"A Fair Face Cannot Atone for An Untidy House."
Use **SAPOLIO**

The village doctor felt the boy's pulse and then said: "Let me see your tongue!" When that was shown he said: "It's white! It's coated!" and then he gave the mother half a dozen little things that read like chocolate lozenges. "Let him take one now and another before he goes to bed to-night." Next day the boy was as good as new and went in swimming three times, and when the mother determined to know what medicine it was that cured so quickly, the doctor honestly told her.
