Facts For Sick Women

First the medicine that holds the record for the largest number of afflicted cases of female illness is **Wm. W. Pinkham's Vegetable Compound**. Second Mrs. Pinkham can show by her letter files in Lynn that a million women have been restored to health by her medicine and advice. Third, all factors to Mrs. Pinkham were considered, opened, read and answered by women only. This fact is certified in by the mayor and postmaster of Lynn and others of Wm. W. Pinkham's own city. Write for free book containing these certificates. Every able woman is invited to write to Mrs. Pinkham and get her advice free of charge.

Wild With ECZEMA

Hands and Limbs Covered with Blisters and Great Red Blotches. Scratched Until Almost Wild. Burned Like Fire. Sleep Impossible. CUTICURA Remedies Bring Speedy Relief and a Permanent Cure at a Cost of Only \$2.

I was a sufferer for eight years from that most distressing of all diseases, Eczema. I tried some of the best physicians in the country, but they did me little good. The blisters got more and more covered and worse became inflamed. The whole matter at first would appear, then they would peel off leaving a red, smooth surface which would burn like fire and itch worse than anything I could find. On the inside of the upper part of both my limbs great and itching, not unlike blisters, would appear and as soon as I became aware of the itching and itching would begin. Night after night I would be awake all night and scratch and almost go mad. I heard of CUTICURA. As Mrs. Pinkham got them and gave them a thorough trial, and after a few applications I noticed the redness and inflammation disappear. Before I had used one box there was not a sign of Eczema left. I can truthfully assert that \$2.00 worth of CUTICURA REMEDIES cured me. There has been no sign of its return's anywhere upon my body since I wrote you I was cured, nearly four years ago. It is a month passed but I receive a letter or some one calls and wishes to know how I got cured, if I had Eczema bad, and if the cure has been permanent, etc., etc. I always take pleasure in answering such inquiries.
