A WORD ABOUT PRESCRIPTIONS

Did you ever examine one? Could not tell much about one, could you? After all it is a matter of CONFIDENCE in your druggist. You get the best doctor you can, don't you? Isn't it equally important that you take your prescription where

KNOWLEDGE AND EXPERIENCE INSURE ACCURACY AND PURITY?

Where all the new preparations are added just as soon as a trial proves them worthy, where substitution is never practiced, where you get every time "just what the doctor orders"

We have been doing a prescription business on that basis for 15 years. We believe we can please you. A trial will convince you.
