The long Winter days are nearly over.

A succession of Colds, Coughs or Pneumonia has weakened the system and strength doesn't seem to come back again. You remain pale and weak. You have a slight cough in the morning and perhaps a little fever in the afternoon. You need A Food as a Spring medicine, not a mere tonic. Such a food is Scott's Emulsion of Cod-liver Oil with Hypophosphites which will heal inflamed membranes, make good blood and supply food for sound flesh.
