Dr. Conn then spoke on the increasing number of women in the professions and in business. He emphasized the fact that a business or professional career was not the highest vocation for a woman, that of home maker being the highest, and that no

## MRS. MATHER IS TAKEN BY DEATH

Former Wayne Girl and Daughter Wayne Folks Died Saturday.

Mrs. Maurice A. Mather passed away at a Sioux City hospital last Saturday, following an illness of only a few days, death being due to pneumonia. Mrs. Mather is a daughter of Mr. and Mrs. Wm. Buetow of this city and grew to womanhood in this community. Funeral services were held Tuesday afternoon, March 18, from the West and Richards funeral parlors at Sioux City, and interment was made in the Graceland cemetery at Morningside.

Mrs. Gertrude Mather was born in 1896 on a farm near Wayne where she grew to young womanhood. She was a graduate of the Wayne high school, and attended the State Normal here. She was a member of the Wayne chapter of the Eastern Star and of the Royal Neighbors. In 1920 she was united in marriage to Maurice A. Mather, and moved with her husband to Sioux City where they since made their home. Two children, George, aged six years, and an infant son were born to this union. Mrs. Mather was a member of Morningside Presbyterian church.

Besides the sorrowing husband and the two children, the following near relatives of the departed survive: Her parents, Mr. and Mrs. W. H. Buetow, Wayne; one brother, William; and three sisters, Mrs. Dean Hanson, Wayne; Mrs. Carl Peterson, Laurel; and Miss Izetta Faye Buetow, Wayne. Sincerest sympathy is extended to the bereaved at this time of loss and keen sorrow.

## WAYNE HIGH SHOWS UP WELL AT STATE FINALS

Won Three Out Of Five Games Played In At Lincoln Tourney.

## Lincoln Wins State Title

The Wayne high school basketball team made a splendid record at the state tournament held at Lincoln Thursday, Friday and Saturday.

Although the team's hopes went glimmering at the outset, when they lost to Imperial by a score of 27 to 17, they retrieved the lost honors by being runners up for the consolation title winning from Mead, by a 18 to 14 score, from Howell, 22 to 17; from the Curtis Aggies, 14 to 14; finally losing to Auburn 16 to 11.

It looked for a time as though Wayne would be paired again with Hartington at the meet, but Hartington fell by the wayside in the second game of the consolation struggle which climaxed it from any further participation in the tournament.

Lincoln high school won the state tourney defeating Kearney high school 27 to 16. A peculiar feature of this victory on the part of Lincoln is that Lincoln high school had lost out in the district tournament, but was one of the two schools of the state chosen at large to compete. This makes the seventh time that Lincoln has won the state cage title.

## Hit and Run Driver Forces Car in Ditch

Wakefield Man Has Close Call Sunday Evening In Auto Spill.

S. P. Johnson, residing northeast of Wakefield, father of Dr. J. C. Johnson of this city, was slightly injured and had his car badly wrecked by an unknown hit and run driver, who struck Mr. Johnson's car while passing it on the road about a mile north of town.

The accident occurred while Mr. Johnson was returning home to Wakefield after spending Sunday at the home of his son. The car passed him without warning giving him no time to turn out of the road and in his eagerness to get ahead of him as soon as possible the driver attempted to turn sharply in front of him, miscalculated the distance and hit the front of Mr. Johnson's car a glancing blow. The Johnson car went into the ditch, crushing the two front wheels and upsetting the car.

The stranger did not stop to investigate what he had done but sped on. Several passing cars stopped at the scene of the accident a few minutes afterward and helped Mr. Johnson out of his car. Mr. Johnson was but slightly injured, a few slight bruises and a small scalp cut being all. The car damage consisted chiefly of crushed front wheels, broken glass and bent front axle.

## Claus Russman Resident Since 1884 Is Called

Came To Wayne County Forty-Seven Years Ago.

## Funeral Services Thursday

Claus Russman, resident of Wayne county since 1883, is dead. The end came at his home in this city early Monday morning following an illness of but a couple of days' duration. Death was due to infirmities incidental to old age.

Claus Frederick Russman was born February 27, 1846 in Westensee, Holstein, Germany, where he grew to manhood emigrating to America in 1875. He settled first in Pottawattomie county, Iowa, where he was married and where his son John was born. Seven years after he moved to Wayne county, and located on a farm five and one-half miles northeast of Wayne.

Later, for a short time he moved to Dixon county, but returned to Wayne county again, moving to this city to the residence which has since been his home. Mrs. Russman died 17 years ago and since that time he and his son John have lived together. Besides his son, a sister, Mrs. Margaret Heldt, are the only immediate relatives surviving him.

Mr. Russman, in his long residence here has always enjoyed the esteem and respect of the community as an honest public spirited citizen. He was baptized and confirmed in the Lutheran faith in Germany and has been a faithful member of that denomination all his life.

Services are to be held this (Thursday) afternoon at two o'clock from the Beckenhauer parlors and 2:30 from the Evangelical Lutheran church with Rev. H. A. Teckhaus in charge.

## New Fixtures At McNatt Hardware

New shelving has been built with doors enclosing them locker fashion, at convenient intervals. The goods enclosed in these shelves will be indicated by samples fastened on the outside of the doors. By this system an orderly arrangement of the goods is assured and the merchandise will be protected from dust and soiling as well.

## Young Folks Wed Thursday P. M.

Miss Emma Korn Becomes Bride of A. C. Bierman March 13.

A pretty wedding was solemnized last Thursday afternoon, March 13, at 2:30 o'clock at the Peace Evangelical church southeast of Wayne when Miss Emma Korn became the bride of Armon C. Bierman at a double ring ceremony performed by the Rev. A. Janke, in the presence of immediate relatives. They were attended by Miss Ella Bierman, sister of the bridegroom, and by Henry Brinkman.

The church was prettily decorated in the bride's chosen colors of pink and white. Mrs. Martha Ringer of Wayne played Lohengrin's Wedding march as a professional as the bridal party marched to the front of the church and took their places beneath the bridal arch before the altar. Flowers and colors of pink and white beautified the arch, and a wedding bell hung from the center.

The bride was charming in a white georgette gown shaded to a very delicate pink at the hemline, and carried an arm bouquet of pink and white roses and white carnations. Her costume was enhanced by a veil which hung gracefully from a cap-shaped head-piece. The bridesmaid wore a pale pink georgette and carried an arm bouquet of pink snap dragons and carnations. The men wore the conventional dark suits.

After the wedding a six o'clock dinner for the wedding party and immediate relatives was served at the home of the bride's parents.

The bride is the daughter of Mr. and Mrs. Kasper Korn of southeast of Wayne and has attended the Wayne high school and the Wayne State Teachers' college. She is well known in the vicinity and has a host of friends. The bridegroom is the son of Mr. and Mrs. Wm. Bierman of the LaPorte community, and is also well and favorably known in the community, being a capable farmer.

Mr. and Mrs. Bierman are at home to their many friends on the farm southeast of Wayne, commonly known as the W. A. Hunter farm. Their many friends and relatives extend to them the heartiest congratulations and best wishes.

## Robber Pair Make Hurried Visit in County

Hold Up Oil Station and Steal Oldsmobile Car At Winside.

## Attempt Station Holdup

Two young men who attempted to rob the Wakefield depot, who took the agent Edward Gemar "for a ride," stole a car at Winside and after robbing an oil station at that place, made their get away, are being sought by the authorities. A fair description of the two men has been obtained and it is thought that they will be apprehended before long.

Their initial appearance at Wakefield took place about 6:45 when Gemar who was busily engaged with his work, looked up and into the muzzle of an automatic. He was ordered to open the safe, but denied that he was able to do so, not knowing the combination. After threatening him for a while they finally decided that nothing more could be done and they made their getaway from the scene, blindfolding Gemar and taking him out in the country about three miles before releasing him.

The next appearance of the bandits was at Winside about an hour later when they drove up to the Benshoof garage and proceeded to hold up the proprietor and David Denhardt, an employee, obtaining \$17 in cash. When they attempted to make their getaway, however, they could not get their car started and were forced to abandon it.

They reentered the garage and ordered Lenhardt to get them a car. This Lenhardt refused to do telling them "you can kill me if you want to, but I can't get you one."

About this time a customer, Wenzel Jensen, drove up to a gasoline pump in front of the garage. He was ordered to get out, but instead he suddenly shot the car into gear and sped away. The would be auto thieves fired after the car but Jensen was untouched, the damaged done to the car consisted of but a couple of bullet holes.

Falls Off Running Board Next one of the robbers leaped upon the running board of a car driven by Raymond Graef, and told him to stop. Either because the bandit's pistol excited him or because he thought the order a bluff Graef stepped on the gas and the car latched ahead dumping the robber unceremoniously into the road.

After three unsuccessful attempts the robbers walked over to their abandoned car, took a suitcase from (Continued on Editorial page)

## Scarlet Fever Scare Wanes--Few Cases

Six Cases Is Total Now Under Quarantine; One Smallpox.

The contagious disease situation in this vicinity is well in hand according to reports from the city board of health, the spread of scarlet fever being limited to six cases at the present writing. Five of these cases are among local school children and the other case that of a student at the college.

Thus far the situation is considered quite fortunate as no serious cases of the disease have been reported at this time. Every reasonable precaution is being taken at this time to preclude any possible spread of the disease.

The smallpox visitation has been confined to but one person, a student at the college, who is under quarantine at present and reported doing well. The action of her roommate in going to her home near Dakota City as soon as her roommate's illness was learned, drew a note of censure from the health department of Dakota City for the local health department for permitting the girl to go home under those conditions. The girl is at present under quarantine at her home at that place.

A case of mumps is the only other contagious disease recorded by the board of health at this writing.

## Evils of Absentee Ownership Shown

As the Democrat has maintained before, the chief objection to the chain store proposition is the fact that the chain stores are demanding the same privileges as the home owned stores but do not assume their share of the responsibility in that community's growth and progress.

While the absentee ownership of these mercantile institutions shows its lack of public spirit by failing to contribute toward community benevolences and locally sponsored enterprises, this is by no means the most severe indictment against them.

The transient nature of these enterprises makes it necessary for them to enter a community with as little investment as possible. Invariably they do not own the buildings they are in and the fixtures, although as strikingly effective as paint effects can make them, are not of the substantial nature that a permanent business institution would demand. For that reason the taxes paid by home town merchants is far in excess of that paid by this new encroaching menace.

A fair example of this inequality of responsibility is shown in a recent issue of the Retail Merchants Review which reveals the taxes paid by stores in Wadsworth, Ohio, nine grocery firms being listed as follows:

Overholt & Freeborn...	336.66
Curtic Grocery .....	316.06
Lorenty Grocery .....	134.42
Houder's Grocery .....	62.40
Holben's Grocery .....	257.52
Highberger's Grocery ...	122.54
A. & P. Stores .....	41.02

"The average of the retailers is \$326.80 per store, while that of the A. & P. is but \$41.02. In other words, the average independent retailer is paying 7.84 times the tax paid by the A. & P. for example, according to the Wadsworth investigation.

If it be necessary to raise the tax paid by these eight grocery concerns, amounting to \$2,614.46, and if each of these wriggled and twisted down to \$41.02 per store and paid a total of \$328.16, who would be called upon to make up the difference of \$2,286.30? Chain stores? No. At the rate of \$41.02 each it would require 647 A. & P. stores to raise the amount of taxes paid by 8 independent retail grocers in Wadsworth, Ohio.

When the buying public comes to a full realization of the ultimate consequences of absentee ownership, both to their communities and to themselves as tax paying citizens, the lure of insignificant economics, questionable at best, will fail to attract patronage to chain stores of absentee ownership.

Acme Stores .....	\$1,069.54
Rayner's Grocery .....	273.32

## Wayne Creamery Butter

Is a Wayne, Nebraska Product

Wayne people who insist on getting Wayne Creamery Butter when placing  
their order with their grocer are not only lending their support to a local bus-  
iness concern--they are lending their support to the dairying industry of the  
region as well. But more than that

Wayne Creamery Butter Is Better.

There is no better butter made than that which comes from the churn right here  
in Wayne and you need not be told that butter fresh from the churn is infinitely better  
than the best of cold storage butter.

Be sure, also, to insist on Wayne Creamery Ice Cream

THEY WILL SELL NO MORE OLEO

Stuart, Nebraska, has taken the initiative in a fight against the sale of butter substitutes; its merchants having agreed to sell no more oleo margarine after their present stocks are sold out.

This action represents considerable of a sacrifice on their part for the sales were large and the margin of profit quite desirable, but believing that the sale of oleo was detrimental to the dairy industry they cheerfully stand the loss.

That is a fine spirit and, it would seem, a reasonable and effective way to dispose of the problem. It is no more than fair to the local and co-operative creameries that merchants co-operate with them in helping them to provide a better market for their product and a better resultant price to the dairy farmer for his produce.

The public is becoming more generally acquainted with the fact that

butter is far superior as a food to any of its substitutes. The cheaper price of oleo, however, will always be a lure to butter users and will be as long as it can undersell butter at present margins.

For that reason the action by the Stuart merchants is a commendable one and should be generally followed by merchants in any town where the local creamery man manufactures a product of merit and gives a square deal to the farmers and the retailer. Wayne could follow this good example.

Last Rites Held For Former Winside Man

L. S. Needham of Norfolk Interred in Winside Cemetery Friday Afternoon, March 14.

L. S. Needham, one of Winside's early business men and who played an important part in the growth and building of that little city, passed away at six o'clock Wednesday morning, March 12, at his home in Norfolk having attained the age of nearly 68 years. His daughter, Mrs. Dorothy Marsh of Compton, California, arrived in Norfolk Tuesday evening a few hours before her father's death. After private funeral services held at the home at one o'clock last Friday afternoon with the Rev. E. Merle Adams of the First Congregational church at Norfolk in charge, the body was taken to Winside for interment in the Pleasant View cemetery. Flowers were omitted by family request.

The deceased is survived by his wife, Mrs. Lydia Needham, by one daughter, Mrs. Dorothy Marsh, of Compton, California, one sister, Mrs. C. E. McMaster of Winnebago, by his two brothers, C. E. and L. W. Needham of Winside, and by three small grandchildren. One daughter, Mrs. Natalie Needham Silbaugh, preceded him in death a few years ago.

"Begorra An 'It Do Be A Fright"

"I got me dates balled opp, I thought Saturday was St. Patrick's day" was the rueful excuse handed to Judge Cherry by a transient son of Erin's Isle who appeared before him last Monday morning on a charge of partaking too freely of "laughing soup" last Saturday night. Judge Cherry, was deeply moved by the account of the ill starred jubilation, sympathized with prisoner and assured him that though he realized that a very serious mistake had been made, it was his duty to fine him twenty-five dollars and costs for being drunk and disorderly. The fine was paid and the prisoner freed in due time to allow him to celebrate the occasion on the proper day. Whether he chose to observe it in regulation fashion has not been learned.

Several Varieties of Weather in Past Week

A snowstorm interrupted the gradual trend of spring weather which has been prevailing for the past couple of weeks giving a two day touch of real winter the first of the week that contrasted sharply with the balmy spring temperatures immediately preceding it.

Sunday the thermometer registered 74 degrees about two o'clock in the afternoon. A rain storm which followed in the wake of this torrid spell brought the temperature down sharply and late that night the eastern part of the state was visited by a snow storm which took on severe proportions in the vicinity of Omaha. Tuesday the thermometer fell to 26 degrees, but with the cessation of the wind the weather has become mild again.

woman should prepare herself for a business career exclusively. Nevertheless, Dr. Conn stated, the fact remains that women are entering into the field of business in increasing numbers, whatever the outcome.

Mrs. Lutgen reviewed the part that woman has played throughout the ages. She named a number of famous women in history.

Mr. Kemp chose for his topic, Epitaphs. To him the highest ambition of woman should be the religion in her life. While woman has a place in the business and professional world, this should not be allowed to take the place of the home and religion.

James Brittain, accompanied at the piano by Miss Florence Phillips, entertained with a group of songs.

The honored hostess was the recipient of a large bouquet of cut flowers brought by Mr. and Mrs. Glenn Wallace of Holstein, Iowa, as well as a number of gifts sent to her through the mails by the guests.

Those present for the happy occasion were: Mr. and Mrs. Glenn Wallace and son, Richard, and Mr. Wallace's nephew, Lowell Wallace, all of Holstein, Iowa; Mr. and Mrs. Marcus Brandt of Beemer; Mr. and Mrs. Harry West and children of Beemer; Hans Hansen and wife of Wakefield; Mr. and Mrs. A. Fire Destroys Emerson Elevator

Fire of an unknown origin completely destroyed the Enright Elevator at Emerson early Monday morning, the loss including about 3,000 bushels of grain which was stored in the structure at the time. A member of a train crew noted flames coming out of the cupola about four o'clock in the morning and a few seconds later the building was a seething mass of flames. It is thought that dust in the elevator became ignited and caused an explosion that swept through the building. It is reported that no insurance was carried on the building at the time.

Mrs. Lee Byers of Napo, sister of Mrs. Lylvia Lapham of this city, who has been ill since last fall but is much better and expected to go home soon, visited her physician last week and was informed that it was advisable for her not to go home to Napo for two or three weeks yet at least. She is staying at the James Kelley home near Wayne in the meantime.

An Oldsmobile sedan car belonging to Ed Winters of Hoskins, was stolen out of his garage that night and it is considered probable that they either walked to Hoskins or caught a ride. The stolen car was found in a shed at Madison Sunday morning.

**Happy Chick News.**

Well we had another spell of weather. A little more snow. This makes people think of a right good brooder house and stove.

Henry Stuthman came in and loaded up two of our one pen hog houses last week.

H. J. Podoll, west of Winside, bought a 9x12 Happy Chick Brooder complete with Simplex stove.

Wm. Back came in Monday morning and ordered a 9x16 Happy Chick Brooder and Simplex stove. He had to have it that afternoon because he already had his chickens. He got it.

Say have any of you folks any cats that you can spare. If so bring them in to the THEOBALD LUMBER COMPANY. We have a good customer a few miles out that can use a few. He says that he can use a dozen.

If any of you people think of anything that you need come in and let us know. We will try our best to get it for you.

Wm. M. Dapberg ordered a 16x16 Happy Chick Brooder with Simplex stove.

August Allaman bought a Simplex stove the other day, so of course, we had to take a 9x12 Happy Chick Brooder along for August to put the stove in.

We have completely filled our order book for houses and it had 65 pages in it, too. Now what will we do? Get a new book or quit selling houses? Guess we will have to start over and write on the back of the pages.

This column seems to be getting popular and am sure glad that it is, at least we are getting recognition—did you see my picture in "The Knot Hole" last week?

Julius Henricks ordered a 9x12 Happy Chick Brooder and Simplex stove.

These Simplex stoves are sure going. One day last week we sold eight and Tuesday of this week we sold ten. At that rate we have only 10 days supply left.

Mrs. Alfred Meier, 12 miles northeast, bought a 9x12 Happy Chick Brooder and Simplex stove.

I know of about a half dozen people who have right good coal brooder stoves to sell. Come in and I will put you in touch with them. We could also sell some second hand brooder houses.

Monday, being St. Patrick's and the announcers birthday, I received my usual GREEN necktie and believe me I had to wear it. And was it GREEN? Say it was just as green as that paint that we use is red and that is some red.

This is the Happy Chick Brooder house factory, Wayne, Nebraska. Station P-E-T-E signing off until next week.

Dear Friend:--

Believe me, folks, it takes a lot of skill to clean a ladies' dress properly, especially the complicated ones, and the ones with lots of pleats.

I was watching the Boss do it today. He is an expert at it, and it just goes to show me how much harm an inexperienced or careless operator could do. But that's the bosses business. He has to be good at it.

You ladies can trust your flimsiest dresses to us. We'll take care of them and clean them thoroughly and safely.

### "You're Not Talking Into the Telephone," Mom Said

Pop was smoking a cigar after dinner and talking over the telephone to Mr. Scott when Mom came in and heard him repeating what he was saying with his head turned away from the telephone and all bothered because he had to say things over so many times.

"No wonder he can't hear you," Mom said, "you're not talking into the telephone."

Pop grabbed the cigar out of his mouth and got up close to the telephone. Then he didn't have to repeat any more, proving that the reason Mr. Scott couldn't hear was that Pop wasn't talking into the telephone.
