ITCHING Burning Scaly HUMORS

Complete External and
Internal Treatment

Cuticura THE SET \$1.25

Consisting of CUTICURA SOAP to cleanse the skin of crusts and scales, and soften the thickened cuticle, CUTICURA OINTMENT to instantly allay itching, irritation, and inflammation, and soothe and heal, and CUTICURA RESOLVENT to cool and cleanse the blood, and expel humor germs. A SINGLE SET is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humors, rashes, itching, and irritations, with loss of hair, when the best physicians, and all other remedies fail.

WONDERFUL CURE OF PSORIASIS.

A sufferer for thirty years from the worst form of Psoriasis, finally cured by Cuticura Soap and Cuticura Ointment. I wish to tell you my experience, that others may benefit by it. I was previously afflicted that the matter that caused it, from my nose after the scales had peeled off, would cause my scratching to actually burn to my body. After treatment in one position, sitting or lying down, for an hour or two, the flesh on my elbows and knees would split, to bleed, and swell to the size of my fists. The humiliation I experienced, to say nothing of physical agony, was something frightful. The detached scales would flake away from my chest, stomach, and arms. I had no idea of the relief that Cuticura Soap and Cuticura Ointment would afford me. As to the case, I recommended bathing in hot Cuticura Soap with slight rubbing, applied the Cuticura Ointment, and then wrapped myself in a sheet. In two weeks my skin was almost blood red in color, but smooth and without scales. Patches of natural color then began to appear, and in less than a month I was cured. I am now past forty years of age and have skin as soft and smooth as a baby's. Hoping that others may benefit by my experience, and getting that sensitive forehead out from discarding my name.

I am yours gratefully,
J. H. M. Boston, Mass., Sept. 30, 1903.

CONSTIPATED OLLAGE

Means misery on the eye of life. Nine out of ten old people are constipated because the muscles of their intestines have become weak, worn out and flabby. Constipation is the cause of old age, causes bile and acid poisons to remain in the blood, staining the skin yellow and wrinkled, the eyes heavy and causing the "boxes to ache". Keep the bowels strong, healthy and regular and old age loses all its terrors and weaknesses. No reason why grandpa and grandma shouldn't have bright eyes, and clear, ruddy skin and feel lively and active, if they will only keep their bowels open and vigorous with **CASCARETS, CANDY CATHARTIC**, the greatest bowel tonic ever devised. Try them to-day—a 50c box—a whole month's treatment—and find that the tortures of constipated old age are

The wonderful increase in such as the one at Lincoln, and the fact that Delaware has labored with through two seasons of her legislation without being able to fix a date, is a mark of the present election of legislators by direct vote of the people of the state.

It is pleasing to hear that our friends of the far side have been able to determine that the delivery of appropriations for the year of the legislature was brought about by the magnificent management of state institutions by the hands of the present color.

Expense incurred by the fusion retaining Secretary of State, and the \$2000 appropriation for judicial expenses of the present legislature, look pretty good. There are some who are not so sure of the wisdom of the \$10000. What economical fellows those fusion officials were.

BERNARD MILNER

There are all kinds of whistling, just as there are all kinds of flour or other commodities, but there are no such things as free goods. The flour of the flour is only by G. D. Frank.

It is not a Sunday sale, but every day at Peapack's. The stock is composed of the best flour of every grade, and the flour is of the best quality and price at all times.

In the springtime all mankind is afflicted with a cold feeling and it is the best of the best flour of all seasons. The flour of the flour is only by G. D. Frank.

Good opportunities are being taken in a practical way in the city and country surrounding it. In fact they are nearly all in the hands of the same man. It is not a Sunday sale, but every day at Peapack's. The stock is composed of the best flour of every grade, and the flour is of the best quality and price at all times.
