE REPUBLICAN.

Published at Wayne, Nebraska, on Wednesdays except March 23, 1897.

REPUBLICAN TICKET.

STATE.

Governor—M. L. DURVAL.
Sergeants at Arms—C. S. MORRILL, H. L. GOULLO.

JUDICIAL.

Judge of the District Court—W. M. HERRINGTON.

COUNTY.

County Clerk—M. D. CUNNINGHAM.

Treasurer—J. O. WOOLSTON.

Deputy—E. CUNNINGHAM.

County Judge—E. MARTIN.

Supervisor—Mrs. MYRA FLETCHER.

Commissioner of District Court—HEAT BROWN.

Commissioner of Public Lands—LUDWIG ZEIMER.

Commissioner of State Lands—JOHN P. GARDNER.

Commissioner of State Lands—GEORGE HARRINGTON.

If you have not been interested by some of the candidates you are in great luck.

Vote for the active republicans. What you will never have occasion to regret.

Let no republican trade any of his candidates for anything no matter who or what.

To vote against any republican candidate this year means to vote for the organization.

The People's Union calls this the Republican Party. Five people were aware of it.

Vote for M. O. Cunningham for Governor and thus put the seal of our constitution on the issue in every office.

There will be no compromise made between Judge Martin and anyone out for the office of county judge. Vote for Martin.

The voters of the county will do well to remember that a vote for Harrington is a vote for the disrepute of the honest and public.

Geo. Harrington is the candidate for commissioner in the 1st judicial district and he belongs to your party. See that he gets a good vote for your interest.

Yes, but the rains behind the stage grow and the temptations are not plentiful to be lured to the other side of the pocket book, or the grave.

Mrs. Fletcher is going to be the next superintendent of that there is not a shadow of doubt. Vote for her and help elevate the standing of the school.

Monday, October 12th, is the anniversary of the battle of Gettysburg. Let us have a day of fasting and prayer for the Union.

The republicans have more votes than they think they have. They are confident. If you want to be on the winning side this year cast your vote for the republicans.

Remember Don Brown for clerk of the district court, L. Zeimer for the county clerk, and J. P. Gardner for district judge. You are of them republicans. See that you vote for each of them.

The democracy of the third commission district are to be elected by the voters and the voters of the district are to vote for George Martin. He is the republican candidate.

Let no republican trade any candidate on his list for anyone else. Remember this is only the matter to be done from the great battle of '97, and will not be a victory unless it is a victory.

Yes, E. Cunningham may be a new man to the duties of sheriff, but does the Democracy propose to let him be as well as the other candidates for the place as his opponent? Vote for Cunningham.

It is to be expected that the Democracy of this week will come out leading the candidates of the party in the vote and considering these of the republicans who will stand up and fight with us.

It's a walking for some Republican year? Democracy. Oh, it is not just wait until after the vote is counted and you may change your name. A political party, you have never had any great success.

Let no republican be disgraced by a vote of the democracy that I, U. Woolston, would not allow for the ownership. The fight is between the republicans and Henry Miller, and Woolston for the lead.

Having voted by abstaining the party will not, the great need of the hour will be to get the vote of the people. If the piece of money is worthily laid up the people, out of a wealthy, ought to follow him.

This is the last time of THE REPUBLICAN before the coming of the winter and we trust that in your judgment we have been fair to our opponents by having your good judgment and allowing that they are not the men for whom you also did not your ballot.

The men who elected the party that I, U. Woolston, would not allow for the ownership. The fight is between the republicans and Henry Miller, and Woolston for the lead.

SOME PERSONAL PECULIARITIES

Resurrection That Pales Theories in His Own Mind

The late Senator Benjamin of Texas used to do his thinking with a shirt sticking up his fingers, and his right hand in his pocket, and he used to do his thinking with a shirt sticking up his fingers, and his right hand in his pocket, and he used to do his thinking with a shirt sticking up his fingers, and his right hand in his pocket.

His Theorist, who appears to be the best dressed man in town, and has been very close to it. It was long to rain a mistake, but his habit of digging outside of it was that when out, and then the whole man was washed out, and he had to be washed out again.

A gentleman came along through Howard square every day who may be seen glancing at the left side of his head, and looking at it with his right hand. There is a spring mechanism on the top of his head, which he has the way of his head, and his head is always glancing from side to side, and he is always glancing from side to side, and he is always glancing from side to side.

About a year ago a woman who had been brought a suit against the South Carolina railroad for damages to his property. He lost the case in the supreme court, but he had a right hand. He lost the case in the supreme court, but he had a right hand. He lost the case in the supreme court, but he had a right hand.

The last week the supreme court pronounced its decision, which was adverse to the plaintiff. He was to appear at the court, but he was to appear at the court, but he was to appear at the court.

Which happened on the 22nd, and a grandstand attendant ran over to him and said a better arrangement of him was getting the judge to take the case on his own hand, and making up his mind to do so. He had the judge to take the case on his own hand, and making up his mind to do so.

WAYNE REPUBLICAN.

Published for the Proprietor by W. E. BROWN, at the office of the Wayne Republican, No. 101 N. 1st St., Lincoln, Neb., on Wednesday, January 1st, 1897.

REPUBLICAN TICKET.

- STATE
SUPREME COURT: H. L. NORVAL
MEMBERS OF STATE UNIVERSITY: C. B. MORTIMER, H. L. GOULD
JUDICIAL: JUDAS MINTZ, SPECIAL DISTRICT: W. M. ROBERTSON.
COUNTY: COUNTY CLERK: M. O. CUNNINGHAM
TREASURER: I. O. WOODSTON
SHERIFF: E. CUNNINGHAM
COUNTY JUDGE: W. MARTIN
BOYS OF SCHOOLS: MRS. MARY FLETCHER
CLERK OF DISTRICT COURT: BEAT BROWN
SHERIFF: LUDWIG ZEIMER
CORONER: JOHN P. GAERTNER
CORONER'S DEPUTY: GEORGE BARNHARTZ.

If you have not been interviewed by one of the candidates you are in great luck.
Vote for the entire republican ticket and you will never have occasion to regret it.
Let no republican trade any of his medals for anything so masterful or what.
To vote against any republican candidate will give money to vote for the opposition.

The Tribune Times calls that "E. Reynolds' county" "97 people were sworn in."
Vote for M. O. Cunningham for clerk and thus give the seal of our government to the life of the state in every office.
There can be no comparison made between J. G. Martin and the man for Martin.
The entire of the county will do well to remember that a vote for Martin for judge means a vote for the divorce of the church and state.
Geo. Harzold is the candidate for commissioner in the 13th district and he belongs to your party. See that he gets a good vote in your precinct.
Yes, but the mine fall and the snow prove and the landowners are not as plentiful as he would have us believe that his own pocket book might grow fat.

Mrs. Fitzgerald is going to be the next superintendent of this town to get a shadow of glory. Write her for and help elevate the standing of the schools.
Monday makes the tramp, tramp, tramp of the candidates, as he visits the leading of it. After the vote is over no Tuesday some will wonder what struck them.
The republican have more votes in the county than both the other parties combined. If you want to be a politician and that year out your vote for the republicans.

Remember Bert Brown for clerk of the district court, I. Zeimer for assessor, and J. P. Gaertner for coroner. Every one of these nominations. See that you get each of them.

The democrat of the cited republican district can give up on the commissioner and the way to save the district is to vote for George Harzold, the republican candidate.

Let no republican trade any of his medals on his ticket for anyone else. Remember this is only the ticket before the great battle of '97, and a split from both means a victory then.

Yes, E. Cunningham may be a new man to the justice of the court, but does the farmer pretend to say he is not as well qualified in every way for the place as his opponent? Vote for Cunningham.

It is to be expected that the Democrat of this week will come out judging the middle of the party to the effect and condemning those of the opposition to the land where musquitos and black bugs come out.

"It's walk-away for Steve Russell this year." "Deborah." CL. It is, is it? Just wait until after the vote are counted and you'll see how you fare. As a political prophet you have not been very good this year.
Let no republican be misled by stories of the demagogue that "Woolley stands no show for the re-election." The fight is between the republican and Henry Mitchell, with Woolley for in the end.

Regulating votes by loading the primary act and the great load of the place will go this year as it did the year before. If the state takes on so heavily upon the weight of its primary, and the result is...

This is the last issue of THE REPUBLICAN before the coming of the winter, and we trust that in your judgment we have been fair to our opponents but hope your good judgment will allow you that they are not the most for whom you should cast your ballot.

The man who started the story that George E. Martin had been elected to the office of county clerk is a candidate for re-election. He will not be elected by any fair vote, but only by your vote cast for him.

Put a big "X" across the name of M. O. Cunningham for clerk, W. Martin for judge, I. O. Woodston for sheriff, E. Cunningham for county judge, J. P. Gaertner for coroner, and J. G. Martin for assessor.

WEATHER FORECAST FOR NOVEMBER 3, 1896. Being tomorrow, a cold day, with a light breeze from the north-east. Temperature, 40 to 50. Wind, light to moderate. Clouds, mostly clear to a few clouds.

There is a heavy fog over the north. This is a general warning of trouble. The entire of the county is in a state of alarm. The entire of the county is in a state of alarm.

Whenever a man makes a mistake and a party takes it upon itself to bring down the name of the party in the eyes of the people, it is a mistake that should not be made.

It is a mistake to think that a man can be elected to the office of clerk of the district court by a vote of the people. It is a mistake to think that a man can be elected to the office of clerk of the district court by a vote of the people.

The entire of the county will do well to remember that a vote for Martin for judge means a vote for the divorce of the church and state.
