Great Crowd Sees Dance Revue Here

Happy Saturday Program Witnessed by Over 2,000 People.

Over 2,000 people, witnessed the Happy Saturday dance revue program in Wayne Saturday night at ten olock, evidencing their enthusiasm for the highly entertaining act by loud

The show, presented by Miss Vir-ginn Hodgdon of the Carroll Danc-ing studio at Sloux City, contained a wide variety of difficult forms of dancing interspersed with several song numbers presented by juvenile members of the troupe. Excellent talent, beactiful costumes and a fast-sympton groutine made the revue outrunning routine made the revue out-standing.

To was the second of a series of

Happy Saturday programs being presented by a group of local business

sented by a group of local business and professional men under the sponsorship of The Nebraska Democrat.

That the Happy Satunday programs are achieving their purpose of bringing an ever-inergasing trade territory to Wayne for Saturday night shopping was attested to by numerous Wayne merchants. That the programs are be ing enjoyed by the people who com of doubt by the many com of pleased spectators.

WAMBERG-STANTON NUPTIALS ARE HELD

Pretty Church Wedding Is Solemnized Tuesday Morning.

wedding of Miss Fern Wam The wedding of Miss Fern Wam-berg, daughter of Mrs. Lafla Wamberg of Wayne, and Frank Stanton, son of James F. Stanton of Carroll, was solemnized Tuesday morning in St. Mary's Catholic church when Rev. Father Wm. Kearns read the mar Father Wm. Kearns read the mar-riage lines before a large group of relatives and friends. The couple were attended by the bridegroom's sister and husband, Mr. and Mrs. Maurice Ahern of Carroll. The bride were a simple traveling dress of midnight blue with a blue

hat, mink fur neckpiece and harmon hat, mink fur neexpiece and narmon-zing accessories. Mrs. Ahern's dress was blue of a lighter shade. Both men wore dank suits.

Following the ceremony Mrs.

Arthur L Burbridge of Bloomfield.

sister of the bridgegroom, and Mrs.

John Finn of Carroll served two John Finn of Carroll served two-course wedding breakfast in the Maurice Ahern home to 12. The number included the bridal couple. Mrs. Laila Wamberg, James F. Stan-ton, Mr. and Mrs. Burbridge, Mr. and Mrs. Ahenn, Mrs. John Finn and family, Miss Marianna Henrich and Mrs. More Finn. A. foral center.

Father Reads Nuptial Lines for Daughter

Pretty Church Wedding Is Event of Sunday Afternoon.

Miss Pearl Edna Heidenreich, daughter of Rev. and Mrs. W. C. Heidenreich of Wayne, and George Luther Kistler of Exeter, son of Geo Luther Kistler of Exeter, son of Geo.

R. Kistler of Bunker Hill, Kas., were
married Sunday, aftermoon, June 25,
at four o'clock in St. Paul Lutheran
church by the bride's father. The
single' ring ceremony was used.
Friends and relatives of the couple
packed the church, which was prettily lecorated with flowers in large bas

kets.
Miss Harriet Swanson of Omaha.
Irlend of the bride, played Lohengrin's
wedding march as the bridal party
entered. The bride was attended by
her live sisters. Miss Helen Heidenher five sisters. Miss Helen Heiden-reich was gowned in orchid voile, and served, as maid of honor. Misses Ruth and Louise, wearing dresses of yellow and of pink, were bridesmalds, while Misses Dorothy and Wilma, dressed in orchid-flowered white voile, were flower girls. Each wore a small nosegay at her wrist.

The bride, who was given away by friend, Otto G. Smersh of Omaha wore an ankle length gown of white silk organdy, fashioned with full skirt. Her tull veil was floor length, (continued on page 4)

ARCHITECTS ATTEND COUNCIL MEETING

Plans for Wayne Civic Center; No Action Taken.

Three architects, two from Lincole and one from Fremont, attended a Wayne city council meeting Tuesday evening to show rough drawings on a proposed Wayne community audi-

sorium.

No definite action was taken by the city council, acting upon the advice of Mayor Martin L. Ringer, who had visited Lincoln on Monday to secure. information regarding the availibility

information negarding the availibility of governmet funds for civic projects. Under the industrial recovery act. Mr. Ringer said, 30 per cent of the total funds necessary for the construction of such a building will be available for the payment of workmen. This money will come from the industrial recovery fund. A stipulation of the release of such money is that it shall be used for such public works as would not otherwise be built. No industrial recovery administrator has yet been appointed for the state of Nebraska, and Mr. Ringer feels that it would be unswise to go ahead with any plans until such an administraany plans until such an administra

Burglars Get Cash and Tubes at Local Garage

State Legion Chief Speaks on "Defense"

Opposes Recognition Russia by United

Robert M. Armstrong of Auburn state commander of the American Le-gion, spoke at Wayne State Teachers ollege chapel Wednesday morning or National Defe

He stressed the fact that the American Legion wants the nation to live up to the defense act of 1920, and said that the United States is not deing so at the present time.

Mr. Armstrong vigorously opposed ecognition of Russia by the United recognition of Russia by the United Stages. The only reason that can be advanced for such recognition, he said, is that our nation could derive some benefit from the amount of trade to be carried on with Russia. This advantage, he said he believed, would be more than offset by the more problems which such recognimany problems which such recogni tion would bring shout. He charged that reports show a tremendous number of people in the United States, who are not American citizens, in the employ of the Russian government. Their purpose, he said, is to spread ommunistic propaganda and discor

Young People End Epworth League Camp

Leader Says Institute Will Probably Be Held in Wayne Next Year.

Twelfth annual Northeast Nebras-ka Epworth League Institute closed yesterday morning at the Wayne coun-ty fair grounds after a week's session. Total enrollment was said by Rev. R. M. Fagan of Pierce, business manager of the Institute, to be about 190, with the full time enrollment at

came out financially with a small margin of profit, serving 20 meals to each member for \$3,00. He said that each member for \$3.90. He said unat.
1,400 dishes were used at every meal
and that the Institute cooks used 42
cases of canned goods, 250 pounds of
meat, over 200 loaves of bread, 1800
rolls, 60 gallons of milk, 18 gallons
of cream, 60 pounds of butter and other foodstuffs in like quantities. All of the materials, he said, were pur-

chased in Wayne.

Mayor Martin L. Ringer and Kiwan's president T. S. Hook extended
invitation to the Institute to hold the
meetings in Wayne again next year
and Rev. Fagan said that the invitation would probably be accepted, nasmuch as Institute officials were

maxmuch as institute officials were chighly gratified at the treatment received in Wayne. The health second during the week's session was exceptional, with no accidents of any bind.

eidents of any kind.

Headliners on the Institute programs were John Irwin of Chicago and Dr. E. Guy Cutshall, chancellor of Nebraska Wesleyan, university. The young people divided into project groups Sunday and the group, under the supervision of Dr. F. I. Finch, visited every church in Wayne, Dr. Finch is water religious education. al director for the Methodist group

Kiwanians Hold Annual Picnic Monday Evening

Wayne Kiwanians and their families 186 in number, held their an flies 186 in number, held their annual all-Klwanis night pienic at the Country club Monday evening at 6:30 o'clock. Mrs. R. W. Casper was in charge of arrangements. Following the ptenic supper, T. S. Hook, president of the local club, told those present that similar outlings were being held Monday night all over the United States and Canada by

sisten clubs. An all-Kiwanis night rallo program was broadcast late in

Rittenball and contests for the children furnished recreation.

Wayne Firms Plan to Observe July Fourth

Most Wayne business houses have signified their intentions of being closed Tuesday in observance of the Fourth of July, although a number of grocery stores plan to remain open for a short time during the morning

ten, announced yesterday that the postoffice will be closed Tuesday and that there will be no city or rural delivery service on that day. Malls will be dispatched and special delivery mail delivered.

Rumor Says Wayne Slated for Postoffice

Edgar Howard Works for New Federal Building Project Here.

Perennial rumors of a federal postoffice building for Wayne blossomed
again this week with the receipt by
several local men of communications
relative to such a project.

Dr. J. G. W. Lewis, secretary of
the Public Affairs committee of the

the Public Affairs committee of the Wayne Kiwanis club, received a communication from Congressman Edgar Howard in which Mr. Howard attent that he was working with the proper officials in an effort to see what could be done to get Wayne a postoffice building.

uilding.
Other federal communications were Other federal communications were received by two local men who said their information was confidential. Democratic central committee chairmain James E. Brittain is corresponding with Congressman Howard relative to the proposed project.

Information from a reliable source was to the effect that definite material relative to the project would be successful relative to the project would be successful relative to the project would be successful.

rial relative to the project would be available at an early date.

LOCAL MEN COMPETE IN GOLF TOURNEY

Morgan and Ahern Win Fourth and Fifth Flights.

Crop Report Shows Corn Not Damaged

Drought and high temperatures Drught and high temperatures have greatly deteriorated all small grain crops, according to the midmonth report of the Nebraska department of agriculture. With the exception of the Panhaddle, the resport kays, small grain crops are beyond rays, small grain crops are be-yond redemption. Much of the small grain, especially oats, will be cut for hay. The general level of farm prices is higher

Corn, the report continues, has withstood the drought and high temperatures and is in excellent condition, with sufficient moisture to start

week for California and also to observe Bud Sandahl's birthday F. C.
the state, Stands are generally good.
Corn was planted somewhat later than usual in many parts of the state and

usual in many parts of the state and the crop is somewhat smallor than pormal for this rate. It has not suffered any injury but needs rain in practically all sections of the state. Outs and barley except in the Pahhandle have suffered extreme injury during the past three weeks and much of the acreage will not produce sufficient grain to pay for harvesting. From present indications, it is evil, dent that the acreage of these crops which will be cut for hey will be one of the largest on record. Rye has ripened prematurely in most sections and the yield will be generally and the yield will be generally

FREEDOM

erything they have done down at Washington," sain the Oma-nker, "goes dead against every thing I was taught in college. yet I think it is going to work ton it.

Now if anybody has a right to con uld think it was a bank er all. our After all, our bankers in Oma-and Nebraska and the middle west just pleasant gentlemen trying to along. What the Mitchells and Morgans do is as far removed in them as it is from the everyday of most of us. But these plea-gentlemen of the banks will feel the iron hand of Uncle Sam very From now on they will closely watched and regulat-

Despite this, our banker says: "I'm for it." And he represents the spirit of most of us who are affected greatest body of legislation graed out in a single congres

Who does not cherish treeds Who does not cherish freedom? It is the ideal of all of us, regardless of publicial oreset or economic faith. The advocabe of the most rigid kind of government control will swear that he thinks as he does because he loves freedom. And yet here we are cheerfully and faithfully, acquissing it measures that avowedly restrict our

Far from being inconsistent, that is the way of sound sense and sober thinking. For individual freedom is meaningless if it is accompanied by a denial of the right to work. a denial of the right to work, to live, and to enjoy. It is meaningless even if the individual himself is not even if the individual itimself is not fouched by the universal misery and destitution. If all one's neighbors are weighed down by adversity, what profit is it to be "free" oneself. Therefore we are ready and willing to sacrifice some of our freedom if thereby we promote the common welfare good times according to these these some of our freedom if thereby we promote the common welfare good times according to the common welfare good to the common welfare good the common welfare good to the good to the common welfare good to t Tare, good times, economic stability— Just as we were willing in the war to submit to restraints in order to gain the paramount national objec-tive of the time.

Surprisingly enough, one finds that

Surprisingly enough, one finds that theirs are compensations for the loss of this little freedom. The manufacturer may cherish his freedom to do what he likes with his product to sell at whateven price he wishes, to compete however he chooses. But when you come right down to it there is something the manufacturer loves more—solvency.

ore—solvency. So it is with all of us. We love so it is with all of us. We love freedom, but not as an empty thing robbed of all its glorious composations. We love hope and risting prices, and better business, and lobs out of which true freedom emerges. That is our sanction to the Rocevel administration. — Omaha World Herald.

SCOTT SHOTS by [SCOTTY'

Main Street murmurs: I made the cutest fee-tea coasters out of blotting paper . . It's botter n'ell, boy . . Do what you want to about it, but personally, I'd rather buy out of reguof blotting Do what you want to about it, but personally I'd rather buy out of regular stock. I'd sure like to have one of those Kerry Blue does, but \$7 is too much for any pooch. She may know her stuff, but she doesn't know how to put it across to the kids . . Well, twenty cents a bottle know how to put it across to the kids . Well, twenty cents a bottle ain't so bad . He's always getting mail from Washington D. C. . They're sure trying to string Uncle Sam over at Geneva . . What we need is a little old-fashioned hell-raising . Maybe he can get away with it for a while, but you can't tell me he can treat her like that forever and not get some punishment. ever and not get some punishmen It's enough to make a guy tear his er naila . . She s nother girl and right away ned-up mad already ... We enice to have a business w with an with another girl and right away shi got burned-up mad already... Would n't it be nice to have a business wher, all, you had to do was rake in the

Operative 217 reports one restau-rant carrying the following informa-tion on its menu:

A friend who found that he had A friend who found that he had bussed a couple of good democratic leaders in my presence acted as if he were greatly embarassed over having poohed the above-mentioned democrats within my hearing. Shucks, I don't see why he was embarassed when I never used to get embarassed when I aired my feelings about Hoove the presence of a republican. But maybe that was different.

Operative 314 comes through with the story about a local-married couple who have "agreed to disagree". She goes her way and he goes his; they both live in the same house, but have little to do with each othe -and the plan is working out beautifully for al concerned. Some day, Operative 314 says, they I forget to be mad at each will fall in love all ove

An orchid to the local fellah who An orchid to the local, fellah who has been able to make an honest living despite the fact that he is out of a steady job. "There's plenty of work if a guy"l just look for it," he confides. And he's eager enough about getting a little money to convince others of his sincerity. How different his outlook on life is from that of the stumble-bum who stopped the Scott Shotter on the street Friday morning and delivered a stereotyped request for money.

Have you ever noticed the big dif-

ference in panhandlers? Some of them go through a mechanical, memthem go through a mechanical, mem-orized routhie; some of them act ex-tremely, difficient and rather bashful, some ask for work and some steen-completely clear of the subject; some request and some demand. A Wayne housewife relays the story of an eldenty man who saked for work

of an elderly man who asked for work She had no work for him to do and so informed him, but told the fellow so informed him, but told the fellow she d be glad to give him a meat, anyway. He ate it, and thanked her profusely. A few minutes later she noticed that he was in the garage. He was moving things out of it and the dust was flying. He cleaned the garage up in spic and span shape, but exerciting hack in the approximation.

plut everything back in its proper place and was on his way. From my observations, I'd say that he was one out of about 50—really ap place and was on his way.

Louise Wendt, Charles Ingham, Ned Snygg, Roland Wachter, Ray Dover and Miss Edith Prescott of the Beta chapter of Lambda Delta Lambda, national honorary physical Lambda, national honorary physical science fraternity, went to Peru Tuesday to Install Kappa chapter there in the State Teachers college. The new chapter has 11 charter members.

Here's the Dope!

Clark Gable and Jean Harlow appear in "Red Dust," similarition of the Wilson Collison Diay. Gable, mather than the Harlow of the sensational platinum tresses first appeared together in the Tracketeer melodrama, "The Secret St."

In "Red Dust," the locate is the

pleturesque region of Cochin, China, with Gable playing a hardened plan-tation foreman who has forced himtation foreman tation foreman who has forced him-self to become completely brutalized in an effort to remain superior to his environment of deadly, fever, tropical heat and treacherous natives. To Miss Harlow falls the role of

Vantine, born to the tropics, hard-boiled, perfectly at home on the plan-tation and equal in strength and animal pugnacity to the men.

mail pugnacity to the menA dramatic triangle results when
the aristocratic wife of a French engineer visits the tropical rubber plantation and falls in love with Gable,
thus engineering the hatred of the
deflant, hard-boiled Vantine. Many
Aston plays the engineers wife, Tully
Marshall ad's to the excellence of the
cast.

"It's Great to Be Alive" is a rollick ing romance with an unusual plot.

The story revolves about the possibility of all the men of the world being removed summer as a castaway on a desert the moment is a castaway on a desert island. The millions of women all over the globe, realizing that here is an alarming situation, set about to rectify it. What actually occurs is laid; to be the basis for more hilarity, that we usually set is see that we usually get to see

Rani Roulien, star of the South American stage and screen, makes his debut in this picture. The sup-porting cast includes Gloria Stuart in the feminine lead, Edna May Oliven din in the leading comedy role, Joan Marsh, Dorothy Burgess, Emma Dunn and Edward Van Sloan.

"Peg O' My Heart", one of the outtanding productions of the American stage, has been transformed to the creen with Marion Davies screen with Marion Davies in the title role of an Irish gamin. "Peg O' My Heart" is the story of a motherless Irish girl suddenly plac-ed in an environment strange to ner and confronted with the prospect of great riches. The play is one of the classics of the modern stage. It ran classics of the modern stage. It ran four seasons on Broadway before it went on the road and has been one of the most popular stock company vehicles. Marion Davies is said to do one of her best characterizations as "Peg." The show is entirely unsophisticated and absolutely clean. Kinds love it—and we're all pretty much kids at heart. much kids, at heart.

BAND GIVES CONCERT TOMORROW EVENING

Musicians to Offer Varied Program at Bressler Park.

Wayne's municipal hand, under the Wayne's municipal band, under the direction of Prof. F. C. Reed, will give a concert at Bressler park tomorrow evening at eight o'clock. Featured numbers will include two vocal solos by Mrs. A. R. Davis, several num-bers by a double male quartette and

pers by, a double male quarette and a clarinet and flute duet by Miss Myrtle Johnson and Benny Kay.
