Purify

Your blood. Words of wisdom at this season. During the winter months the pores have been accumulating a year's load of dirt, the elements of impurity, dirt, and disease. Purification, therefore, is essential to the health of the body. Now is the time to purify.

Your Blood

By taking a course of Hood's Sarsaparilla. This medicine cleanses the blood, restores the system, and induces the system to resist all diseases. It is the only medicine that purifies the blood, and restores the system to its normal state. It is the only medicine that purifies the blood, and restores the system to its normal state. It is the only medicine that purifies the blood, and restores the system to its normal state.

The best to take. The only one that purifies the blood. It is the only medicine that purifies the blood, and restores the system to its normal state. It is the only medicine that purifies the blood, and restores the system to its normal state.

The Editors of the New York Herald Tribune, New York, N. Y., have published the following testimonial for Hood's Sarsaparilla:

"I have been suffering from rheumatism for several years, and have tried many remedies, but have not found any relief. I have now taken Hood's Sarsaparilla, and I feel that I have found the remedy I needed. I am now able to do my work, and I feel much better than I have for some time." - J. H. Smith, New York, N. Y.
