MAMMA!! DON'T YOU HEAR BABY CRY?

Do you forget that summer's coming with all its dangers to the little ones—all troubles bred in the bowels.

The summer's heat kills babies and little children because their little insides are not in good, clean, strong condition.

Winter has filled the system with bile, Belching, vomiting up of sour food, rash, flushed skin, colic, restlessness, diarrhoea or constipation, all testify that the bowels are out of order.

If you want the little ones to face the coming dangers without anxious fear for their lives, see that the baby's bowels are gently, soothingly, but positively cleaned out in the spring time, and made strong and healthy before hot weather sets in.

CURED BY CASCARETT. BEST FOR THE BOWELS. ALL DRUGGISTS. CASCARETT'S CANDY CATHARTIC.

### A WORD ABOUT PRESCRIPTIONS

Did you ever examine one? Could not tell much about one, could you? After all it is a matter of CONFIDENCE in your druggist. You get the best doctor you can, don't you? Isn't it equally important that you take your prescription where KNOWLEDGE AND EXPERIENCE INSURES ACCURACY AND PURITY?

When all the new preparations are added just as soon as a trial proves them worthy, where substitution is never practiced, where you get every time "just what the doctor orders."

We have been doing a prescription business on that basis for 15 years. We believe we can please you. A trial will convince you.
