

You Take Your Choice.

There are two different systems of conducting a retail store. The old way is to buy goods of jobbers on large scale and then sell them in small quantities at the retail price, convenient to pay. Some customers prefer this convenient to pay and the amount is lost.

The new way (our way) is to buy goods from the factory for cash and sell them for cash. This way there is no loss for bad accounts. We present the following statement showing the two ways and you take your choice.

The Old Way.	The New Way.
One suit, cost \$10.00	One suit, factory price \$7.50
Merchants profit 50 per cent	Discount for trade 10 per cent
Charged for bad accounts 10 per cent	
Total	Total
\$15.00	\$7.12 1/2

Customer gets 25 per cent off suit and gets 25 per cent more than he would pay this way.

Men wanting business the old way are disappointed in the price same as the cash merchant. This leads some to believe that they are paying no more for clothing than they have to pay at a cash store, but when you look into the matter you will be convinced that our statement is correct. Every honest person knows that goods can be sold cheaper for cash than on credit. It is not a matter of how much cheaper a suit can be bought for cash, and for this reason we make the above statement. We use the new system for buying and selling clothing the same as used in all the large department stores of Omaha. The new way of buying and selling goods works the same in a small store as it does in a department store and we can sell your clothing as cheap as any department store, for we use the same system in buying and selling.

The old stage clothing is too slow for these times, and the old way of buying goods will soon be no more. For it is too expensive and will have to be bought in large quantities. Not out of the habit of buying clothing on credit and you will find out you will be more prosperous. You can buy better clothing for less money as for cash. You will make out public credit and happy. THE 2 JOHN'S are the part of our business and our store will soon be ready for the spring season and will be far the largest stock ever offered in Wayne. Investigate this new way of selling clothing. It will cost you nothing to look at our goods and we know it will pay you to trade at the ONLY REVOLUTIONARY CLOTHING STORE IN WAYNE.

NICE OLD QUAKER LADY

Cured of Catarrh By Peruna After 20 Years Suffering.

Mrs. M. J. Evans, a well-known Quaker, writes that she has been cured of catarrh after 20 years of suffering by the use of Peruna. She describes her symptoms and how the medicine helped her.

My wife, Mrs. J. Evans, says she has been entirely cured of chronic catarrh of the bladder, after 20 years of suffering, by the use of the excellent medicine, Peruna, as directed, and we feel very thankful to her for this kindness and advice. She did not expect to be so well as she is now. Twenty years ago she was in the grippe. I want to tell her there has been a great deal of Peruna used here last winter. Peruna does not need praising. It tells for itself. We can and do recommend it to any one who is afflicted with catarrh. As ever, the friend, John Evans, South Wabash, Ind.
