

THE GRANDEST DISPLAY OF

# PIANOS AND ORGANS

Ever seen in the city will be on exhibition at the Book Store of Robt. Utter in Wayne, Nebraska, commencing Monday, August 9th and continuing through the week. A special exhibit will be made on August 12th, Woodmen's day. If you contemplate purchasing a Piano or Organ within the next year don't fail to avail yourself of this opportunity.

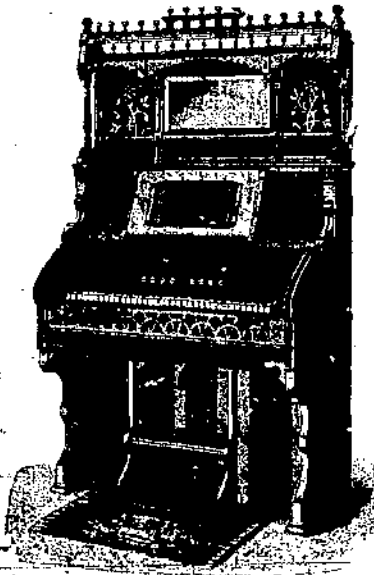

We sell the following Organs:  
 The celebrated Eskey, that has led the world for fifty years.  
 The Farand and Votz, that stands without a peer.  
 The Western College, with a world-wide reputation.  
 The beautiful Camp & Co., that adorns the homes of thousands of customers.

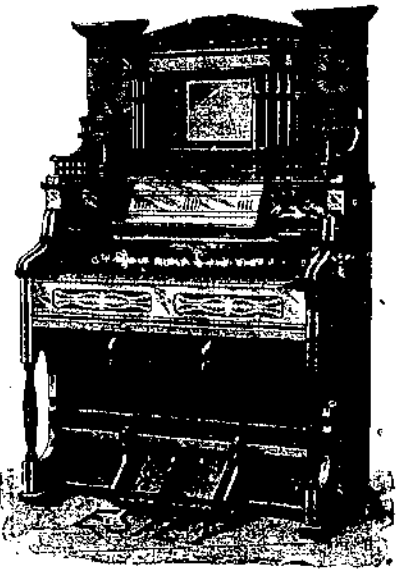

If the amount of lumber in an Eskey Organ is one hundred feet, there is lumber enough in all of the Eskey Organs which have been sold to build a fence around the world. This is true of no other organ.

We Sell the Matchless Decker Bros., Estey, Camp & Co. and Arion Pianos.

We call your attention to a few of the points of superiority of the line of Organs and Pianos we sell. Lumber is all thoroughly seasoned and kiln dried; material is all the very best, skilled artisans are employed in every branch of the work, cases are strongly built in Oak and Walnut, frame work all mortised and tenented at the corners, panels set in grooves in frame, finished smooth and hand rubbed, cases that will stand climatic changes, style of cases are all new and of matchless beauty; tone round, smooth, deep and full, responds quick to the touch.

We do not try to compete in price with cheap grades of Organs and Pianos, but we promise you the best instrument and at the lowest price they can be sold. We extend a cordial invitation to inspect our instruments at the BOOK STORE and be convinced. The easiest terms possible are given on monthly, quarterly or semi-annual payments, or for cash.

J. D. STURGEON, THE NORFOLK PIANO MAN.

ROBT. UTTER, WAYNE, NEB.

THE GRANDEST DISPLAY OF

# PIANOS AND ORGANS

Ever seen in the city will be on exhibition at the Book Store of Robt. Utter in Wayne, Nebraska, commencing Monday, August 9th and continuing through the week. A special exhibit will be made on August 12th, Woodmen's day. If you contemplate purchasing a Piano or Organ within the next year don't fail to avail yourself of this opportunity.

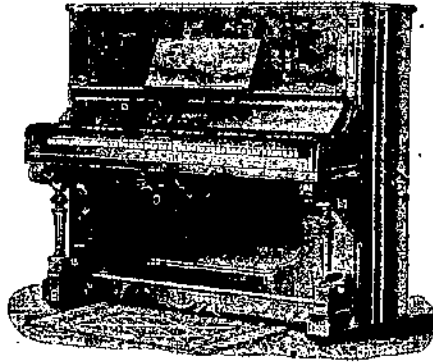

We sell the following Organs. The celebrated Estey, that has led the world for fifty-two years.

The Furend and Verry, that runs in without a peer.

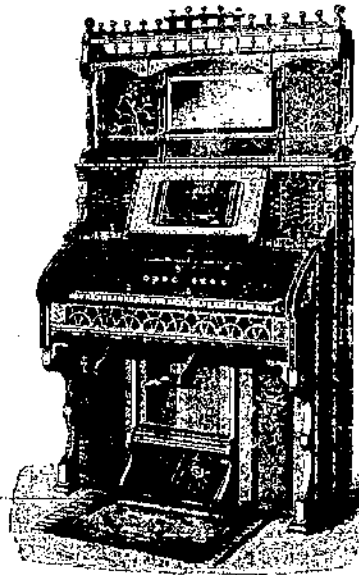

The Western Cottage, with a world-wide reputation.

The beautiful Camp & Co., that adorn the homes of thousands of customers.

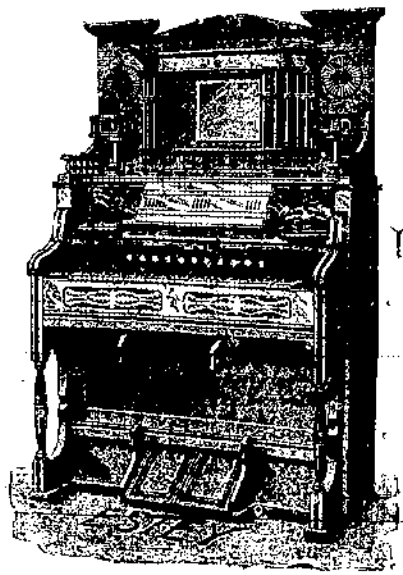

If the amount of number in an ESTEY ORGAN is one hundred feet, there is lumber enough in all of the Estey Organs which have been sold to build a fence around the world. This is true of no other organ.

We Sell the Matchless Decker Bros., Estey, Camp & Co. and Arion Pianos.

We call your attention to a few of the points of superiority of the line of Organs and Pianos we sell. Lumber is all thoroughly seasoned and kiln dried; material is all the very best, skilled artisans are employed in every branch of the work, cases are strongly built in Oak and Walnut, frame work all mortised and tenoned at the corners, panels set in grooves in frame, finished smooth and hand rubbed, cases that will stand climatic changes, style of cases are all new and of matchless beauty; tone round, smooth, deep and full, responds quick to the touch.

We do not try to compete in price with cheap grades of Organs and Pianos, but we promise you the best instrument and at the lowest price they can be sold. We extend a cordial invitation to inspect our instruments at the BOOK STORE and be convinced. The easiest terms possible are given on monthly, quarterly, or semi-annual payments, or for cash.

J. D. STURGEON, THE NORFOLK PIANO MAN.
