

I am Past 80 and Not a Gray Hair

I have used Ave's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair on my head.

Have You Lost It?

We mean all that rich, dark, curly hair you had once. But there is no need of lamenting over it, the real can find it again.

Ave's Hair Vigor always restores color to gray hair. We know exactly what we are saying when we use that word "Ave's."

It makes the hair grow heavy and long, too; takes out every bit of dandruff, and stops itching of the scalp. Keep it on your dressing table and use it every day, and you will be happy.

"A Thread Every Day Makes a Skin in a Year"

The small disease germ carried by the thread through the system will cause a healthy human body to be a condition of weakness. Do not wait until you are bed-ridden. Keep your skin pure and life-long at all times. Hood's Sarsaparilla accomplishes this at a trifling cost.

Nervous Women

are ailing women. What a woman has some female trouble she is certain to be nervous and wretched.

With many women the monthly suffering is so great that they are for days positively insane, and the most diligent efforts of ordinary treatment are unavailing.

Lydia E. Pinkham's Vegetable Compound

comes promptly in the relief of these women. The letters from women cured by it prove this. This paper is constantly printing them.

The opinion of Mrs. Pinkham should also be secured by every nervous woman. This book nothing. Her address is Lynn, Mass.
