Sheep Raisin in Africa and Western Europe.

Woolly Raisin in Africa and Western Europe.

The woolly raisin is a species of the woolly plant family. It is found in the mountains of the Himalayas and in the mountains of the Andes. It is a very hardy plant and can grow in the most barren soil. It is a very important plant for the people of the Himalayas and the Andes. It is used for wool and for medicine.

The Japanese Always Reads the Morning Paper.

The Japanese always reads the morning paper. It is a habit of the Japanese people. They read the paper in the morning, at noon, and in the evening. The paper is a very important part of their life. It gives them news and information about the world.

FACTS FOR FARMERS.

HELPFUL SUGGESTIONS FOR THE AGRICULTURISTS.

Farmers should be careful of their soil. They should use good manure and keep their soil moist. They should also be careful of their crops and use good seeds. The weather is very important for farmers and they should be ready for any change.

Man's Teeth are his great armament.

Man's teeth are his great armament. They are the tools that he uses to eat and to work. They are very important for his health and his life. He should take good care of his teeth and brush them every day.

THE RESINING OF THE SOLE OF SHOES.

The resining of the sole of shoes is a very important process. It makes the sole of the shoe waterproof and durable. It also makes the shoe more comfortable to wear. There are many different resins that can be used for this purpose.

Timely Warning.

The great success of the chocolate preparations of the house of Walker Baker & Co. (established in 1780) has led to the plying on the market many misleading and unscrupulous imitations of their name, labels, and wrappers. Walker Baker & Co. are the oldest and largest manufacturers of pure and high-grade Cocoa and Chocolates in this continent. No chemicals are used in their preparations.

Consumers should ask for, and be sure that they get, the genuine Walker Baker & Co.'s goods.
