

TARIFF AGREED UPON

SENATE AND HOUSE DIFFERENCES ADJUSTED

An Entirely New Bill Has Been Agreed Upon. Measure Will Probably Be Passed and Signed by the End of the Present Week.

The Conference Agree. When the Republican conference on the tariff bill reported to the Senate, the announcement was made on behalf of the House that it had agreed to all the items of the tariff bill except the tariff on the manufacture of the automobile as a full program. It is a measure that will be passed in the next few days.
