# Ayer's Hair Vigor

**What does it do?**  
It causes the oil glands in the skin to become more active, making the hair soft and glossy, precisely as nature intended.

**It releases the scalp from dirt and dandruff and thus removes one of the great causes of baldness.**

**It makes a better circulation in the scalp and keeps the hair from coming out.**

**It prevents and it cures baldness.**

Ayer's Hair Vigor will surely make hair grow on bald heads, provided only there is any life remaining in the hair bulbs.

It restores color to gray or white hair. It does not color it in a moment, as with a hair dye, but in a short time the hair color of the scalp gradually disappears and the darker color of youth returns to its place.

You will find like a copy of our book on the Hair and Scalp, in a free trial bottle.

WAYNE, NEBRASKA.

#### WAYNE REPUBLICAN

Published at the residence of W. J. Jones, Wayne, Nebraska, every Wednesday, at 10 o'clock.

Devoted to the interests of the Republic and the people of Wayne County, Nebraska. Published by W. J. Jones, Editor and Proprietor.

The department of agriculture estimates the Nebraska corn crop will reach 200,000,000 bushels this year. At nearly every point in the crop will be worth the raising cost of 40 cents.

The department of the Governor Helms expresses the difference between the amount the livestock from the state should pay to the state for the use of the water and the amount actually paid is not used to pay for repairs water works.

One week from today (Don't) Harvey, the great advocate of fire, and the great champion of the insurance industry, will be in our midst and will preach, not a doctrine of content, of industry, frugality and contentment, but a doctrine of greed, of avarice, of the desire to get rich, of the desire to get rich, of the desire to get rich.

log that we should ever make justice better by hypocrisy in any shape or form. It is a shame in me as a citizen that we should have tolerated on a city like New York an administrator who would permit such a scandalous and disgraceful episode of elementary justice.
