THE WAYNE REPUBLICAN.

NEVER published for special consideration. It keeps from saying what it believes to be right. ALWAYS REPUBLICAN, but never hostile to politicians.

"He that tooteth not his own horn, his horn shall not be toned."

A Newspaper

Would be entirely filled if we would take space to enumerate all the separate items of our immense Holiday Stock. It is our intention, however, to submit a portion of the list next week; we can hardly think of anything you would really need or want for Christmas that we cannot furnish. Be sure and look over our line before buying. Look for further announcement next week.
