My Hair Was Coming Out

"About a year ago my hair was coming out very fast. I bought a bottle of Ayer's Hair Vigor to stop this. It not only stopped the falling, but also made my hair grow very rapidly, and now it is as thick and lustrous as ever."—Mrs. A. Beckett, Andover, Mass., July 25, 1899.

It Feeds the Hair

Have you ever thought why your hair is falling out? It is because you are starving your hair. It has no nourishment. Your hair will not grow unless it is fed. It is Ayer's Hair Vigor that feeds the hair. It stops falling, becomes healthy, and grows thick and long. Ayer's Hair Vigor will do anything else it drives nature's color to fairs or gray hair.

The Merry Wives of Windsor, the play which has been the subject of so many of the most successful comedies of the English stage, was first produced in 1597, and has since that time been one of the most popular and successful plays of the English stage.

La Grippe is Here!
 It Never has Raged so Fiercely!

In some states doctors and undertakers are not able to care for the sick and dead. You are in danger and should not take the slightest chance. You should have on hand the very best remedy known, so as to check it at once, as soon as you notice the slightest symptoms of its hold.

Dr. Kay's Lung Balm

It is now known to be the very best, safest and surest remedy ever discovered for the grippe. Take no chances, but have it on hand and save your life and the life of your dear ones.

HERE IS PROOF--
 The Sister of the Late Walter Stanford, United States Senator, of California, Mrs. Harriet Lyford of Saratoga Springs, N. Y. writes: "I had a very bad cough, Dr. Kay's Lung Balm cured me. It is the best medicine I ever saw for coughs, colds, and hoarseness." "I had a very bad cough, Dr. Kay's Lung Balm cured me. It is the best medicine I ever saw for coughs, colds, and hoarseness."

Dr. B. J. Kay, Saratoga Springs, N. Y., writes: "I have used Dr. Kay's Lung Balm for many years, and it is the best medicine I ever saw for coughs, colds, and hoarseness."

Dr. Kay's Renovator is the only medicine that will cure all the ailments of the system, including the grippe, pneumonia, and all other respiratory diseases.

As a SPRING MEDICINE it has no equal.

State authorities recognize Dr. Kay's Lung Balm and Dr. Kay's Renovator as not made of sold ingredients. It is an all drug store, and will cure them just as fast as the others. The Rev. Dr. J. B. Kay, Saratoga Springs, N. Y., writes: "I have used Dr. Kay's Renovator for many years, and it is the best medicine I ever saw for coughs, colds, and hoarseness."

A Texas Letter

The following is from the pen of George Beckler to the "House Through the West" -

Dear Editor: As you may know, I have been making for a better time but I would like to know if you will please send me a few more of the "House Through the West" -

It was on the 15th of Dec. 1891 that I proceeded straight to the Texas coast. The first day I was in the city of Galveston, and I was very much surprised to find that the people here were very much interested in the "House Through the West" -

We will be glad to receive a few more of the "House Through the West" -

Are you Willing?

To run the risk of amny snow and discomfort certain to be found in all ready made clothing to save a dollar or two on the price?

Isn't it better to pay that small difference and get exactly what you want? Here you can select not only the cloth and pattern, but have the style you prefer, the pockets of the kind and number you like, and generally get what you order, while in ready-made clothing you don't have these advantages and have to take what you can get.
