I Look 25 Years Younger

I am now twenty-five years of age and my hair is as dark as it was twenty years ago. Though my I look it from the speech younger than I am. I would be entirely bald or more white if it were not for your Hair Vapor. — Mrs. Anna Lawrence, Chicago, Ill. Dec. 25, 1907.

Any Hair Vapor returns color to gray hair very fine. And it is a wonderful fact that the fading, gray hair and scalp, and keeping it soft and glossy all the time. My Dear Mr. Overington:
I suppose the close of every war
is a time when the government
is in a state of confusion
I was one of the boys of the
Civil War, and it is especially
interesting to me to see the
government in the hands of
the "big business" men.
