HARRINGTONS' THE LEADING CLOTHIER

To fully appreciate ourselves this morning the best looking clothing in America, we made it a point to visit such cities as Buffalo, Albany, Syracuse and New York to visit some of the very modern clothing stores and in every instance we found they were handling the HARRINGTONS' & HARRINGTONS' manufacturers. We were not surprised to find it so, but it simply confirms the statement that we are on the right side of the clothing business. We are opening up our new fall stock. Come in and look them over.
