NEW SPRING GOODS

are now constantly arriving at

Wilson Bros.

While it may seem early to some people to be offering Spring goods at this season of the year, yet from our experience has taught us that there are many advantages in buying early as the best styles and qualities always go first, and very often cannot be duplicated again during the season. Our new spring stock comprises the latest styles in staple and fancy dry goods. As soon as we can get into our new building which will be in the very near future we intend to put in a full line of Millinery and employ a first class trimmer. We will also conduct a dressmaking department.

CARPETS

During our recent trip we procured the largest and most complete line of Carpets that has ever been brought to the city of Wayne, all the new and latest designs, as well as one exhibition at our store. Call and inspect them and you will be convinced that we cannot be excelled in this line.

GROCERIES

Quality is what we want and it is what we want our customers want and most desire. We run our stock every 30 to 40 days and that gives you a fresh supply of always and brings you back to trade with us again. We want you to try our goods during 1904 and we know we can make it an object for you.

WEARINESS OF BACKACHE

I had severe female complaints causing terrible backache and general prostration was the result of the same. Had headache and such a hard feeling. I have taken several bottles of your Compound and have also used the Sarsaparil and feel like a new woman. I must say I never had so good a feeling as I have now. I have been healthy and free from all my troubles for several months. I would like to say to all my friends, I would like to try your Compound. I would like to say to all my friends, I would like to try your Compound.
