SCOTT'S Emulsion, The standard emulsion the world over. There is not a man, woman or child who has weakness that Scott's Emulsion will not benefit. When you ask for it you will likely be told by the druggist that he has an emulsion "just as good." It is not true. No emulsion is as good.

Scott's Emulsion has benefited millions of people. Ask your druggist if he can refer you to a single case that has been helped by the unknown emulsion he sells, and if so, we will send you a book giving thousands of cases. You want the standard, not something that nobody knows anything about.

All druggists sell Scott's Emulsion. It is the standard emulsion the world over. There is not a man, woman or child who has weakness that Scott's Emulsion will not benefit.
