Creeping Consumption

Do not think for a single moment that consumption will ever strike you a sudden blow. It does not come that way. It creeps in step by step.

First, you think it is a little cough, nothing but a little cough. Then the fever, and the loss of weight. Then the blood, and the loss of sleep. Then the chest, and the loss of appetite. Then the cough, and the loss of breath. Then the chest, and the loss of strength. Then the cough, and the loss of life.

But you can do it with Ayer's Cherry Pectoral.

Ayer's Cherry Pectoral

You feel once that you cough here. The chest is sore. The throat is inflamed. A little hoarseness is present. A little coughing is done. You can do it with Ayer's Cherry Pectoral.

Dr. Ayer's Cherry Pectoral Plaster over the Chest.

A Book Free. It is on the Diseases of the Throat and Lungs.
