Our Mother is Our Best Friend

We always get the best of everything when we please our mother. We find that when we please the mother we have the wife's favor, the assurance. Next to this we find it is to please the father, and the reason we receive much of our time to please the mother of the family. Nothing pleases a mother more than to see her children getting along well. Nothing pleases a mother more than to see her children getting along well. Nothing pleases a mother more than to see her children getting along well.

Sore Hands

One Night Treatment

Soak the hands on retiring in a strong, hot, creamy lather of CUTICURA SOAP. Dry, and anoint freely with CUTICURA, the great skin cure and purifier of emollients. Wear, during the night, old, loose kid gloves, with the finger ends cut off and air holes cut in the palms. For red, rough, chapped hands, dry, fissured, itching, leverish palms, with shapeless nails and painful finger ends, this treatment is simply wonderful, and points to a speedy cure of the most distressing cases when physicians and all else fail.

Sore Hands 8 Years Cured.

Pain So Intense Would Nearly Twist Fingers From Sockets. Hands Peeling Up Like a Toad. Water Ran Through Stragles to Floor. Had to Walk the Floor Until Would Fall Asleep. Fingers Would Peel Like an Onion. Doctors Could Not Cure.

Eight years ago I got into bed with a burning soreness in my hands. I tried many remedies, but they were not able to cure me. I learned of the remedy, CUTICURA, through the daily newspapers. After using it for 8 years, I was entirely cured. I consider your permanent, as it has been the case and a half year since I was cured.
