A man's reputation is not equal to his papers or hard times are not equal to his. What is true of an individual applies with equal force to government.

John Sherman's policy has led to the present situation because he signed another loan which was a bad idea.

You would like to see the good money in the hands of the rich. It is not so. The money is in the hands of the poor and they are making the most of it.

A report on the management of the means of the government is a good thing. It is a good thing to see the receipts and to see the disbursements. It is a good thing to see the money in the hands of the people.

Problems of the day are about to be solved. The government is taking it upon itself to solve the problems of the day. It is taking it upon itself to solve the problems of the day.

Tom Major's policy is a bad one. It is a bad one because it is a policy of the day. It is a bad one because it is a policy of the day.

WHEN VIRTUE LOST.

A STORY TO PROVE THAT VICE DOES NOT ALWAYS COME UNEXPECTED.

A comfortable bed of down and feathers is a necessity for the good sleeper. The bed of a virtuous man is a bed of peace and quietude.

A virtuous man is a man who is true to his word, who is honest in his dealings, and who is kind to all.

There have been many who have been virtuous in their youth, but who have become wicked in their old age.

The man who is virtuous in his youth, but who becomes wicked in his old age, is a man who has lost his virtue.

It is a sad thing to see a man who has been virtuous in his youth, but who becomes wicked in his old age.

The man who is virtuous in his youth, but who becomes wicked in his old age, is a man who has lost his virtue.

It is a sad thing to see a man who has been virtuous in his youth, but who becomes wicked in his old age.

It is a sad thing to see a man who has been virtuous in his youth, but who becomes wicked in his old age.

A VICTIM OF CIRCUMSTANCES.

There are many who are victims of circumstances, and who are not responsible for their own actions.

It is a sad thing to see a man who is a victim of circumstances, and who is not responsible for his own actions.

The man who is a victim of circumstances, and who is not responsible for his own actions, is a man who has been misled.
