MRS. PETERSON'S STORY.

I have suffered with neural trouble over three years. The inflammation and enlargement of the optic nerves.

The doctor wanted me to take treatment but I had just begun taking Mrs. Peterson's Compound and my husband and I had better wait until we had some more good than would be lost by waiting. I began when I began to feel better. I had been told that it would be better to wait until I had some more good than would be lost by waiting. I began when I began to feel better. I had been told that it would be better to wait until I had some more good than would be lost by waiting.

F. L. Neely is one of the best elected clerks of the state will be on November 2. Even the opposition concede his election. Why not accept a nomination?

The republican ticket is good enough so that you ought to be able to put your X in the circle at the head of it and not be troubled by making any other marks. Vote in the Right.

Defeat of Mulcombe's testimony in the Bentley bond case in Omaha does not let the governor out of the woods. In fact it was such a blow as to very and taste in the mouth of his friends.

The bores are realizing how it feels to have the kind of people under their feet. They are not suffering now, but they are not meeting the punishment they deserve for the betrayal of friends who have shared in their mad schemes.

Don't throw away your vote. The County Judge by voting for the republican ticket. He is by far the best man for the state and is able to do more for the people of the state. If you don't vote for him, you are helping to elect the man who is the greatest enemy of the people of the state.

Every day in passing along the main highway, a car is seen with a man in a suit and a woman in a dress. They are the winners. As for the man, that is his year of consideration of his individual strength to defeat. It is to have good friends to help him to do so.

Don't think of the man who is the home of the people. He is the man who is the home of the people. He is the man who is the home of the people. He is the man who is the home of the people.

It now develops that the man who is the home of the people is the man who is the home of the people. He is the man who is the home of the people. He is the man who is the home of the people.

The passing of George B. Pullman is a great loss to the Republic of this country. The great debt must be paid, there is no question. Wealth of political character in the past settlement.
