### A Perfect Hat Store.

Our Hat Department is stocked with the most fashionable styles and guarantees satisfaction.

### MEN'S, BOYS AND CHILDREN'S HATS AND CAPS

The only difference between our hats and those of some stores is the price and styles. Buying and selling hats in large quantities enables us to quote much lower prices than many stores can afford.

For instance, men's stylish Derby and Fedora's in black and colors made from pure Fur stock silk bands and binding and guaranteed for the very best of service for \$1.50 and \$2.00 as good as many will ask \$2.50 and \$3.00 for.

### Men's and Boy's Bicycle and Golf Caps.

Made from plain blue and Scotch plaid cloth, 25 and 50c, the same kind will cost you more elsewhere.

So don't forget that we are Hats in as large a sense as Clothiers and Furnishers.

# Backache

Wearing, restless backache.  
Dull, exhausting and constant pain.  
No comfort by day. No rest at night.  
Aches in the small of the back, pain to  
down in the side. No spirit for any task no  
hope for relief. Great numbers of women are  
not free from backache from one year and  
to another.

Among Mrs. Pinkham's victories  
there is none more complete than  
that over backache and the ex-  
haustion of thousands of  
women poor that she  
was its conqueror.

Mrs. C. Klink of Wells,  
Main, writes:  
"Dear MRS. PINKHAM—  
I suffered for years with  
a long list of troubles, and I  
want to thank you for my  
complete recovery. Lydia  
E. Pinkham's Vegetable  
Compound is a wonderful  
medicine for women.  
I had severe female  
backache, causing terrible  
pain and nervousness  
I almost fell every time  
at the time, but, gradually  
and with aching feeling, I  
now have taken several bottles  
of your Compound, and have  
found relief. I feel like I  
feel like a new woman.  
I don't say I ever had any  
other ailment, but I  
have better health than I  
ever had in my life. I  
feel like I am a new  
woman, and I can work  
and study and feel good.  
I give Lydia E. Pinkham's  
Vegetable Compound as  
the reason for my  
recovery. I would not  
want you to read my  
story for anything."

When a woman  
has severe back-  
ache she has some  
serious trouble  
that will sooner or  
later declare itself.  
Mrs. J. Fulton of Toledo,  
Ohio, found that her back  
ache was caused by a  
stricture, which she  
discovered by the  
aid of Lydia E. Pinkham's  
Vegetable Compound.  
She writes:  
"I had been suffering  
for years with a  
stricture, which was  
causing me a great  
deal of trouble. I  
could not walk, and  
I was very nervous.  
I tried many  
doctors, but they  
could not cure me.  
I then tried Lydia  
E. Pinkham's Vegeta-  
ble Compound, and  
in a few days I  
found relief. I  
now feel like a  
new woman, and  
I can work and  
study and feel  
good. I give Lydia  
E. Pinkham's Vegeta-  
ble Compound as  
the reason for my  
recovery. I would  
not want you to  
read my story for  
anything."

The safe way to guard against trouble is  
to get Mrs. Pinkham's advice when the back-  
ache first appears. A letter to her at Lynn,  
Mass., describing your case will receive  
a prompt reply without charge.  
"Your Backache is a Friend to Women."  
"Dear Madam, I wish to tell you the great good  
your medicine has done for me. I am a  
woman I have suffered greatly. Head aches, and a  
trouble, backache, very severe pain at hips and  
side of abdomen. I had been nervous, nervous were frequent.  
I have now taken four bottles of your Vegetable Compound,  
and feel like a new woman. I feel like I can walk  
and work, and I feel like I can study and feel  
good. I give Lydia E. Pinkham's Vegetable  
Compound as the reason for my recovery. I  
would not want you to read my story for  
anything."
