The 2 Johns are Going to Celebrate.

Yes, we are going to celebrate right here in Wayne. Now his celebrating business is like all other important events in man's life—to have a good time it is necessary to make proper arrangements. There are four important events in man's life, and to enjoy himself the same arrangements are necessary. The first important event is to be born and the arrangements are a NEW SUIT on hand. The next important event is to get married. Now we know there are some men who say they can't find anyone that will have them. We don't believe there is a man on earth if he will let US dress him up will fail to get a good wife. Well to enjoy getting married you should have a NEW SUIT. Now we come to the glorious Fourth and every man and his family should celebrate. To enjoy yourself the same necessary arrangements should be made a NEW SUIT. The next and last in the sad part of man's life—to die. The same necessary arrangements should be made a NEW SUIT. Only one other important thing is necessary to make these four important events a success, and that is CASH. Now right here is where the 2 Johns come in. We have a new suit put out and out of style for every man that needs one, in Wayne county, and if you buy it here you will have enough to have some cash left to celebrate with. You can't enjoy yourself in an old suit or one that is out of date, but if you buy here you will have the satisfaction of knowing that you look right and you will feel that the price was right. These are important considerations to enjoy a new suit. Remember we have everything that men and boys wear. Our hats, shoes, shirts, collars are all new style and the selection is ample, so you will make no mistake by coming here for your outfit for the Fourth. Don't say this is just an advertisement, but investigate and you will find you can save money by trading here. Come here for clothing, for it is right you will find it all.

ANGLERS' SONG

Anglers, to the banks of the stream,
To the fishing lake, with the fishy stream,
To the fishing lake, with the fishy stream,
To the fishing lake, with the fishy stream,

TURKEY BANISHES THE THEWETER.

The turkey on the horse is a classic illustration from a children's magazine. The turkey is depicted in a human-like posture, sitting on the horse's back and holding a basket. The horse is shown in profile, facing right. In the background, another turkey is visible, seemingly running or moving quickly. The scene is set outdoors with some foliage.

WAGES OF THE PEASANTRY

It is a well-known fact that the wages of the peasantry are very low. The following figures were recorded in the course of a recent survey. In the village of Breda, the average wage of a peasant is only 100 francs per year. This is a very low amount, especially when one considers the high cost of living in the present day.

A WORKING GIRL

A working girl in the early 20th century faced many challenges. She had to work long hours for a meager wage, and she often lived in overcrowded and unsanitary conditions. Despite these hardships, she had to support her family and provide for her own needs.

The working girl's life was a constant struggle. She had to balance her work and her domestic responsibilities, and she often found herself feeling overwhelmed and exhausted. Her health and well-being were often sacrificed in the name of survival.

The working girl's story is one of resilience and determination. Despite the odds being stacked against her, she continued to work hard and strive for a better future for herself and her loved ones.

Her story is a testament to the strength and spirit of the working class. It is a story of hard work, sacrifice, and the pursuit of a better life. Her struggles are a reminder of the challenges that many people still face today.

Her story is a reminder of the challenges that many people still face today. It is a story of hope and perseverance, and it is a story that we should all be proud of.

The turkey's actions in the illustration are symbolic. By banishing the theweter, the turkey is representing the triumph of good over evil. It is a lesson in courage and the power of the righteous.

DISPEPSIA

Most people are more than good for their stomach. The stomach tries to digest all that's put into it, but if it's overloaded, it goes on a strike. This leads to indigestion, which causes discomfort and pain. Dyspepsia is a common condition that affects many people, and it can be treated with the help of Cascades.
