A SINGLE SET is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humours, rashes, itching, and irritations, with loss of hair, when the best physicians, and all other remedies fail.

MILLIONS USE CUTICURA SOAP

Ascribed by CUTICURA OINTMENT, for preserving, pacifying, and beautifying the skin, and clearing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, lullabies, and chafings, and for all the purposes of the toilet, bath, and nursery. Millions of Women use CUTICURA SOAP in the form of a bath for removing pimples, inflammations, and excoriations. For the face, for delicate preparation, in the form of washes for excessive weakness, and for many sensitive, delicate purposes which readily suggest themselves to women and mothers. No amount of persuasion can induce those who have used these great skin purifiers and beautifiers to use any others. CUTICURA SOAP combines elaborate medicinal properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odours. No other medicated soap is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP the best toilet and baby soap in the world.

Liver Don't Act?

You know very well how you feel when your liver don't act. Bile collects in the blood, bowels become constipated and your whole system is poisoned. A lazy liver is an invitation for a thousand pains and aches to come and dwell with you. Your life becomes one long measure of irritability and dependency and bad feeling. CASCARETS act directly, and in a peculiarly happy manner on the liver and bowels, cleansing, purifying, refreshing every portion of the liver, driving all the bile from the blood, as is soon shown by increased appetite for food, power to digest it, and strength to throw off the waste. Beware of imitations!
