Ministerial, divine, no pay, no power or influence. That is what it is.

As the Democrat has based on this issue his campaign, we must be prepared to meet him on his own ground.

If you and your fellow citizens are to be benefited by the proposed changes, you must be prepared to meet them on their own ground.

When the Democrat, in the State of Nebraska, attempted to show that the dollar was being sold at a profit of three cents, he was met by the Republican with a counter-charge that the dollar was being sold at a profit of one cent.

When the Democrat, in the State of Nebraska, attempted to show that the dollar was being sold at a profit of three cents, he was met by the Republican with a counter-charge that the dollar was being sold at a profit of one cent.

start out with there is a vast difference between the two. The one is a mere matter of fact, the other is a matter of opinion. The one is a matter of fact, the other is a matter of opinion.

HOW WILL YOU VOTE?

The issue of the dollar is a matter of fact, not of opinion. It is a matter of fact, not of opinion.

Everybody who wants to see the dollar go down, should vote for the Republican ticket.

Everybody who wants to see the dollar go up, should vote for the Democrat ticket.

Everybody who wants to see the dollar stay where it is, should vote for the Republican ticket.

SAPOLIO

Everybody Likes It.

Battle Ax and PLUG

Everybody likes "Battle Ax" because of its exceedingly fine quality. Because of the economy there is in buying it. Because of its low price. It's the kind the rich men chew because of its high grade, and the kind the poor men can afford to chew because of its great size. A 5-cent piece of "Battle Ax" is almost twice the size of the 10-cent piece of other high grade brands.

That terrible wash-tub!

This is the way it looks to the women who do their washing in the old-fashioned way. They dread it—and no wonder. All because they won't use Pearline. Use Pearline—use it just as directed—smile, and when the clothes—and the wash-tub—won't be a bother. You won't have to be over it inching for that. No hard work—no inhaling of fumes—no wearing rubbering—no torn clothes—nothing but economy.
