I. O. O. F. PREPARING FOR DISTRICT MEET

Plans Being Elected for Entertaining N. E. Nebraska Convention Here May 21.

STATE OFFICERS WILL SPEAK

Local Odd Fellows are busy preparing for one of the largest I. O. O. F. conventions ever held in this part of the state. Five hundred members are expected to attend the 12th annual convention of the Northeast Nebraska Odd Fellows association to be held in Wayne the afternoon and evening of Tuesday, May 21.

After the grand lodge session and conferring of degrees and a number of addresses all in the Community house, the convention will reach its climax at 11:45 p. m. when the Rebekah degree staff will serve a banquet. H. P. Rankin, grandmaster of Lincoln, and E. S. Davis, grand secretary of North Platte, are expected to be in attendance.

The arrangements for the convention are in charge of C. W. Reynolds, president, C. H. Hendrickson, vice-president, and Herman Lundberg, secretary-treasurer, of the northeast district. Addresses will be given by H. P. Rankin, E. S. Davis, Will H. Dunn, as well as the district officers, Mr. Reynolds and Mr. Hendrickson. Degree work will be presented by Hartington, Emerson, Ponca and Newcastle.

George Bornhoft is noble grand of the Wayne lodge, which numbers some 125 members.

TWO WAYNE COUNTY FARMS SOLD DURING PAST WEEK

Martin Ringer, local real estate dealer announces two land sales effected during the past week. A half section was sold to Fred Peperkorn by W. E. Barkley. This is known as the D. A. Jones farm and was sold for \$42,000. August Kay bought a 120 acre farm from August Slahn for \$150 per acre.

HERE and THERE by Avery Whare

I met a fellow on the street the other day—I think he was a Swede, his name was Grogan—Pat Grogan, just an ordinary person near's I could tell, only a little dumber, perhaps. He joined the army about eleven years ago and went over and helped save Uncle Sam's hide.

"Everybody thought I was smart then," Mr. Grogan, the Swede, said, "But me—and they said lots of nice things about me that sounded good and I appreciated them."

"Well, while I wuz over there a fitin like all get-out and it looked like I wuz never comin home again I used to get kinda serious like, in between times, and I said to myself kinda quiet—I'd make every body happy if I got back home agin. I'd do things then ne-did to be done, they don't cost so very much, and they'll get pepul to thinkin bout somethin besides pilin up big stacks of mopey for their children to go to war about."

"Well, I got home alright—but things didn't seem to be like they wuz when I left. I found that everybody wuz so biza a makin' money that they didn't hardly notice when I came home. Well, I didn't care so very much about that. I wuz so glad to be back that I jus pitched in and pretty soon every thing was goin along kinda smooth—but I didn't forget what I said to myself, kinda quiet like, when the bombs were talkin turkey on all sides of me."

"Well, it seemed to me that music is something every body needs, and likes—so I kinda got behind a movement to start a bend in my home town. Of course I ain't so very old yet, and I ain't got no money piled up—and I, meby won't ever hav so very much, cuz I guess everyone what's been a duckin grenades gets so he don't give so much of a dam about money—but I ain't afraid to do all I kin. Well, I went around to them what's so much smarter en I am and stayed to hum during the big fit, and most every one of em sed, 'Bully, we'll beck you with the money—go to it!'

"Well, I did. En pretty soon our little town hed about the finest bend in the whole state—at least every (continued on page four)

I. H. BRITELL ATTENDS MEETING AT LINCOLN

Prof. I. H. Britell, of the science department at Wayne State Teachers college, was in attendance Friday at the meeting of the Nebraska Academy of sciences at Lincoln. Dr. Day-ton C. Miller of the School of Applied Science, Cleveland, Ohio, gave two addresses, one on light, and one on the ether drift. Doctor Miller demonstrated a unique apparatus for determining the waves produced by different voices. By speaking into a trumpet the voice vibrations were transformed into light waves, which were traced diagrammatically and showed the difference in waves produced by various voices.

The Nebraska Academy of Science is largely composed of university and college people of all branches of natural science.

REAL ESTATE DEALER CHARGED WITH FRAUD

Deal Involving Stanton and Sholes Property Results in Court Action Here.

Edwin A. Marshall, Stanton real estate dealer on complaint filed by Herman Ogden, real estate dealer of Hastings, was found guilty of fraudulently disposing of Stanton property in a hearing before the Wayne county judge Monday and was bound over to the district term of court and released on a \$1,000 bond.

Following a hearing of testimony in which several witnesses appeared from Stanton, including a number of county officials, the court held that the defendant was apparently guilty of having committed fraud and feloniously disposed of property. The case will be heard in district court here.

The plaintiff contended that property which was deeded to him by Marshall, was represented as being free of encumbrances and that fixtures in the building were part of the property. But that following the transaction it was learned that the property was found to be mortgaged and to have liens filed against it to the amount of \$14,000.

The deal was completed in Wayne during November, according to the records, and involved Sholes property which the plaintiff traded in on the Stanton estate.

At a preliminary hearing a month ago a continuance of thirty days was taken.

WALTER SAVIDGE OPENS CARNIVAL SEASON, HERE

Attendance for Opening Nights Exceeds Last Year.

Walter Savidge officially opened his twenty-third season in the show and carnival business Monday when the opening show of the week was staged.

One of the largest opening night crowds visited the first performance and the attendance thus far has exceeded that of last year, here, officials reported.

Their stand in Wayne will end Saturday night, with the showing of "How Gerry Won" political comedy drama that is said to be a knockout.

Tonight they will show "The Bandit", an up-to-now play featuring the actions along the Mexican border. It is said to be a thriller.

Tomorrow night they will play "The Girl Suzanne" gripping comedy drama that holds your attention until the final curtain.

High class vaudeville acts are given between acts under the big top, and the usual variety of amusements are to be found in the side shows and carnival attractions about the grounds.

AT THE WAYNE HOSPITAL

Mrs. Fred Helwig, of Coleridge, who has been a medical patient at the hospital, left Sunday.

Mrs. Mary Surber, medical patient at the hospital, is getting along nicely.

Naomi Jean Hall, small daughter of Wilbur Hall, who has been seriously ill with pneumonia, is much improved and will go home the last of the week.

Olivet Palmerston has been a medical patient.

Hans Cartsen, Winside farmer, who had an accident with his tractor Wednesday, is confined at the hospital. An amputation of his foot may be necessary.

New Girls' Dormitory at Wayne College Will Be Completed by the End of Year

West Wing to be Added to Neihardt Hall and Power Plant to be Enlarged.

TO REPAIR SCIENCE HALL ROOF

An enlargement of the power plant and building of the west wing of the new dormitory are scheduled for this summer and fall at the Wayne State college, according to announcement of Dr. U. S. Conn, president of the school.

An appropriation of \$25,000 for enlargement and improvement of the power plant and a \$5,000 appropriation for a new roof on the Library and Science Hall was made by the recent legislature and this work will be completed during the summer. It is anticipated.

Plans call for considerable enlargement of the power house as well as additional boiler capacity to increase the efficiency of the plant, which will make it adequate in the coldest weather, it is believed.

Complete Neihardt Hall

The completion of the west wing of Neihardt Hall which, it is believed, will be effected by the end of the year will give the local school a girl's dormitory that is considered by those acquainted with other school facilities as one of the very best in the middle west.

The funds for the erection of this wing, which will complete the building, will be provided in accordance with a state dormitory law permitting the borrowing of money for building purposes to be retired with funds collected from rentals of the rooms.

This work will be started as soon as preliminary detail is worked out, it is announced.

MRS. GEORGE FORTNER AT SIOUX CITY HOSPITAL

Mrs. George Fortner is confined at a Sioux City hospital, where she underwent an operation the last of last week. Mr. Fortner returned last evening from visit with her and reports that she is getting along quite well and he holds hope of her being able to return home soon.

WAYNE KINDERGARTEN BAND MAKES PUBLIC APPEARANCES

The Wayne kindergarten has a 23-piece band. It made its first public appearance at the art day program in the kindergarten room last Thursday when it played before a full house. And it rendered several selections preceding the operetta, Peter Rabbit, at the Community house Tuesday evening.

Barbara Hook is the director. In her red cap and red cloak she led the little red capped and red cloaked group in the playing of Follow the Leader, Soft Southern Breeze, and Little Bonsign March. Cymbals, tambourines, drums, and triangles each contributed their part. And in true professional style at the beckon of their director all rose and curtsied to the enthusiastic applause of the audience.

The kindergarten band appears again tomorrow afternoon when the Art day program is repeated in the high school auditorium. The program is open to the public.

Miss Minnie Will, kindergarten teacher, sponsors the band.

DR. J. G. W. LEWIS ELECTED NEW ASSOCIATION OFFICER

Dr. J. G. W. Lewis, social science teacher at Wayne State Teachers college, was elected vice-president of a group organized for the purpose of forming a Nebraska association of social sciences, at the meeting of the State History Teachers Association Friday and Saturday which he attended. It is proposed to combine the clubs of the different social sciences, such as history, political science, and sociology, into an association similar to the Nebraska Academy of Sciences, which includes all the natural sciences. Professor Berlinger, of Wesleyan, was elected president of the association.

Olivet Palmerston has been a medical patient.

Hans Cartsen, Winside farmer, who had an accident with his tractor Wednesday, is confined at the hospital. An amputation of his foot may be necessary.

CLAUDE FORNEY WRECKS CAR AND IS ARRESTED

Found unconscious under the wreckage of his overturned car, Claude Forney, was placed under arrest by Sheriff Stephens early Sunday morning and will be arraigned in county court to answer complaint of alleged possession and intoxication as soon as broken bones he suffered mend sufficiently.

Forney, it is reported, was found in a ditch under his overturned car near Pender by Sheriff Stephens, who was informed of the accident by passing motorists.

He was taken to his home as his condition was regarded as too dangerous to attempt to bring him to Wayne. It was learned by attending physicians that he suffered fractured ribs and a broken collar bone in the accident. A quantity of alleged whisky was found in the car by officers.

WINSIDE NOT YET SLIPPING REPORT

Alk Business Houses and Residences Continue to be Occupied, Says Item.

Not many towns can boast of the condition prevailing in Winside, according to a report sent the Democrat, which contends that every business place in that town is occupied by thriving merchants, and that every residence with the exception of one small home is occupied. Two families are moving to Winside within the near future, the report states, and now the town is facing the problem of providing a residence for one of them.

There is no indication that the small town is doomed to be found in the town of Winside, it is brought out, as during the past five years vacancies have not been experienced there.

Traveling salesmen, the report states, have expressed much comment contrasting Winside with other towns of about the same size where many residences are empty and business houses are displaying "for rent" signs in their windows.

Much of the time of recent years it has been necessary for two families to share one residence, and three families have been known to live in one house during emergencies.

JUNIOR-SENIOR BANQUET HELD TOMORROW EVENING

Tomorrow evening is the annual junior-senior banquet of the Wayne high school. Eighty-seven, including faculty members, juniors, and seniors, are expected to attend the function, which will be held at the Hotel Stratton at 6:30. George Downing, junior class president, will be toastmaster. Toasts will be taken from advertising slogans and will be given by George Downing, Dick Faust, Marion Jo Theobald, Kathryn Kemp, Franklin Philleo, Doris Judson, Jim Morris, Miss Glennie Bacon, Mrs. Lura Belle Johnson, Mr. T. S. Hook, and Mrs. Allis N. Pollard.

The room will be decorated with home-cut flowers.

Mr. Walter Albert and Miss Olive Huse are sponsors for the banquet.

THEOPHILUS LUTHERAN CHURCH ELECTS PASTOR

The German Lutheran church southwest of Wayne elected a pastor to fill the vacancy caused a year ago when Rev. Fischer, who served in that capacity for many years, resigned.

Rev. A. Janke, who during the past year has been in Florida and who served in churches in Chicago for many years, following a trial sermon Sunday was elected as pastor of the congregation. He will assume charge at once and will give his opening sermon next Sunday.

Rev. Janke spent most of the week at the home of August Wittler here and plans to move into the church parsonage as soon as repairing and painting can be completed, probably the last of this week.

NOTICE

The new electric siren fire whistle will be given a test on Friday at 12 o'clock noon before final acceptance. Will appreciate any reports from the country giving us an idea as to how far this siren can be heard.

MUSIC WEEK OPENED WITH UNION SERVICE

Peter Rabbit, Operetta, Please Cap-a-city Audience Tuesday Evening at Community House.

PROGRAM AT COLLEGE TONIGHT

One of the best community song services in years, was the verdict of those who attended the union services at the Methodist church Sunday night. The church was filled to capacity.

The program, under the direction of Prof. Irving T. Horn and Mrs. J. T. Bressler, Jr., which formally opened Music week in Wayne, was given entirely by local talent, and many of the Wayne music groups took part. There were songs by both the high school and college glee clubs, and the Kiwanis double quartet. The Presbyterian and the Methodist choirs each gave selections, the solo part in the latter being sung by Miss Rickbaugh. Herbert Welch sang a solo, and the congregation joined in the singing of a number of hymns.

Grades Present Operetta

The lower grade children of the Wayne public schools presented their operetta and musical program Tuesday evening at the community house before a crowd that more than filled every seat. The program, under the direction of Mrs. Lura Belle Johnson, was given without a hitch, and the audience was enthusiastic over every number.

The first part of the program was three selections by the kindergarten band. Then followed the operetta, Peter Rabbit, by the first, second, third, and fourth grades, in which all the children of those grades took part. It was the well-known story of Peter Rabbit in Mr. McGregor's garden. Wilmer Ellis played the part of Peter, and Orval Graham was Mr. McGregor. Other little rabbits were Flopsy, Marion Vath, Mopay, Marjorie Hook, and Cottontail. Warren Mau. The part of Mother Rabbit was taken by Geraldine Gamble. The rest of the children were carrots, beans, lettuce, and peas, and all were effectively costumed.

In spite of the smallness of the children, there was little trouble anywhere in the audience in following their songs and speeches.

Following the operetta the four upper grades gave a program of songs which was also well executed. All the upper grades closed the program by singing, Nebraska My Native Land.

During the program the grade children presented Mrs. Lura Belle Johnson, director of the program, and Miss Minnie Will, kindergarten teacher, with flowers.

Song Story of Nation

Large crowds at the song service Sunday evening and at the school musical program in the Community house Tuesday evening told of the local interest in music and community affairs. The various clubs all report a large attendance at their musical programs.

There are several events yet to take place. This evening at 8 o'clock is a recital by Edna Seewald, piano pupil of Mrs. Dorothy Giesler, at the college auditorium. Tomorrow evening at 8:00 p. m. at the Community house is the Song Story of Our Nation, a benefit program given by the Wayne Woman's club.

The pupils of Mrs. W. E. Beaman, who gave recitals Tuesday and Wednesday evenings, will also give a class recital this evening.

FOOT GETS CAUGHT IS BADLY MANGLED

Hans Cartsen, Road Overseer of Winside, May Lose Foot As Result of Injury.

Hans Cartsen, young Winside man, and road overseer near that town, had an accident on his tractor while working the roads Wednesday afternoon, which may necessitate the amputation of his foot. Cartsen, in making a sharp turn with his tractor, caught his foot in the chain, which badly mashed it, and nearly severed one toe.

Friends immediately rushed Cartsen to the Wayne hospital, where it was found necessary to amputate his toe. It is not yet known whether or not his foot can be saved. Cartsen spent a very uneasy night.

Your

MODEL T FORD

is still
a good car

THE Model T Ford led the motor industry for twenty years because of its sturdy worth, reliability and economy. Those same reasons continue to make it a good car.

As a matter of fact, nearly one-fourth of all the automobiles in use today are Model T Fords. Millions of them can be driven two, three and even five more years with reasonable care and proper replacements. Figures show that the average life is seven years.

Don't sacrifice your Model T; therefore, but take it to the Ford dealer and have him estimate on the cost of putting it in A1 shape. A very small expenditure may be the means of giving you thousands of miles of additional service.

For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. This price includes new bearings, reboring cylinders and any other work necessary. Parts are extra.

Valves can be ground and carbon removed for \$3 to \$4. The cost of tightening all main bearings is only \$6. The labor charge for overhauling the front axle is \$4.50 to \$5—rear axle assembly, \$5.75 to \$7.

New universal joint will be installed for a labor charge of \$3. Brake shoes relined for \$1.50. Rear spring and perches rebushed for \$1.75. The cost of overhauling the starting motor is \$3. A labor charge of approximately \$2.50 covers the overhauling of the generator.

It will pay you, therefore, to see your Ford dealer and have him put your Model T in good running order. By doing so you will protect and maintain the investment you have in your car and get months and years of reliable transportation at a very low cost per mile.

WUPPER-AUTO RETURNED TO BEEMER CAR DEALER

A Lincoln automobile formerly driven by Paul Wupper, fugitive Beemer banker, was returned to Emmett Wendt, Beemer auto dealer, by a ruling made by Judge F. L. Spear in Dodge county district court. Wendt brought a replevin action against Sheriff W. A. Johnson for the return of the car. When Wupper left, with a trail of debts behind him, the Union National Bank of Fremont, attached the automobile. Wendt then started action on the grounds that Wupper had never purchased the car. He claimed that the car was still his and asked that it be returned to him. In addition to having the car returned to him, Wendt was given ten dollars nominal damages.

OBSERVATIONS

Turkey also has liquor troubles, but they are of little different nature than those of the United States. Mustafa Kemal Pasha, dictator of Turkey, decided to abolish the commandment of the Koran to abstain from alcohol. To make it dead easy for his subjects to get a drink, the government took over the sale of liquors. But Kemal learned that the Turkish people were not so thirsty as they are in the United States. In fact, they had grown so used to doing without through centuries of abstinence that they refused to indulge when alcohol was placed right under their noses.

Yes, Turkey has liquor troubles. Or at least that is the story of Ralph Strassberger, a publisher who has made a survey of prohibition in foreign countries.

NASH '400'

Leads the World in Motor Car Value

\$1050

Delivered,
Fully-Equipped,
Nothing More
to Buy!

Compare delivered, fully-equipped prices

See why Nash is lower!

ON the basis of quality, the Nash "400" should cost more than other cars in its competitive field. It actually costs less!

Nash engineers—one of the industry's outstanding engineering organizations—have created a finer motor car. They have developed the high-compression, 7-bearing motor to its highest point of perfection and power. The exclusive Nash outboard mounting of hydraulic shock absorbers doubles their effectiveness and creates supreme riding ease. And here is the "world's easiest driving control," in this new and finer motor car.

These are but a few of many "400" features of superiority.

Why then, is the Nash "400" lower priced?

Here is the explanation. Every Nash "400" is now factory-equipped with the accessories, purchased at factory savings and included in the factory price of the car. Bumpers, shock absorbers, spare tire lock and tire cover come with the car and are not added later as "extras," at retail prices.

You will find some dealers (not Nash dealers) charging as much as \$50 or \$60 extra for bumpers alone.

Compare the delivered, fully equipped price of any Nash "400" with the delivered, fully equipped prices of competitive cars. You'll see the saving!

FACTS ABOUT NEBRASKA

As long ago as 1860 an Omaha newspaper boasted of Nebraska as a wheat growing state claiming that Nebraska wheat brought ten cents more per bushel on the St. Louis market, which was reached by Missouri river navigation. The same paper reported that Alex MacReady had raised 140 bushels of corn per acre in Dakota county.

The average death from strong drink in the United States was 3.7 out of 100,000 population, a fractional increase over the year before and the highest since 1917. Nebraska's record is 1.4, the lowest of the states except South Carolina.

A man who came to Nebraska 35 years ago bought three cows for \$15 each and sold butter for 10 cents per pound. Last month the same man sold all of his large dairy herd at an average of \$125.50 per head.

Nebraska has 127,734 farms, according to the government census. In round numbers 2,700 farms have electric service, or 2.1 per cent of the farm homes are electrified.

Building has begun on a new electric plant for Wausa. The Farmers Co-operative company will erect a new brick building and several other new business houses will start as soon as warm weather has definitely come.

An added mile of ornamental street lighting is on the way for Beatrice. The property owners along the street will pay for the electroliers and for the current, with the city doing the wiring.

Kearney is laying 33 blocks of underground cable to install new street lights and issues the challenging slogan, "Kearney, the best lighted city in Nebraska."

A new Diesel engine and other improvements planned for the municipal electric plant at Minden will probably cost around \$35,000. The city is adjoining at Third sewer district.

A new turbine pump at Leigh raises 228 gallons of water per minute and uses a 30-horsepower electric motor.

The American Legion camp at Sidney planted a thousand dollar's worth of trees in the new park that the Legion is fostering in that city.

Peru citizens have petitioned the village board to submit the question of Sunday movies to the voters.

The new Ash Grove cement plant, the most modern plant of its kind ever built and the largest in Nebraska, will open this month at Louisville.

EGGS AND MUSIC

National Egg week was observed May 1-7. Its purpose was to educate people in the food value of eggs. So the first three days of this week were not only devoted to Music, they were also devoted to Eggs. We no longer have enough weeks to go around, and must double up on some. We trust that while people's ears were attuned to sweet melodies, and their minds were dwelling on the contributions to culture of Brahms and Schubert and Beethoven, they did not neglect entirely the contributions to gastronomy of Anconas and Leghorns and White Wyandottes. As Hoover says, cultural development and material well-being should go hand in hand.

Nebraska produces every year three-fourths of a billion eggs, or enough to fill 100 50-car trains, and they sell for \$15,000,000.

WILLIAM BENSHOOF AND EMMA CHRISTENSEN WED

William Benshoof of Wayne and Miss Emma Christensen of Newman Grove were married in Sioux City last Wednesday, and plan to make their home in Wayne.

The bride's parents, Mr. and Mrs. C. J. Christensen, live at Newman Grove. A. W. Christensen of this city is a brother. The groom is a son of Mrs. Dora Benshoof and is well known here.

To those respectable professors who still consider the habit of yawning a bit gauche, may we timorously suggest that it is only a sleepy hollow?

His broat slash! by a razor, a World war veteran was found in a dying condition in his room in an Omaha hotel. On a table was found a note, to his surviving daughter, and his compensation insurance policy for \$1,500, made payable to her. What could have prompted a man who braved the liquid-fire and bursting bombs of history's most horrible war to have taken his own life is not known . . . but surely a \$1,500 compensation from the government for which he risked his life, is hardly enough for a little girl.

Wayne churches, clubs, schools, and individuals responsible for the various music programs given here during the week are to be commended for their efforts. Too often we take such opportunities for granted. We are inclined to believe that it is a matter of little effort, for those able to do so, to render beautiful playing or singing, but that is not true. Each of the week's performances have been the result of conscientious preparation and represented finished talent not often heard in a small city. If you have not attended one of these programs go to the one at the college auditorium tonight or the one at the Community House tomorrow evening, and you'll be glad you did.

MOTHER

Sunday is Mother's Day—and how easy to observe. Easy, why? Because it's for mother? No! Because, no matter how you do it, just tell mother you remember, and you've done enough. She'll understand; she'll appreciate.

Mother expects no credit for what we are. Yet she, to whom we are indebted for all and who never ceases to care, bravely shares the responsibility for each of our errors. Through thick and through thin, she is Mother.

Remember Mother Sunday!

The Bravest Battle

"The bravest battle that ever was fought!"

Shall I tell you where and when? On the maps of the world you will find it not,

It was fought by the mothers of men.

"Nay, not with cannon or battle shot, With sword, or nobler pen; Nay, not with eloquent word or thought,

From the mouths of wonderful men.

"But deep in a walled-up woman's heart— Of woman that would not yield,

But patiently, silently bore her part—

Lo! here is the battlefield.

"No marshalling troop, no bivouac song;

No banner to gleam and wave;

And oh! these battles they last so long—

From babyhood to the grave!

"Yet, faithful still as a bridge of stars,

She fights in her walled-up town—

Fights on and on in the endless wars;

Then, silent, unseen goes down.

"O ye with banners and battle shot, And soldiers to shout and praise,

I tell you the kingliest victories fought

Are fought in the these silent ways.

"O spotless woman in a world of shame!

With splendid and silent scorn,

Go back to God as white as you came,

The kingliest warrior born."

RIDE 'EM COWBOY

Governor Weaver has again demonstrated that his judgement is not prejudiced by partisan views in the selection of A. C. Schallenberger as chairman of the committee to investigate and audit the records concerning the state banks and the manner in which assets of those which failed were handled.

A governor who could survive the

obstinate and contrary attitude displayed by his own party in the recent session of the legislature without having his broad views distorted should continue to give the state's affairs safe and fairminded supervision.

No doubt he could have selected within his own party circles, men as capable to supervise the investigation as Mr. Schallenberger and perhaps had he experienced a more congenial time during the winter he would have done that . . . but certainly he could not have made a better choice, and his selection should serve as an admission to the standpatters, who schemed and plotted to defeat the progressive intentions of their leader.

When they are called back to Lincoln for the extra session they will return knowing that they have a leader who can not be "broke to ride" or who is not going to "get out of the saddle" until he is thrown out and that it will require even more balky demonstrations than they have been capable of displaying to effect such results.

They figgered out that it cost the pepul in my town a dollar each every year—about a nickel for each concert what's free in the park. End this aint takin into account the good what all the kids gets out of it, either.

"Well, after I got the bend agoin along fine the pepul in my town voted to pay the expenses and take the burden off the bizness men, what hed generously contributed to it as they sed they would, end I wuz to handle the money.

"Every thing wuz luvly for a while end then those couple smart guys what were so smart they figgered out that the bend aint doing no good also figgered out how I aint smert enuf to handle the money eny more, end then they could do it so much better themselves.

"Well, I don't care so very much about who handles the money but I don't like to hev em tell the whole world how dum I am cuz every bud already knows that—cuz I wuz in the army.

"But I'd like to hev these couple smart guys figger out for me—cuz, sure ez blazes, there aint nobody else smart enuf to do it—how anybody could hev done eny better than I hev done. I'd precciate en answer to that.

"If they can't figger that out, end if they aint got no good answer why I shouldn't keep rite on runnin the bend just like I ben a doin, end just like the pepul wants me to do, then I'd be glad to hev em let me alone end my hum town will continue to hev a bend that everybody in the state, what don't live in my town will think is about the best bend there is.

"Runnin a Bend aint exactly no snap end it aint always no fun either but that wuzn't why I got behind it in the first place. I becked the bend for the good of my hum town end for the good of the pepul what lives in my hum town end in the community around my town, end for the good of the kids what, when they grows up, I hope will think about something besides goin to war end start fiting about big stacks of money, which wont do nobody eny good except them what's smart enuf to stay at home.

**J. E. PILE IS ALTERNATE
TO NATIONAL CONVENTION**
Visits State Capitol While At State
M. W. A. Meeting.

James H. Pile, Wayne delegate to the state convention of the M. W. A. last week was elected alternate delegate to B. T. Brown of Randolph from Nebraska to attend the national convention, of that order, which will be held in Chicago in June. Mr. Pile returned home Thursday evening and reported that he enjoyed the trip.
Capitol not Crumbling.

The new state capitol building, Mr. Pile states, "is absolutely the finest I have ever seen, and the talk of it not being properly constructed is all bunk."

Mr. Pile was one of a large group of the lodge members who spent several hours going through the large building and all looked carefully for evidence of faulty construction with the result that they believe it is a marvelous structure and one that the state might well be proud of.

Visit Governor

The delegation were met by Governor Weaver, who took them through the new capitol and told them of the many features of the building. Every Nebraskan would do well to take the time to carefully inspect the new state house in the opinion of Mr. Pile.

MISSES SMOTHERS AND ISOM RETURN FROM OMAHA MEETING

Miss Clara E. Smothers, registrar, and Miss Laura M. Isom, assistant registrar at Wayne State Teachers college, returned home Monday from Omaha where they attended the third annual meeting of the Nebraska branch of the American association of collegiate registrars held at Omaha university Friday and Saturday of last week. Twenty-one members from 16 colleges of the state were present.

The officers of the association elected for next year were: M. W. Watson, of Nebraska Central college, president; Enda Hewit, of the University of Nebraska, vice president; and Castle M. Brown, of Peru State Teachers college, secretary.

Miss Smothers was the secretary of the Nebraska branch last year.

WAYNE TEACHER ACCEPTS POSITION IN MICHIGAN

Mr. Proctor Maynard, who has been teaching in the Wayne high school the past year, has just accepted a teaching position in the high school at Ishmening, Michigan for the coming year, with a substantial increase in salary. Ishmening is a town of ten thousand in northern Michigan, a few miles from the shore of Lake Superior.

Mr. Maynard who has been teaching history, economics, and coaching debate teams at Wayne, will continue the same work at Ishmening next year.

MR. AND MRS. OMAN HOME FROM SIX WEEKS VISIT

Mr. and Mrs. Clyde Oman arrived home from a six weeks trip spent at the homes of their daughters, Mrs. Lynn Tuttle of Clarkson, Washington, and Mrs. Jason Gorst of Worland, Wyoming, and report that the spring in the west and northern states seems to be three weeks late.

The mountains are still covered with snow, they reported, and the air continues cold.

Both their daughters and their families are enjoying the best of health and the visit was very much enjoyed, they said, upon their arrival home yesterday.

GRADES TO GIVE ART DAY PROGRAM AT HIGH SCHOOL

Art Days Popular Last Week

Friday afternoon at 2:00 o'clock the children of the lower grades will present their Art day program in the high school auditorium, which will be open to the public.

The Art day programs Thursday and Friday of last week were attended by large crowds which filled all the available space in every room. Many of the numbers were given in costumes prepared by the mothers of the students. Students and teachers have

been very busy the past week preparing for the Art day programs and for the operetta which was given at the Community house Tuesday evening.

School Picnics

A number of the lower grades are giving term picnics soon. Next Thursday at noon the kindergarten and the first grade will hold a joint picnic in the city park if the weather is good.

First grade—Leah Young was absent Wednesday morning. As an art project the students are going to make beads from pieces of crayolas.

Second grade—The following students were absent at some time during this last week: Marion Vath, James Martin, Norman Mahnke, and Margaret Dinnick.

Third grade—Betty Blair had a May party at school last Thursday. She gave each one of her classmates a May basket and an eskimo pie.

Sixth grade—Gladys Downing and Vivian McCaw were absent this week. The class is having reviews in most subjects and preparing for final examinations.

Seventh grade—The Question is leading the Spirit of St. Louis in spelling. Beginning Thursday there will be a spelling match between the two teams. The A class is studying life insurance. The B class is reviewing percentage.

FOUR PRECINCT ASSESSORS COMPLETE PROPERTY LIST

Herman Lutt, assessor of Hunter precinct, and Chas. Jeffrey of Strahan completed the work of assessing their respective districts this week which with Edward Kai of Leslie, who completed his work last week makes a total of three precincts to be completed.

The Hunter valuation totaled \$386,800 and the Strahan valuation was \$316,600. The Leslie valuation totaled \$320,795 which was listed last week.

County Assessor Aschenheimer, who announced the results, is kept busy at his office accepting the returns and checking up reports.

Andrew Stamm, late yesterday turned in the results of Wilbur precinct with a total assessed valuation of \$305,000.

BEEF CLUB SHADES SOW AND LITTER CLUB IN BALL GAME

In a hard fought game at Claycomb's pasture Sunday afternoon the Wayne Baby Beef club defeated the Wayne Sow and Litter club by a 9-8 score.

Acid Stomach

Excess acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. It is harmless and tasteless and its action is quick. You will never rely on crude methods, never continue to suffer,

when you learn how quickly, how pleasantly this premier method acts. Please let it show you—now.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

NEWS

During the month of April we sold and delivered 23 new Model "A" Ford cars and trucks. Thus far during May, we have averaged more than a car a day.

Bring your Ford here for prompt, reliable service. Come in and find out about the \$1.25 Inspection Service that will save you many dollars in the operation and up-keep of your car.

It includes a check-up of your battery, generator charging rate, distributor, carburetor adjustment, lights, brakes, shock absorbers, tire inflation and steering gear.

Have it done when your car is oiled and greased. It's an INVESTMENT—not an expense.

Woman's Club Hold Annual Election

At the last meeting for the year held on Thursday afternoon with Mrs. Art Auker as hostess, the Winside Woman's club held their annual election of officers.

The following were elected:

Mrs. Frank Wilson, president; Mrs. Art Auker, vice president; Miss Bess Rew, secretary; Mrs. G. A. Mittelstadt, treasurer; Mrs. John Brugger, Mrs. Walter Gaebler and Mrs. B. A. Lewis, executive board.

The study for the coming year will be on miscellaneous subjects as it has been during the past year, each club member submitting a program for one meeting and from these the annual program will be made. The new year will begin Thursday afternoon, October 3 with a social gathering with the new president, Mrs. Frank Wilson.

SOCIALS

W. F. M. S. Meeting.

The monthly meeting of the Woman's Foreign Missionary Society was held on Friday afternoon at the Walter Gaebler home with Mrs. Walter Gaebler and Mrs. G. A. Lewis as hostesses.

Mrs. G. A. Mittelstadt was devotional leader and Mrs. Harry Tedrick program leader with short leaflets read by Mrs. Ben and Mrs.

Bert Lewis, Mrs. Geo. K. Moore, Mrs. Henry Ulrich and Mrs. G. A.

Mittelstadt. Mrs. Geo. K. Moore was in charge of the Mystery Box. The hostesses served luncheon. Eleven members and seven visitors were present.

An invitation was accepted from the King's Heralds to their meeting Saturday afternoon of this week.

Social Circle Meeting.

Wednesday afternoon the Social Circle held their first meeting of the new year with Mrs. John Brugger as hostess and eighteen members and five guests were present.

This was a Mother's Day program, the members responded to roll call with a "club pleasureanty".

A paper on "Mother" was read by Mrs. John Brugger. An article on "The Most Illustrious Woman" by Mrs. Halsey Moses, an original poem on "The social circle of yesterday and today" by Mrs. Geo. Pinion. This was the twenty-third anniversary of the club.

A two course luncheon was served by the hostess. The next meeting is on May 15 with Mrs. H. S. Moses as hostess.

Wedding Anniversary.

Last Wednesday night, about 60 neighbors and relatives were invited to the home of Mr. and Mrs. Ed Neiman northeast of town to help them celebrate their tenth wedding anniversary.

The evening was spent with cards and visiting. The hostess served luncheon.

Birthday Dinner Sunday.

The Wylie families surprised Mr. and Mrs. Robert Wylie on Sunday, the occasion being the birthdays of Robert and Raymond Wylie.

The folks enjoyed a big picnic dinner which they had brought with them.

Those present were Rev. and Mrs.

J. B. Wylie and son Raymond, Mr.

and Mrs. Wm. Wylie and son Bruce,

Mr. and Mrs. Harold Andersen, Mr.

and Mrs. Earl Wylie and son, and

Mr. and Mrs. Chester Wylie and children.

Carroll Congregational Minister Goes to Wisner

Union Farewell Party Given For Rev.

and Mrs. M. G. Jones.

A union farewell party was held for Rev. M. G. Jones, who recently re-

signed from the Carroll Congregational pastorate, and Mrs. Jones last

Thursday in which various churches

of the town joined in a program and

entertainment.

Officers of the various churches ex-

pressed their appreciation for the ser-

vices of the retired minister and his

wife during their stay in Carroll, and

presented them with a bridge lamp

and a purse of money as an expression

of the esteem in which they were re-

garded by the community.

Rev. Jones has been elected pastor

of the Wisner church of that creed

and assumed charge of his new duties

the first of the week.

Mrs. H. J. Felber, president; Mrs. Charles Craven, vice-president; Mrs. Harry Jones, secretary; and Mrs. H.

Next Monday there will be a 1:00 o'clock luncheon at the home of Mrs. Paul Mines, which will complete the

year for the Coterie club. Mrs. Paul Mines, Mrs. R. W. Casper, and Mrs. P. A. Theodore are the committee in charge.

Mrs. Ingham Hostess to Acme

The Acme club closed the year by a one o'clock luncheon Monday at the home of Mrs. C. T. Ingham. The luncheon was served on four small tables decorated with sweet pea nut cups, and place cards to match.

Following the luncheon, in observance of Music week, the club gave a program on hymns. The following papers were read: The Story of Hymns, Mrs. Walter Weber; Woman Hymn Writers, Mrs. V. A. Senter; Recent Hymns, Mrs. J. H. Britell; Mrs. E. S. Blair gave a reading, The Music Lover, by Henry Van Dyke. The club then sang a number of hymns.

The members participated in a musical game. The prize was won by Mrs. V. A. Senter.

Monday Club With Mrs. Chace

The Monday club met at the home of Mrs. C. A. Chace Monday afternoon for their last meeting this year. The following officers were elected for the coming year: Mrs. O. R. Bowen, president; Mrs. C. P. Hernon, vice president; Mrs. H. S. Sease, secretary; and Mrs. A. B. Carthart, treasurer. Current Events was the program. Mrs. Chace served refreshments. There will be a picnic at the country club in June in which the families of the members will take part.

County Club

Next Thursday evening at 6:30 at the Country club will be a Country club dinner and the last of the series of bridge parties. The following are hosts and hostesses: Mr. and Mrs. J. D. Miller, Mr. and Mrs. H. W. McClure, Mr. and Mrs. W. K. Smith, Mr. and Mrs. W. P. Canning, Mr. and Mrs. Paul Mines, and Mr. and Mrs. Dean Hanson. At present the high scorers are Fred Dale and Mrs. Harry Fisher.

Fontenelle Delphians

The Fontenelle Delphians met Friday afternoon, May 3, at the city hall, for their discussion of Italy. Miss Mable Dayton conducted the lesson, assisted by Miss Harriet Fortner. The discussion will be continued at the next meeting, May 17, when Miss Dayton will again conduct the lesson. Papers will be read by Mrs. E. E. Gailey, Mrs. C. Gildersleeve, Mrs. Mrs. H. H. Hahn, and Mrs. C. C. Herndon.

Girl Scouts

The Girl Scouts met for a business meeting and patrol tests last Friday.

For a nature quest each scout wrote a story about an animal pet. The scouts were given tickets to the Woman's club benefit show to dispose of among their families and friends. All are asked to bring their dues to the meeting tomorrow. The last of May will complete the scout work until next fall.

Fornightly Club

The Fornightly club held its guest day luncheon Monday at the home of Mrs. J. T. Bressler, with Mrs. Ray Love and Mrs. F. A. Mildner assisting.

A number of guests were present. After the two-course luncheon the afternoon was spent at bridge. Mrs. A. D. Addison made the high score and Mrs. Ralph Beckenhauer was second.

MORAL EDUCATION

(from the Goldenrod)

The purpose of this study is not to establish any prescribed course of moral training, but rather to study objective type situations that have arisen in school life. Boys and girls are placed in situations during this period that demand moral responses.

Why is it that some make a response of which we heartily approve, while others respond in such a way that they gain only our disapproval and censure? What attitude should be taken by teachers toward misdeemors in order to bring about improvement in the child who has been guilty of misconduct of one kind or another?

Can definite training in moral living be given in our schools as they are organized at present? These are some of the questions upon which this study will attempt to throw light.

The cases used in this study were secured from two sources: The actual experience of the author with boys and girls in his administrative and teaching positions and the results of questionnaire circulated by him in the class in educational statistics in the University of Wisconsin Summer session of 1927.

The class was a large one consisting of men and women of broad teaching experience. They came from practically every state in the union.

Following is a copy of the questionnaire:

Age of Pupil

Grade of Pupil

Sex

General Ability

Occasion

Remarks

Teaching Position

Ample space was provided for a full description of the case. The members of the class were generous in their replies and in many cases the situation were discussed. Follow-up conferences were held where the case was not clear or when additional material was desired.
