NO. 9.

IT MUST BE

That we are giving the best values and selling the best goods for the lowest prices—if not the people wouldn't continue to come here. It's a common-sense proposition, and the people are not fools.

Mens' Easter Suits.

There's no use trying to get out of it, the men folks are just as anxious to look their best on Easter morning as are the women folks. Your wife of course, will look her best, and she would be ashamed to have you going with your winter suit on. It doesn't cost you as much as you might think for to be dressed as elegantly as your neighbor who spends \$25.00 for a suit. We don't sell any more suits for \$15.00, but will sell you a ready-to-wear suit of clothes for less than half, and the only difference is the place you buy it. The guarantee that is sewed in the coat pocket is a proof of our honesty, a proof of sound judgment. If you buy a suit of clothes here and change your mind about the pattern or style you can return it or exchange it. If you shouldn't find just the pattern you want we will return your money. How about it? It is the best we have, the latest styles, and you can choose with very little trouble. Sometimes we have customers who do not buy at first looking, but they come back. We suggest the \$30.00, \$10.00, \$12.00, \$14.00, \$16.00, \$18.00 and \$17.50 suit for your Easter outfit.

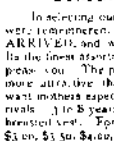

Boys' Suits.

When a boy gets so particular he won't eat bread and molasses for supper and wants to put with his lunch, he has arrived at the age when he is "picky" about his clothes. It's the particular part that he has arrived at, and what he does when he sees it that we can always please. A large stock and choice patterns of clothes. The little prices marked on them make quick sales. For Easter we suggest the \$5.00, \$6.00, \$7.00, \$8.00, \$9.00, \$10.00 suits. Made in double and single breasted coat and stylish patterns. Age 10 to 15 years.

We have made a special effort to please the boys in ages 10 to 15. Some want a suit, we have them in choice patterns from \$5.00 to \$7.50.

Childrens' Suits.

In selecting our stock for spring the children were remembered. THE GOODS HAVE JUST ARRIVED, and we're really surprised ourselves in the line of assortment we've ever seen. It will please you. The prices in their lowness, are even more attractive than the suits themselves. We want in others especially to mention these late arrivals. 1 to 8 years old made with fancy double breasted suits. For Easter Suits we suggest \$1.50, \$3.00, \$3.50, \$4.00, \$5.00 and \$6.00.

Our Hat Department has all the late styles. We have so old again but to show you. You can feel safe in buying a hat of us. It will be latest style, and the price will be right.

Furnishing Goods! Here is where we excel for we buy only the best and latest styles in furnishing goods. You must go to an exclusive house to get the best in Neckwear, Shirts and Hosiery.

Mens', Boys' and Little Gents' Shoes.

We have the best and the latest styles, and prices are the lowest. We have had a score of years' experience in the shoe business. We can fit your feet and purse. With shoes and good wearing shoes our specialty. For your Easter outfit go to

Don't Forget Your Easter Hat

The week preceding Easter every man who can afford it discards his old plume and buys one that. Without a stylish hat no part of a man's attire is complete. It is a man's crowning glory on a dressy occasion. And now this season we are offering the latest styles of hats ever displayed in this city at prices that bring high quality into the reach of everyone. For instance, we offer:

A New Spring Style Derby, and Fedora Hat in colors and shapes that are absolutely "the thing"—the quality equal in every way to those which other stores sell for \$10.00 and \$12.00 more—our Easter Derby at only \$7.50.

A Another Grade of Men's Derby and Fedora—not only as high in quality, but the equal of any hat sold elsewhere for \$12.00 is made in summer styles and colors, and is offered here at the special price of \$1.50.

A WORD ABOUT PRESCRIPTIONS

Did you ever examine one? Could not tell much about one, could you? After all it is a matter of CONFIDENCE in your druggist. You get the best doctor you can, don't you? Isn't it equally important that you take your prescription where

KNOWLEDGE AND EXPERIENCE INSURES ACCURACY AND PURITY?

Where all the new preparations are added just as soon as a trial proves them worthy, where substitution is never practiced, where you get the same "just what the doctor orders."

We have been doing a prescription business on this basis for 15 years. We believe we can please you. A trial will convince you.
