Your sink,

basins, tubs, etc., never become clogged with grease, if the washing that's done in them is done with Pearline.

A small matter, perhaps—but remember that Pearline saves trouble and annoyance in a great many just such small matters. And the truth is that these little things count enough to be enough to lead any quick-witted person to use Pearline—even without taking into account the big things, the saving in work and wear and tear, and time, and money, etc.
