**How to Use the Flat Iron**  
The following is a list of the most important things to be remembered in the use of the flat iron. It is a list of the most important things to be remembered in the use of the flat iron. It is a list of the most important things to be remembered in the use of the flat iron.

of them they will still find some, but some will not be so good as last. One must not be too sure, and I would like to ask whether they should be very soft and then to know how to use them. It is a list of the most important things to be remembered in the use of the flat iron.

**Three Crucial Points**  
The first is the temperature of the iron. It should be hot enough to melt the wax, but not so hot as to burn the fabric. The second is the pressure. It should be applied evenly and not too heavily. The third is the direction of the stroke. It should be made in a straight line, and not in a curve.

**Prevention is Best**  
The best way to prevent the iron from sticking is to use a good quality of wax. It should be soft and pliable, and it should be applied in a thin layer. It should also be applied in the direction of the grain of the fabric.

**Notes on the Waxing Process**  
The waxing process is a delicate one, and it requires a certain amount of skill and experience. It is a list of the most important things to be remembered in the use of the flat iron. It is a list of the most important things to be remembered in the use of the flat iron.

**How to Wax a Suit**  
The first step is to clean the suit. It should be washed and then dried. The second step is to apply the wax. It should be applied in a thin layer, and it should be applied in the direction of the grain of the fabric. The third step is to iron the suit. It should be ironed on a hot iron, and it should be ironed in the direction of the grain of the fabric.

**Waxing a Hat**  
The first step is to clean the hat. It should be washed and then dried. The second step is to apply the wax. It should be applied in a thin layer, and it should be applied in the direction of the grain of the fabric. The third step is to iron the hat. It should be ironed on a hot iron, and it should be ironed in the direction of the grain of the fabric.

**Waxing a Coat**  
The first step is to clean the coat. It should be washed and then dried. The second step is to apply the wax. It should be applied in a thin layer, and it should be applied in the direction of the grain of the fabric. The third step is to iron the coat. It should be ironed on a hot iron, and it should be ironed in the direction of the grain of the fabric.

**Waxing a Suit**  
The first step is to clean the suit. It should be washed and then dried. The second step is to apply the wax. It should be applied in a thin layer, and it should be applied in the direction of the grain of the fabric. The third step is to iron the suit. It should be ironed on a hot iron, and it should be ironed in the direction of the grain of the fabric.

**New California Housewife**  
The new California housewife is a woman who is not only a good housewife, but also a good mother. She is a woman who is not only a good housewife, but also a good mother. She is a woman who is not only a good housewife, but also a good mother.

**How to Cook**  
The first step is to clean the ingredients. They should be washed and then dried. The second step is to chop the ingredients. They should be chopped into small pieces. The third step is to cook the ingredients. They should be cooked in a pot, and they should be cooked for a certain amount of time.

**How to Bake**  
The first step is to preheat the oven. It should be preheated to a certain temperature. The second step is to mix the ingredients. They should be mixed together in a bowl. The third step is to bake the ingredients. They should be baked in the oven for a certain amount of time.

**How to Fry**  
The first step is to heat the oil. It should be heated to a certain temperature. The second step is to dip the ingredients in the oil. They should be dipped in the oil for a certain amount of time. The third step is to fry the ingredients. They should be fried in the oil for a certain amount of time.

**How to Boil**  
The first step is to bring the water to a boil. It should be brought to a boil in a pot. The second step is to add the ingredients. They should be added to the pot. The third step is to boil the ingredients. They should be boiled for a certain amount of time.

**How to Simmer**  
The first step is to bring the water to a simmer. It should be brought to a simmer in a pot. The second step is to add the ingredients. They should be added to the pot. The third step is to simmer the ingredients. They should be simmered for a certain amount of time.

**How to Stew**  
The first step is to brown the meat. It should be browned in a pot. The second step is to add the vegetables. They should be added to the pot. The third step is to stew the ingredients. They should be stewed for a certain amount of time.

**How to Roast**  
The first step is to preheat the oven. It should be preheated to a certain temperature. The second step is to season the meat. It should be seasoned with salt and pepper. The third step is to roast the meat. It should be roasted in the oven for a certain amount of time.

**In Pain?**

**MRS. PINKHAM TALKS ABOUT "CHANGE OF LIFE"**

Women are often in the presence of this wonderful revolution in the Company of their Little Blood-Mix. Watson. This How She Was Helped.

All our life we were made to be happy and contented. We were made to be happy and contented. We were made to be happy and contented. We were made to be happy and contented. We were made to be happy and contented.

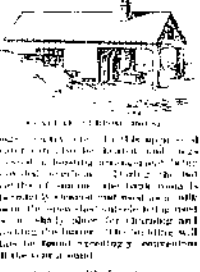

Send this letter from Mrs. Della W. Watson, 67 West 11th St., Cincinnati, Ohio. Dear Mrs. Pinkham, I have been using your Little Blood-Mix for some time during the change of life, and it has been a blessing to me. I can cheerfully recommend your medicine to all who are in the same condition. I know it will give permanent relief. It would be glad to relate my experience to any sufferer.
