### PIONEER WAYNE COUNTY PASSES AWAY SATURDAY

**John F. Davis, resident of Wayne Co. 40 Years, Dies Sat. At Home Near Winside**

#### WAS NEARLY 73 YEARS OLD

John F. Davis passed away Saturday morning, Nov. 2, 1929, at his home four and one half miles south of Winside, following a paralytic stroke on Friday Nov. 1st. Mr. Davis has not been so well since last August when he suffered a slight stroke.

John F. Davis, pioneer and farmer of Wayne county for 40 years, was born at Winterset, Iowa, Dec. 9, 1856, and died Nov. 2, 1929, being almost 73 years of age. He was united in marriage to Miss Rebecca Annie Murphy at Winterset, Iowa, Feb. 20, 1881. In 1890 he and his family moved to Dodge City, Kansas, and lived there one year, coming to Wayne county in 1891 and settling on a farm two miles north of Winside, where he lived for 28 years. Ten years ago he moved to his home south of Winside, where he lived until the time of his death. His son, Roy, and family have made a home for him of late years. His wife died Feb. 15, 1918.

He is survived by four daughters, Mrs. Martin Christoffersen, Curly, Neb.; Mrs. Homer Mead, New Boston, Ohio; Mrs. George Newham, Guelp, N. Dak.; and Mrs. Clifton Neary, Sidney, Neb.; one son, Roy Davis of Winside, and by 30 grandchildren. A son Walter Davis, passed away two years ago. Besides his children and grandchildren, he leaves two brothers and one sister: Dorie Davis of Kansas, Andrew Davis of Rushville, Neb., and Mrs. Marion Andrews of Truro, Iowa. In the passing of Mr. Davis the community has lost a valuable citizen and friend.

Funeral services were held at his home at 1 o'clock Tuesday and at the M. E. church in Winside at 2 o'clock. Rev. Carl Critchett had charge of the services. Interment was at Carroll, Nebr.

### Bankers Convention In Session At Omaha

Nebraska's wealth was well represented in Omaha yesterday and today. About 1,000 bankers representing every section of the state are attending the 32nd annual convention of the Nebraska Bankers association. Rollie Ley, C. A. Chase, H. S. Ringland and J. Bressler attended from Wayne.

They are combining business and pleasure. In their spare moments they will interest themselves in the Diamond Jubilee celebration, the stock and horse shows and a series of entertainment features prepared for themselves and their wives by committees in charge of the program.

Prominent among the entertainment features is a golf tournament at the Omaha field club Friday morning. Yesterday, Wednesday, a tea for the visiting women at the Omaha Art Institute, a theatre party for the entire group and an informal dance at the Paxton hotel. The Women visitors will be feted again today, Thursday, when they will be honored guests at a luncheon.

All business sessions are being held at the Paxton hotel. Chief among the features to be discussed before the convention will be the recent proposal by P. I. Hall Jr. of Greenwood, Nebraska, that the regional clearing house plan be spread throughout the state.

A special meeting of the bankers was held Wednesday morning prior to the first convention session for the purpose of hearing State Secretary C. G. Bliss, of the banking department and Bank Commissioner George W. Woods.

### Property Sold For Delinquent Taxes

About \$6,000 worth of property was sold for taxes last Monday at the county court house.

As is usually the case, there were quite a few on the delinquent list who paid up at the eleventh hour, to save the extra penalty.

### Fire Department Called When Furnace Explodes

The fire department made a run at noon, Tuesday, in answer to a call from V. A. Senter's home, on Logan street, but Mrs. Senter had the fire under control when firemen arrived. Mrs. Senter had attempted to start a fire earlier in the day by putting hard coal upon a few smoldering coals in the furnace. As the fire did not start up as readily as she desired she threw some kindling and trash in on the coal. Unknown to her, gas had accumulated and when the blaze from the kindling ignited the accumulated gas, it blew out a section of the pipe to the furnace and the basement filled with smoke rapidly, so when Mrs. Senter went to investigate the noise caused by the explosion she was startled to find the basement filled with smoke. Naturally, thinking her home was on fire, she called the fire department first and upon investigating later found only smoke.

### GREAT CROWD AT HOMECOMING GAME

To Watch The Wayne Wildcats Hold The Far Famed Cardinals To A Tie Score

A fat over-confident bird of brilliant cardinal plumage was clawed and battered in great shape by a Wildcat football team that really showed signs of football fight and sense. Before the largest Homecoming crowd that ever jammed its way into the ancient stands at Wayne the far-famed passing game of the Cardinals flattered and finally failed after thrilling the jam of people for three whole periods. Wayne showed a new fight that without a doubt has been missing and most of the responsibility belongs to that hard-fighting McKinley. Captain Mac McKinley was just so good that his playing stood out far above any playing by any of other players on the field. Kuntzelman passing threat of the Omaha team displayed the wares in great shape but a lot of the credit for his success should go to those Omaha receivers Huff, McAtee, and Arthur. With McKinley on the Wayne team were Ike Jensen and Andrews. These three men were playing real football for the Wildcats.

**First Half**  
Omaha received and Schwartz kicked off to Huff who returned 12 yards. Omaha on a wide end run with Huff carrying the ball made 8 yards around the Wayne left end. Streitweiser, Omaha fullback made 4 yards thru right guard. Streitweiser made 2 yards thru the same hole. Kuntzelman ran back about 15 yards and passed to McAtee that was good for 14 yards and a first and ten. Kuntzelman again went back to pass and again McAtee caught the pass and this time he broke loose for about 20 yards. Huff made 7 yards around end on a double pass play. Ike Jensen sifted thru and spilled him after (continued on page seven).

### Band Fund Subscribers List Is Not Complete

In the next weeks issue of the Nebraska Democrat we will carry a list of the names of those who subscribed money to send Wayne Municipal Legion Band to the Diamond Jubilee, at Omaha, this week.

Thus far some \$450.00 have been subscribed, but more money is needed and those who desire to aid in bearing the expense of sending the band to the jubilee, should do so at once.

As we have not been able to complete this list in time for publication this week, it will appear in our next weeks issue.

### C. R. Brown Attends Buyers Convention

C. W. Brown, of the Golden Rule store, is attending the buyers convention of the Golden Rule chain, which is being held at Holdrege, this week.

Buyers for all the Golden Rule stores of this district will meet with salesmen and factory representatives, and purchase their stock of goods for spring.

### Wayne County Farmers Are Harvesting An Immense Crop of Good Corn This Fall

With Favorable Weather Husking Season Goes on in Full Sway. Yields of 40 to 60 Bushels.

#### DEMAND FOR CORN HUSKERS

Corn husking is in full sway among the farmers of this territory. The farmers did not make much headway last week due to heavy rains and muddy fields, however with cool and clear weather the past few days they are making good progress.

Corn yields are very satisfactory, and range from 40 to 65 bushels per acre. Corn is in fine condition now and if the farmers can get it harvested before snow falls it will mean a great saving for them.

There is great demand for huskers. F. E. Gamble, of Gamble clothing store and V. A. Senter, of the Golden Rule store are working faithfully to supply this demand. For a number of years these men have kept a register of laborers seeking work and this is proving to be a service that is very much appreciated by the farmer; when he needs help all he has to do is go to his telephone and call these stores and they will send a man out to them.

Mr. Senter says "he has placed huskers this season from Texas, Georgia, Idaho, Illinois and Michigan." He has requests at the present time from farmers at Carroll, Concord, Laurel and Wisner for huskers. It is a great sight to drive out on the highways any direction from Wayne these days and see the great piles of corn laying on the lots, farmers not having crib room enough to handle the large yield.

Government estimates had previously estimated this years corn yield for Eastern Nebraska to be about the best of any part of our nation, perhaps exceeded only by northwestern Iowa, and it appears now that the yield reaches or even exceeds the government estimates.

### August Bierman Has Display At Jubilee

August Bierman, of Plum Creek district, has a very attractive display at the Nebraska Diamond Jubilee in Omaha this week. He has decorated his booth very beautifully and has named it the "Prosperity Trio". It is built of corn, alfalfa and sweet clover.

In this booth he has built five steps which he uses in illustrating the five steps essential to success in farming.

Corn, one of the products he uses in building his "Prosperity Trio" he states "will produce five and one-half million bushels in Wayne county this year."

The idea "Prosperity Trio" is carried out so cleverly in the construction and decoration of the booth that it is attracting a great deal of attention, and is considered one of the best displays at the Jubilee.

### Rev. Fenton C. Jones. Resigning Pastorate

Rev. Fenton C. Jones is resigning from his pastorate at the First Presbyterian church here, after eight and one-half years of faithful service. Rev. Jones read his resignation last Sunday, but will not leave Wayne until about the first or the middle of December when he and his wife and daughter will go to Gordon, Nebr. to take up work in their new charge. He has been very well liked in his pastorate here, and his parishioners are sorry to have him leave.

### Wayne High School-Stanton Game Canceled

The Wayne high school and Stanton football game that was scheduled for last Wednesday, was canceled on account of rain. As the school boys anticipated winning this game, they are hoping that they will be able to schedule it for a later date.

Wayne high school will play South Sioux tomorrow at South Sioux.

### WAYNE RESIDENT PASSES AWAY AT HOME SUNDAY

Mrs. Mattie Cozad Dies At Her Home Here Early Sunday Morning After Long Illness

#### WAS FIFTY-SIX YEARS OF AGE

Mrs. Mattie Cozad passed away at her home here at 6:00 a. m. Sunday morning, November 3, 1929, after an illness of several months' duration.

Mrs. Mattie (Elson) Cozad was born April 1, 1873, in Mills county, Iowa and died in Wayne, Nebraska, November 3, 1929, at the age of fifty-six years, seven months and two days. She was the daughter of Mr. and Mrs. David Elson. Her mother survives her, but her father preceded her in death by just nineteen years to the day.

She was married to Henry Cozad July 1, 1894, at Malvern, Iowa. No children were born to the union and her husband preceded her in death, having died May 10, 1924.

She was a woman of strong individuality and took a deep interest in the affairs of life. She bore her affliction with patient resignation, and made all arrangements for her approaching dis-solution. At a service at her home held some weeks before her death she made a confession of her faith in Christ, and on October 2, just a month before her passing, she was baptized in the Church of Christ, after which she seemed happy in her faith and confession.

She was also a member of the R. N. A. and Rebekah lodges of Wayne.

Besides her mother, Mrs. Sarah Elson, she is survived by two brothers and three sisters. They are Thomas Elson of Granite Falls, Minn., Geo. Elson of Norfolk, Nebraska, Mrs. Ben Hopkins, Wesley, Iowa; Mrs. W. H. Merricks of Minneapolis, Minn., and Mrs. Henry Phelps, Wheatland, Wyoming.

Funeral services were conducted in the Beckenhauer funeral parlor Tuesday, November 5, at 2:00 p. m. by the Christian minister, W. H. McClendon. Interment was made in the Greenwood cemetery at Wayne.

### What The New Census Will Reveal?

Mrs. Marie Weeks, census supervisor for the third district, which comprises Wayne, Washington, Dodge, Colfax, Cuming, Stanton, Madison, Burt, Thurston, Dixon and Dakota counties, with 213 enumerator districts, is busy studying plans and maps of these divisions made by the census bureau of the department of commerce.

If suggestions for the assignments made by the bureau carry through in accordance with the plans now in Mrs. Weeks' hands, one hundred and five men and women will be employed to make the census of the eleven counties.

The rates of pay for enumerators also made in Washington, D. C. vary from 4 to 10 cents per capita and from 30 to 70 cents per farm schedule depending upon density of population and conditions of the roads, etc.

The new census is supposed to reveal some interesting data and it will be interesting to watch for expected increases in population in towns and cities; also to determine whether the number of farms have increased or decreased since the deflation, and to what extent the younger generation are deserting the farm to take up city life.

#### THERE MUST BE A REASON

While business has been good in the subscription department of the Nebraska Democrat for the past several weeks subscriptions, both new and renewals have been coming in very satisfactorily, and we are well pleased to say that the past week has been the biggest week in our subscription department, more subscriptions having been received than we have received in the same length of time previously for a long time, for which "we thank you".

### Man Painfully Injured When Team Runs Away

J. M. Strahan was very painfully injured yesterday morning when his team, which was hitched to the wagon loaded with corn beside the corn-cripper, ran away. Mr. Strahan and his fellow worker had stopped the machine and were working with it, when the team suddenly made a mad lunge forward. Mr. Strahan, who was then in front of the horses, saw his danger but was unable to get out of the way. Hence he threw himself down in such a way that the team passed directly over him and the wagon wheels missed him, the wagon straddling him. The team got completely away and ran for about thirty minutes, strewing corn from the wagon as they ran. One of the horses then dropped dead.

Mr. Strahan received many bruises on his body. It is not known just how seriously he was injured.

### AMERICAN LEGION ARMISTICE DANCE

The Irvin L. Sears Post No. 43 Will Celebrate Armistice Day, Nov. 11th With A Big Dance

Those who have attended the Annual dance sponsored by Irvin L. Sears Post No. 43 of the American Legion in the past know that those who attend are assured a good time, for the Legion boys know how to entertain. Vernon McDonald's famous all star 10-piece orchestra will furnish the music for this big event. Those who know say your feet just won't keep still when they play.

There will be FREE flowers for every lady attending. The Flowers will be donated by D. Hall and Son.

You had better speak to your lady friend now and ask her to reserve this date, for the armistice dance, at the Colonial Pavilion.

### Dr. A. D. Lewis Speaks At Kiwanis Luncheon

Kiwanians Entertain Editors of Iowa and Nebr., November 8, Nominating Committee Reports.

Dr. A. D. Lewis was the speaker of the day at the Kiwanis luncheon hour at Hotel Stratton, last Monday. Dr. Lewis chose as his subject "Declining Public Discussion". His talk was instructive and entertaining. He also discussed Kiwanis Ideals.

Mrs. Brandt sang two songs, and they were greatly enjoyed by all present. President Beckenhauer says that their party November 8 will be the big social event of the season, when they will entertain the Newspaper editors of Iowa and Nebraska. This being the big social event of the season naturally all good Kiwanians will consult the wife then see the ticket manipulator.

The nominating committee reported the results of their efforts to nominate candidates to be voted for at a later date to hold office for the coming year.

### Fall Term of District Court Opens Nov. 11

The fall term of District Court will start next Tuesday, November 11, and is expected to be a very busy session, and due to other matters that are coming up at this session it is hardly possible that the jury will be called before December and perhaps not before next January.

### Upon Special Request They Give Concert Before Elks. Wins \$1,000 Prize In Contest.

#### RECEIVED MANY COURTESIES

Wayne's Legion Municipal Band was declared the grand champions at the Diamond Jubilee this week.

As winner of the Grand Championship in Class A, they capture the big prize of the contest which is \$1,000. Humphrey band won second place in class A, with a prize of \$500.00, and Clarkston is third and wins a prize of \$250.00. Stanton, is first in class B, and wins \$750.00.

The Wayne band was in the parade of Nations Tuesday morning, and gave a concert at the Auditorium Tuesday afternoon. Upon special invitation they gave a concert before the Elks Wednesday, and broadcasted over the radio from the auditorium Wednesday evening.

They appeared to be the favorite at the Jubilee from first to last. Wayne, today, is very proud of the wonderful record the boys and girls made, and those who assisted in financing the trip and assisted in other ways to make the trip possible have occasion to rejoice that they were public spirited enough to stand loyally back of our band, especially on this occasion, when so many were saying "they have no chance to win." We are glad there are so many public spirited people in Wayne who say "if it is for the best interest of Wayne, we are for it."

When Wayne's Band won the Grand Championship in Class A, in competition with bands from the entire state, they gave Wayne some very favorable publicity.

So we congratulate Prof. Reed and the members on their achievement.

### Brother of Wayne Man Passes At Wisner

Frederick Knoll, brother of Louis Knoll of this vicinity, passed away October 23, 1929, at the home of his daughter, Mrs. Julius Jaeke, at Wisner.

Mr. Frederick Knoll was born in Brandenburg, Germany, December 9, 1839, and passed away at the age of nearly 90 years. He was baptized and confirmed in the Lutheran church, in 1864 he was married to Miss Louisa Dewitz. He took part in three German wars with Denmark (1864), Austria (1866), and France (1870). In November, 1880, he came to this country and settled at Wisner where he has since resided.

Funeral services were held in the Methodist church at Wisner on Sunday, October 27, at 2:00 p. m., the Rev. G. B. Warren officiating. Mr. Knoll's nephew, Paul Knoll of this vicinity, and five grandsons Rudolph, Arthur, Hugo, Harold, and Merlin Jaeke of Wisner acted as pallbearers. Interment was made at the Wisner cemetery.

Those from this vicinity attending were: Paul Knoll, Louis Knoll, and Mr. and Mrs. Wm. Knoll, Mr. and Mrs. Russell Anderson and three children of Penzance, Sask., Canada were also present. Mrs. Anderson is a granddaughter of the deceased.

**Nebraska Successful As A Dairy State**

Nebraska's dairy industry is of vast importance to every citizen of the state. Many of us may not realize it, but the dairy cow is one of the most important factors in the state's success in agriculture, its chief industry. Over 600,000 dairy cows were milked by Nebraska farmers in 1928, producing dairy products in excess of \$46,000,000, not including the \$10,000,000 calf crop. Since 1920, there has been an increase of 25 percent in the number of cows, and an increase of 62 percent in annual milk production, indicating a lot of weeding of the proverbial "star boarders" or poor producers. Butter shows a 60 percent increase since 1920. Cheese shows an increase of 171 percent in the one year from 1927 to 1928.

This growth is due largely to two factors. First of all Nebraska's climate, soil, and water supply are almost ideal for dairying and a complete cow ration can be grown on nearly every farm. Corn, oats, and alfalfa make a fine ration and can be grown in abundance. Secondly, there has been an increased interest in dairying during the past few years. Boys and girls dairy calf club work, dairy herd improvement associations, and the more extensive selection and use of good purebred sires have done much to better Nebraska's dairy industry.

Boys and girls dairy calf clubs have grown from less than a score with 82 members in 1920, to 73 clubs with 702 members in 1928. This dairy calf club work is of great importance, as many of these club members (having taken care of, and raising these cal-

ves, which, often in their first freshening have produced 350 pounds of butterfat) will find themselves learning to really like to milk, and will become so enthused that they will become very successful dairy men which are real assets to any community.

Herd Improvement Associations, formerly known as Cow Testing Associations, have increased 700 percent, growing from two associations in 1924 with 61 men, testing 904 cows, to 23 associations with 564 men testing 7,369 cows in 1928. Knowing that Wisconsin is the leading dairy state of the Union, Nebraska is proud to point out that the average production of cows on test in Nebraska herd associations in 1928 was slightly higher than that for the associations of Wisconsin.

Whether Nebraska's cows are contented or not, one thing is certain; they are busy. Old Bossy's contribution to the state's wealth in 1928 is shown by the following figures: Butter 96,472,000 pounds (creamery output only); whole milk cheese 2,793,000 pounds; cottage 965,000 pounds; Condensed milk 358,000; evaporated milk 482,000 pounds; condensed buttermilk 7,701,000 pounds; powdered buttermilk 6,743,000 pounds; besides large quantities of skim milk. Nebraska factories made 2,816,000 gallons of ice cream.

Creamery butter in the state increased 1,428,000 pounds over the previous year, in face of the decrease for the nation of 28,818,000 pounds.

While the hog still leads as the mortgage lifter, old Bossy has made his supremacy less secure. Old Bossy is doing her duty; let's treat her well. It pays.

**CARD OF THANKS**

The mother, brothers and sisters of Mrs. Mattie Cozad wish to express their gratitude and thanks to the many friends and neighbors for their sympathy and many deeds of kindness given in the last illness of their sister. While she lived she very much appreciated her friends and in her behalf, now that she is gone, we individually extend our sincere thanks for every thing that was done to mitigate her suffering and comfort her while she lingered with us.

Very truly,  
Mrs. Sarah Elson, Wayne, Nebr.  
Thomas Elson, Granite Falls, Minn.; George Elson, Norfolk Nebr.; Mrs. Ben Hopkins, Wesley, Ia.; Mrs. W. H. Merriks, Minneapolis, Minn.; and Mrs. Henry Phelps, Wheatland, Wyoming.

# ARMISTICE

**L**IKE the rainbow that follows the storm . . . have been the eleven years of glorious Peace and Progress this world has enjoyed since the termination of the great conflict overseas. Mankind is carrying on with Good Will in its heart . . . old enmities forgotten . . . striving, ever striving, to achieve greater blessings for Humanity.

Yet, in the hustle and throb of our everyday life, let us not forget those brave lads to whom we're indebted . . . and will be for all time . . . for our present Happiness and Contentment. Those heroes of Belleau Wood, Chateau Thierry, the Argonne and other Allied battlefronts, who so unselfishly made the Supreme Sacrifice for Humanity and the advancement of Civilization.

Their deeds live on. To them, and to the boys who came back, our homage . . . a Silent Prayer of Thankfulness as we face the east at that memorable hour of 11 A.M., ARMISTICE DAY!

WAYNE BULLDOGS DEFEAT LAUREL

The Bulldogs Continued Their Winning Streak, Defeating Laurel Reserves, 13 To 0

Coach Fred Schneider's orange and black football team continued their winning streak when they trounced the heavier Laurel reserve team by a 13 to 0 score. The Bulldogs were complete masters of the game from start to finish.

Laurel kicked to Stamm and the Prep fullback caught the ball on the 5 yard line and ran 95 yards for a touchdown. It was a run. Stamm a little to the left of the center of the field on the 5 yard line when he caught the kick-off.

Wayne kicked off to Laurel and the Laurel receiver was stopped in his tracks. Big Bob Gulliver smashed thru and nailed the Laurel back for 3 yards. Laurel tried the center of the line for about a yard.

Laurel substituted some really big boys and the Preps found the going harder. Wayne mainly thru carrying efforts of Captain Martischang pushed the ball down to the Laurel 13 yard line but here they lost it to Laurel. Laurel lost no time kicking the ball down the field where Swanson fell on it.

Laurel again received and after making a first and ten they were forced on the third down to punt. Swanson played the ball safe on the Wayne 47 yard line. Fitch came around on a double-pass and passed a forward pass to Stamm who ran 14 yards before he stepped outside.

Laurel again received and the receiver ran about 30 yards before he was brought down by Theobald. Laurel attempted to pass but it was incomplete. Laurel tried a wide end run but there was no gain. It was Laurel ball on their own 46 yard line when the game ended.

J. H. Johnson was the name signed on the register of a hotel at Sioux Falls, S. D. by a man who had just arrived in the city. A short time later another J. H. Johnson, Sheriff "Jack" Johnson, Sioux Falls, entered the hotel and glanced over the register.

Signed Sheriff's Name; Will Never Do It Again

The result was that the hotel guest was arrested and escorted to the county jail. The sheriff had been instructed to watch for him; the prisoner being charged with passing a worthless check at an oil station at Dell Rapids. It also developed that his name was Blohm.

Hallowe'en Celebrators Cause Riot At Humphrey

Humphrey had anticipated a quiet Hallowe'en observance, October 31. A group of between fifty and sixty young people from Madison arrived at Humphrey about 11 o'clock and started in at the north end of town.

First they dragged the band stand from its position and hauled it around town on a truck. Then they tore away the winter front on the Lyric building.

When Night Marshal Henry Hittner called a halt and told them they must not destroy property, they threatened to push him aside.

The volunteer firemen and a large number of others responded and for a time there was a hand to hand struggle with the visitors, during which some blows were exchanged.

Six of the leaders were arrested and taken to jail. Friday morning the six were fined and ordered to clean up the debris they had left on the streets.

Due to the fact that relations between Madison and Humphrey have been very friendly in the past the disturbance is deplored by residents of Humphrey.

**A New Portable Corn Crib For Your Inspection**

We have just constructed a new eight sided sectional portable corn crib that will hold about eight hundred bushels of ear corn. This crib affords the most profitable kind of storage you can buy and makes ideal storage for either farm owners or renters.

They are rigidly constructed, well ventilated with leak proof roofs and can be taken down, transported on a truck and set up again in a few hours time.

They are well painted and made out of the very best of materials. We invite you to come in and inspect this new portable crib.

We can make prompt delivery and the price will please you.

### Aged Man Guards Pecos River Bridge

Far from civilization, uncarthd and unsung, lives an aged man upon whose shoulders rest the responsibility for the safety of thousands of lives.

In the solitude of a gorge which rivals the Grand canyon in size and beauty, J. R. Hutchins daily performs his role of guardian of the third highest bridge in the world.

Flinging its arms of steel across the Pecos river, about four miles from its junction with the Rio Grande, the Pecos high bridge daily carries the weight of a dozen Southern Pacific trains with their loads of hundreds of human beings.

To "Old Bob" Hutchins is entrusted the task of seeing that this lofty highway of steel remains in perfect condition and that neither the ravages of time nor the vicissitudes of climate detract from the rigidity of the structure.

Hutchins' house is tucked away among the rocks on the side of the canyon. Below him is the Pecos, 150 feet wide, impetuous in its rushing flight toward the Rio Grande; above him stretches his "pet," 1,521 feet long and 321 feet above the river bed.

The bridge, one of the greatest engineering feats of the West, is inspected daily. With an ear trained to catch the slightest variation in sound that comes as a train rumbles over the structure and an eye that can discern the slightest deflection of the huge towers, Hutchins guards this expensive piece of property.

"Old Bob" has been at his post for five years. He has watched the Pecos rise until it lapped at the very doorstep of his humble dwelling. He has pulled elephantine 100-pound catfish from the water and caught alligator garfish weighing over 200 pounds. — Coleridge Blade.

### FOUR HUNDRETH ANNIVERSARY OF LUTHER'S SMALL CATECHISM 1429-1929

This year the members of the Lutheran church throughout the world (about eighty millions) celebrate the four hundredth anniversary of a precious little book, which next to the Bible is nearest to their heart, Dr. Martin Luther's Small Catechism.

The word catechism is of Greek origin, the verbal root means to re-sound, instruct by asking questions and receiving answers and offering

explanation especially in regard to religious faith. The first Christian catechisms were written by Cyril and Cyprian and by Kero of St. Gall and Otfrid of Weissenburg, and later on by the Waldenses and the Bohemian brethren and Brenz. Naturally Luther also knew the catechism written before his. But why did he write a new catechism?

The answer is this, the old ones were practically unknown or forgotten. When Luther with others took part in the Saxon Church Visitation (1528-29), he was horrified by the ignorance of both pastors and people.

He writes in the preface of his small catechism: "The deplorable conditions which I discovered lately when I, too, was visitor has forced and urged me to prepare this catechism on church doctrine, in this small plain simple form. Mercy, good lord, what manifold misery I beheld. The common people have no knowledge of Christian doctrine, and alas many pastors are altogether incapable and incompetent to teach."

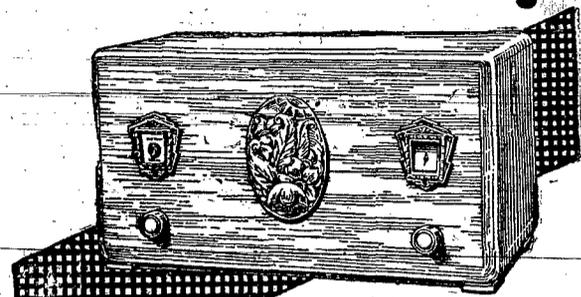

It was formerly believed that the Large Catechism (for ministers and teachers) was first published and then the Small One. The fact is that while Luther was working in 1529 on his Large Catechism, for which his sermons of 1528 formed the basis, the idea of issuing a smaller book occurred to him, and he published it as his "Enchiridion" (hand book). It appeared in two series in the form of tables intended to be hung upon the wall for the instruction of children. The first table included the text and explanation of the ten commandments, the Creed and the Lord's Prayer. The second table treated of the Sacraments of Baptism and the Lord's Supper. After Luther's death "The Office of the Keys" was added. This was placed before "Luther's instruction on confession." May the 16th, 1529, Luther's Small Catechism appeared at Wittenburg in book form. The large Catechism was also issued in 1529.

The Small Catechism soon became more famous than the Large One. It was used in public schools, churches, and families. While the Bible has been translated into 830 languages and dialects, Luther's Small Catechism experienced 135 translations (John Bunyon's Pilgrim's Progress stands in the third place with 107 translations). Luther's Catechism was translated into 39 European, 32 Asiatic, 9 American Indian, and in 10 languages of the South Sea Islands.

Scotland's first catechism was a translation of Luther's; Arch Bishop Cranmer gave it to the English; Norway, Denmark, Sweden, and others took it to heart. Hans Egede brought it to the Eskimos, Ziegenbalg to "India's Coral Strands", and the Swede John Campanius translated it in 1613 into the tongue of the American Indians.

Of the many excellencies of Luther's Catechism we mention only three. First, it is free from all polemics. Second, it embodies the simple Christian faith and does not attempt to give a complete system of doctrine. Third, it avoids all scholastic language of the theologians and expresses the Biblical truths in the plainest

language for the common people.

Of this little book the famous historian, Leopold von Ranke says: "The catechism, which Luther published in 1529 and which he, though being an old doctor, prayed continually is as simple as it is deep, as comprehensible as it is unfathomable, as plain as it is sublime. Blessed is the man who nourishes his soul by it and adheres to it. He has the imperishable comfort in every moment, under the thin shell is the core of truth which satisfies the wisest of the wise."

The catechism is a means of instruction in the Lutheran church today, especially during the period preceding confirmation.

## GREAT CROWD AT HOMECOMING GAME

(continued from first page)

a long run. Marivicka went up high to catch a pass from Kuntzelman to put the ball on Wayne's 6 yard line. Huff carried it across for a touch-down. The try for point piled up on Captain McKinley and it was lost. Score Omaha 6 Wayne 0. End of the first quarter.

**Second Quarter**  
Wayne received and Andrews made about 14 yards on the return. Dennis smashed tackle for 3 yards. Schwartz hit the center of the line for 4 yards. Dennis punted to McAtee but Jensen downed him in his tracks.

Kuntzelman went back to pass and after he had been tackled and was held upright by at least 3 Wayne forwards he passed the ball to Huff who galloped about 15 yards. There was a big discussion but the official held the pass good. Kuntzelman again went back and this time the Wayne tacklers put them down on his back and there was no discussion about a pass. Huff hit tackle for a yard. Streitweiser hit the line for about 2 yards. He was hurt and Omaha took time out. Bobby Streitweiser left the game. Kuntzelman punted to Walden and the "Red-head" returned about a yard and it was Wayne's ball for 5 yards. Dennis tumbled and Omaha in the person of Huff recovered. Omaha worked a short pass and Marivicka carried the ball to the 9 yard line. Streitweiser made 3 yards at center. Streitweiser made 2 more. McAtee made a yard. Streitweiser plunged but McKinley shoved him about a yard and it was Wayne's ball on about the 4 yard line. Dennis punted and McAtee returned about 4 yards when Jensen spilled him. Kuntzelman's pass was intercepted and it was Wayne's ball on the Omaha 48 yard line. Andrews ran right end for 12 yards. Schwartz made 3 yards thru center. Andrews ran right end for 9 yards and a first down.

It was Wayne's ball on the Omaha 21 yard line. Dennis made 6 yards over tackle. Andrews circled end behind perfect interference only to run outside on the Omaha 4 yard line. Wayne was coming out of the huddle when the timers whistle sounded. End of the first half.

**Second Half**  
Wayne again kicked to Omaha but Wayne was off-side and kicked over again 6 yards back from the previous point. Huff hit the center of the line for no gain. Huff ran end behind interference formed by the entire Cardinal team for 12 yards. Streitweiser tried the center but for no gain. Omaha wasn't getting any place with McKinley back in the line. He was the strength of the Wayne line. Wayne was beginning to show some fight. Ike Jensen went thru in a hurry to nail Huff about 7 yards behind the line. Andrews tackled Kuntzelman for a 3 yard loss. It was a good hard tackle and made quite an impression on Mr. Kuntzelman. Kuntzelman kicked and Walden returned about 8 yards. Schwartz dropped a hard pass from Andrews. He had an open field in front of him but the ball had too much speed and was too low for the big fellow. Andrews carried the ball around end for 16 yards. It was Wayne's ball on Omaha 43 yard line. Schwartz hit center for 7 yards. Dennis fumbled and Huff recovered for Omaha. Omaha started down the field with Kuntzelman doing the passing. But contrary to expectations they were short passes and the receiver was tackled before he had gone far. The third quarter ended with the ball in Omaha's possession on the Wayne 33 yard line.

**Fourth Quarter**  
Omaha grounded 2 passes and were penalized 5 yards. Walden intercepted Kuntzelman pass but was downed in his tracks. Dennis kicked at once and the ball rolled outside on the Omaha 3 yard line. Wayne was

penalized 15 yards for roughing the kicker and Omaha kicked over again. Walden carried the ball back 14 yards. It was the Wayne ball on the Omaha 41 yard line. Schwartz failed to gain but Dennis made 6 of tackle. Andrews ran the end for 17 yards. Dennis hit tackle for 5 yards more. Omaha took time out. Wayne ball on Omaha 12 yard line. Andrews carried it over in two plays thru tackle.

Now came the big argument. On the try for point Schwartz made as if to drop-kick but the ball went to Walden who handed it to Dennis who crashed over left tackle in an attempt to score the extra point. Both the umpire and the headlinesman ruled that the point was good but the referee ruled that it was not over. It is quite beyond us how he happened to call the point unsuccessful when his point of view was 16 yards away while the other two officials were in decidedly better positions to see and report to him the actual point of progress of the ball. Anyway the point was not added to Wayne's score.

Omaha again received and Kuntzelman passed on the first two plays. One pass was about 40 yards in the air and Walden downed McAtee without further gain. The second pass was good for 20 yards more and the ball was carried on a plunge by Streitweiser to the Wayne 5 yard line. Headlinesman Wenke called Tackle Hansen of Omaha for holding and Omaha was penalized 15 yards. Kuntzelman pretended that he knew the headlinesman pretty well and got familiar with him calling him some lovely sounding names. Mr. Wenke responded by asking Mr. King to hand Omaha another penalty of 15 yards. It was done. Mr. Kuntzelman was still on speaking terms with Mr. Wenke so Omaha was penalized 15 more yards. Mr. Kuntzelman was now thru with Mr. Wenke. In fact he absolutely refused to speak to him. But Mr. Hansen was holding his foot in the air preparatory to kicking a Wayne back in the head, and he did try but he was disqualified for his efforts and Omaha penalized half the distance to the goal. Omaha had the ball on their own 24 yard line when the dust settled.

Omaha punted and Walden carried it back to the Omaha 36 yard line. Andrews ran right end for 12 yards. Andrews made 8 yards more on the same play. Andrews again ran right end and this time they downed him on the Omaha 7 yard line. But the whistle blew and Omaha was saved.

## THAT APPETIZING CHILL

HERE are chills and chills. No woman likes to have another person chill her with a look or a few choice words, but the chill that comes from eating a cold, refreshing dessert on a torrid day is quite something else again—a thing almost too welcome to express in words. Everyone goes in for cold desserts or frozen desserts in the hot summer, and even in the chilly days of fall and winter the cold dessert remains in vogue, whether it be for the family meal or one of the many parties which come along at that time.

### For Teas and Suppers

For afternoon teas, the sherbet is the accepted dessert. But just any sherbet won't do; there must be something just a little unusual about it—something to give a fillip. And for the buffet suppers which start with Hallowe'en and continue until after New Year's, there are any number of really scrumptious desserts which can be made ahead of time and put in the refrigerator to keep cool until the appointed time comes to serve them to appreciative guests.

The recipes which follow are planned for eight persons and were originated and have been tested by a trained dietitian.

**Cherry Ice:** Press the juice and fruit from three-fourths of a number 2 can of red pitted cherries through a sieve. Boil three-fourths cup sugar, one and one-half cups water and three tablespoons corn syrup until the syrup threads, then pour it

slowly over one stiffly beaten egg white. Add three tablespoons of lemon juice, two tablespoons of maraschino cherry juice and the mashed cherries. Freeze as any ice cream.

**Frozen Raspberries:** Mash the fruit from a number 2 can of red raspberries and remix with the syrup, discarding none of the pulpy part. Add the juice of one lemon, one-half cup of sugar and one and one-half cups of water and bring to boiling to melt the sugar. Cool. Freeze, using three parts ice to one part salt.

**Coffee Cocomnut Cream:** Soak three-fourths tablespoon gelatin in cold water. Make a custard of one egg yolk, one-half cup of brown sugar and three-fourths cup strong hot coffee. Add one teaspoon butter, pour over the gelatin and stir until dissolved. Cool. When the gelatin begins to set, fold in one stiffly beaten egg white, one-half cup heavy cream, whipped, and one can of moist cocomnut. Serve very cold piled in glasses with whipped cream on top.

### Fruity Puddings

**Scandinavian Pudding:** Remove stones from the fresh or Oregon prunes in a number 3 can. Cut pulp in pieces and return to the syrup. Add one-third cup of sugar, one-fourth teaspoon of cloves and one-fourth teaspoon of cinnamon, and simmer five minutes. Mix one-third cup cornstarch with one-half cup orange juice, add to hot mixture and cook in double boiler, stirring

constantly until the mixture is thick and smooth. Cool slightly, add one-half cup chopped nuts, and fold in two stiffly beaten egg whites. Pour into wet molds and chill. Serve with whipped cream or custard sauce.

**Fig Tapioca:** Soak one-half cup pearl tapioca over night in cold water. In the morning drain off any water which has not been absorbed. Scald one and one-third cups milk in double boiler, add the tapioca and cook twenty minutes or until transparent. Add two slightly beaten egg yolks and one-fourth cup brown sugar and cook until thick. Then add chopped figs from an eight-ounce can and let cook a few minutes longer. Cool slightly, then fold in two stiffly beaten egg whites. Serve cold.

### An Emergency Dessert

**Jiffy Dessert:** This is for emergencies. For ingredients you need some saltines, a can of chocolate syrup, whipped cream (or marshmallow creme) and a can of moist cocomnut. Allow three saltines to each serving. Spread them liberally with the chocolate syrup, piling one on top of the other. Top with whipped cream (or marshmallow creme) and sprinkle generously with the cocomnut.

**Peach Hard Sauce:** Cream one-third cup of butter, one cup confectioner's sugar, one-fourth teaspoon vanilla and two-thirds cup diced and drained (or canned, crushed) peaches. Chill. Serve on hot puddings or on pastries.

THERE is nothing quite like Bayer Aspirin for all sorts of aches and pains, but be sure it is genuine Bayer; that name must be on the package, and on every tablet. Bayer is genuine, and the word genuine—in red—is on every box. You can't go wrong if you will just look at the box when you buy it!

Aspirin is the trade mark of Bayer Manufacture of Monaceticacidates of Salicylicacids

## When Pain Comes

Two hours after eating

What many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food soured. The corrective is an alkali, which neutralizes acids instantly. And the best alkali known to medical science is Phillips' Milk of Magnesia. It has remained the standard with physicians in the 50 years since its invention. One spoonful of this harmless, tasteless alkali in water will neutralize instantly many times as much acid, and the symptoms disappear at once. You

will never use crude methods when once you learn the efficiency of this. Go get a small bottle to try.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1876.

# SOCIETY and Club

## B. C. Hallowe'en Party.

The members of the B. C. Club and their husbands enjoyed a hallowe'en party at the Fred Baird home last Friday evening. The home was given a seasonal appearance by the conventional hallowe'en decorations, symbols, and fiery jack-o-lanterns. The opening fun of the evening consisted of contests in which each sought to finish his task as soon as possible, the winner receiving the head place at the game tables, and his rivals, being awarded places in the respective order in which they completed their contests. Card games were played, one being "500", played in various ways. The consolation prize was awarded to the player with the highest score; the prize to be one with the low score. This was done because of the handicaps imposed upon the players. At the close of the evening, a tasty two course supper was served.

The B. C. club will hold a regular meeting at the Charles Baird home tomorrow afternoon, Nov. 8.

## Minerva Club.

The Minerva club met Monday afternoon at the home of Mrs. E. J. Hantemer. There was a fine Nebraska Day program. Mrs. Fred Berry gave a wonderful outline of the Educational Opportunities in Nebraska, and also spoke of the Diamond Jubilee now being held in Omaha. Mrs. Mary Brittain talked on the topic of Nebraska's native trees and native animals. Miss Marcella Hantemer favored the club with a piano solo. The program was closed with the singing of the N. F. W. C. song, Nebraska, My Native Land. The ladies then found their places at the dining table and small tables, and a delicious luncheon was served. Decorations of fall colors and chrysanthemums beautified the home.

Guests were Mrs. F. H. Kaup, Mrs. R. Schroeder, Mrs. A. G. Carlson, and Miss Ardith Conn. The next meeting of the club will be with Mrs. Harvey Miner, November 18. This will be the Thanksgiving meeting.

## Rebekah Lodge.

The Rebekahs and their husbands enjoyed a rollicking Hallowe'en party in the Panabaker home at the court house last Thursday evening, Oct. 31. About 65 persons attended, dressed in old fashioned togs. Hallowe'en games were played amid the conventional decorations, fiery jack-o-lanterns, angry cats, hobgoblins, and pale ghosts of the season. A two course supper was served at 11 o'clock that evening, closing an evening of genuine fun.

The Rebekah lodge will hold its regular business meeting tomorrow evening (Friday) Nov. 8, at the I. O. O. F. hall.
