Our 2nd Anniversary!

Two years ago we came to Wayne and we have met with greater success than we had reason to expect. We came with a new, well selected stock. Our trade was good at the start and has been increasing every day since. To meet our increasing trade we have put in more than double the stock we had last year. We now have the largest and best selected stock of clothing ever brought to Wayne county. Our store would be a credit to a town twice the size of this. The class of goods we sell has induced people to come from neighboring towns to trade with us. When we located in Wayne we believed there was room for a first class, one-price, cash clothing store and we are glad to state we were not mistaken. Our success has proven that the people appreciate our efforts. Some of our competitors predicted that we would be here about six months and then we would have to leave town. We are conducting our business on a long time contract and we are glad to state we are not leaving town. We are glad to state we are not leaving town. We are glad to state we are not leaving town.
