Billious-Got a Cold?

You're bilious, got a cold, you have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, your ears under your eyes are parched and you feel ugly, your feet wear, as if you wanted to kick a lame infant or kill a canary bird. Your system is full of bile and passed off, and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, but send out at once for a box of **CASCARETS** and work off the cold while you sleep.

Be sure you get CASCARETS! Don't let them sell you a fake substitute.
