Are You Independent?

If you are independent and can trade where you please, this store will certainly interest you. Some people are tired of the store they have been trading with and have a use for any other store, no matter if they can save 20 per cent on their purchases. They say: "I have traveled over since I came to Wayne county at the same store. I like the people that run that store, and as long as I can find what I want I will trade there." Well, this advertisement is not intended for anyone who is not independent and dare not leave a store because they trust him for what he wants. If we had good dollars for twenty cents such people would not dare to come here and get any. If you are independent and can trade where you please we can interest you in the clothing line and can convince you that we can save you money on clothing. We know that no store is like the old store as far as feeling at home, but you will soon feel at home here and you will be surprised at the amount of stock you have to select from and if you like to save money you will be pleased to trade here. If you have been buying clothing at a store where they sell everything, and have a few suits piled up in the corner, to sell out long time you will be surprised if you will look at our line, for we not only sell much cheaper, but sell better clothing. If you are independent and care to save money on your clothing make this store a visit. See what we can do for you. We don't claim to have the only clothing in Wayne fit to wear but where we beat other stores is in the price, and better goods for the same price. If you want the best at the lowest price this is the place to look. Remember we sell everything men and boys wear. Our shoe department contains only such shoes as our experience has proven to give satisfaction. Our styles are the latest. Be independent and investigate this store. It will cost you nothing to see our goods. It will afford you great pleasure to show you and you can save money trading here. Why not try it?
