ITS ORIGIN AMONG THE PILGRIMS AT PLYMOUTH.

THE AMERICAN PEOPLE DO NOT know the history of our National Day—its origin among the Pilgrims at Plymouth.

For instead of being a day of thanksgiving, it has become a day of feasting and merriment.

It is a day when we are reminded of the fact that we are a people of pilgrims.

—BAMES IN INCUBATOR.

THE VICTORIES FOR REBELLION, now open in London, does not present an exhibit of greater scientific interest than that of the infant incubator.

The two most important features of the incubator are the means of maintaining a constant temperature.

The incubator is a box of wood or metal, with a glass front, and is divided into two compartments.

ATYCHISON QUOTE SIGNS.

Every second finds a lot of people to quote Atychison.

A man who is not married can make a change, but a married man can't.

The only way to keep your feet from getting cold is to have a good pair of shoes.

The Cherry Divorce Case.
The attention of the court was attracted by the position of the Cherry Divorce case from our neighboring town of Wislida. The court room was filled with a motley company of all ages of persons there for the purpose of witnessing the custody as it was expected that some of the witnesses would be very sensational and afford a grand work for the gossamer to turn up a story that would be worth the price of the paper.

OUR THREE BUTTON CUTAWAYS

will satisfy you in every detail; they meet exactly the ideas of the man who is looking for a suit of fine quality and elegant appearance at a moderate cost. You can pay a tailor \$50 and not get as good quality or as perfect a fit as we give you for a third of that amount. There's style in these suits of sure, and an honesty in the making that insures enduring satisfaction. They can't be shaped like most of those they're not made in the ordinary way. There's something uncommonly good about every suit that carries this Trade Mark.
