The state parted with its \$25,000 appropriated by the last legislature for the purchase of a governor's mansion in St. Thomas, who failed to be elected to St. Thomas, and gave up a property that in all probability paid him a nice profit.

Gold is going out of the country at a pretty fast rate, according to Europe, but not to pay back their gold money of interest, directly received, but to loan to people of high credit who are ready to pay a higher rate of interest than can be realized here. \$1,000,000 went across the straits last week.

The National State Central Committee held a meeting in London, England, last week. The meeting was held in the city of London, and the main object of the meeting was to discuss the question of the gold money of interest, directly received, but to loan to people of high credit who are ready to pay a higher rate of interest than can be realized here. \$1,000,000 went across the straits last week.

The Cattle & Sheep company has secured a contract for \$500,000 worth of steel rails to be furnished during the winter and the first of the year.

Senator Allen says he is not in position to accept a nomination for supreme judge. Well, that's just what we thought, and it fully confirms the oft-repeated charge that he is a member of the firm of Horoback, Allen and Neill—Fugitive Times.

The average Nebraska democrat is a patient and faithful beast of burden, bearing with every a heavy load, and when the load is heavy, but there is a limit to his endurance. He will carry this year, and the other year of that. He is Siles A. Holcomb—Fugitive Times.

The railroads of the country find a new difficulty confronting them in the way of building new lines and extension. It is in a position to get additional line for the laying of tracks. Many are of the opinion that a short time will elapse before the railroads will be in a position to get additional line for the laying of tracks.
