PLAIN TALK IS GIVEN.

Why more speed is not made with the tanks.

WHAT WE ALL WANT TO SEE

Why more speed is not made with the tanks. This is a question that has been asked by many people. The answer is simple. It is not made because it is not possible. The tanks are slow because of their weight and their armor. They are slow because of their size and their complexity. They are slow because of their many moving parts and their many systems. They are slow because of their many sensors and their many weapons. They are slow because of their many cameras and their many microphones. They are slow because of their many radars and their many sonars. They are slow because of their many computers and their many processors. They are slow because of their many networks and their many databases. They are slow because of their many communication systems and their many control systems. They are slow because of their many power systems and their many fuel systems. They are slow because of their many maintenance systems and their many repair systems. They are slow because of their many logistics systems and their many supply systems. They are slow because of their many intelligence systems and their many information systems. They are slow because of their many security systems and their many protection systems. They are slow because of their many medical systems and their many health systems. They are slow because of their many training systems and their many education systems. They are slow because of their many research systems and their many development systems. They are slow because of their many testing systems and their many evaluation systems. They are slow because of their many deployment systems and their many distribution systems. They are slow because of their many support systems and their many maintenance systems. They are slow because of their many disposal systems and their many destruction systems. They are slow because of their many recycling systems and their many reclamation systems. They are slow because of their many reuse systems and their many repurposing systems. REAL HORSE SENSE.

POINTS OF EQUINE INTELLIGENCE BY A COUNTRY DOCTOR.

The Experience Shows That There Are a Great Many of These and Other Things...

The country doctor is regarded as an authority on all matters of horse sense...

Through all this he has never and never will be deceived...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

THE CHIMPUNK.

How the power should and will be used in the future.

As the world's clock stops near the chimpunk, it is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

It is not only the horse but the man who is the horse's master...

There is no doubt that the horse is a creature of great intelligence...

CHAPMAN IS CHOSEN.

HEARS THE DEMOCRATIC STATE TICKET OF CHIO.

Temporary Platform State Attraction of the Republican Party.

Chapman was chosen as the Democratic candidate for the State of Ohio. The Democratic Party has adopted a temporary platform for the State, which is based on the principles of justice and equity. The platform is designed to attract the support of the Republican Party, which is expected to be the main opposition to the Democratic ticket.
