Santa Claus Up-to-Date....

Santa Claus often takes a practical turn when he visits grown-up folks, and leaves a fashionable suit, a stylish overcoat, or a comfortable ulster, instead of pretty trinkets.

Orders, all you have to do is straighten out your face and we'll furnish a record in it.

Patented outfit for business, either in business or on the street, is highly appreciated, and costs the same as the one worn by Santa Claus.

Of course, in subject to change on a moment's notice after the holiday of the fit is not absolute by name.
