## Woman's Refuge

When sick is Lydia E. Pinkham's Vegetable Compound. No other medicine in the world has done so much good.

No confidence has ever been violated.

No woman's testimony has ever published by Mrs. Pinkham without special permission.

No woman ever wrote to Mrs. Pinkham for advice without getting help. No man sees these letters. Her address is Lynn, Mass. She is a woman, you can tell her his truth. No living person is so congenial to advise women. None has had such experience.

She has restored a million sufferers to health. You can trust her. Others have.

## WATER BILE

Causes bilious head-ache, back-ache and all kinds of body aches. Spring is here and you want to get this bile poison out of your system, easily, naturally and gently. CASCARETS are just what you want; they never grip or purge, but will work gently while you sleep. Some people think the more violent the griping the better the cure. Be careful—take care of your bowels—salts and pill poisons leave them weak, and even less able to keep up regular movements than before. The only safe, gentle inside Spring cleaner for the bowels are sweet, fragrant CASCARETS. They don't force out the fecal matter with violence, but act as a tonic on the whole 30 feet of bowel wall, strengthen the muscles and restore healthy, natural action—buy them and try them. You will find in an entirely natural way your bowels will be promptly and permanently put in good order for the Spring and Summer work.
