CHAPTER XXX.

The little had taken a long time to get ready for the race. He had been in the stable for a long time, and he was now ready to go out to the track. He was a little nervous, but he was determined to win.

As the race began, the little horse took a long stride and he was in the lead. He was running like a champion, and he was winning the race. The crowd was cheering and the little horse was running like a champion.

How To Gain Flesh

Persons have been known to gain a pound of flesh by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens.

Someone who once produces the pounds it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not get it you can get it by taking

Scott's Emulsion

Dr. Wilkinson, specialist in diseases of the eye, ear, nose, throat and catarrh, will be at the office of Dr. Williams in Wayne, Monday, Sept. 19th.
