Becoration Day in New York.

Decoration Day in New York. Alt the friends of Cordand County, (including the Willard Y's of Cordand and the Loyal Legion of Marahon and Blodgett Mills,) who contributed flowers to send to New York City, will be glad to learn that their beautiful flower takens all reached the condition (except a low spile) and the time for Decoration Dayson) and in time for Decoration Dayson, and in time for Decoration Dayson, and in time for the spile this dev. C. T. U. of the city bad the flowers in charge and the Gra-A. R. flatt was favored, was the Farragat Post, the only naval post in New York. The brake men seem touched by the sympathy expressed and such grateful for the sweet button-hole-bequets tied with a white ribbon. They were fastened to their coats with smilles and thanks and then there noting others were given

bunded naval beces of sad days marched on to where their dead commandes were sleeping.

Each prays was decorated as had been planned, but there was one proceed of the color mount of their control and added offering. It was the gravle of that grand old here of their control and their control and added offering. It was the gravle of that the importunity offering of the Post, saw with uncovered heads they slowly filed past the mount of their control and their c those brave comrades as they sorrow-fully laid on his gave their own touching tribute that they had receiv-ed from the W. C. T. U. that morned from the W.C. T. U. that morning. Could' any thing have been more fitting, three hundred floral of ferings Isid there by brother heroesterwo over the sleeper and piled a, bove him mountain dalses, fragraniolets, bright panelse, Illies of the valley, lorget-me-nots and, nestling among them, everywhere, the pure little knots of white ribbon.—EMMA C. NASON.

fluence of the saloon in politics. In Interfer's Westly takes occision to say: the sation is not merely, a resort for drivkers. It has become no organized linterest and a very effective force in politics. It nominates candidates and controls elections solely living reference to its own advantage, and consequently those who otherwise the would be disposed to divergent the question—are compelled to interest themselves in it to prevent a degrading and disastrous secondency in public affairs. The only effective way to get rid of the troublesome saloon question in politics is to abolish the saloon teelf. As long as it has a legal existence it is practically and politics, the properties of the previous previous of the previous of

SUDDENLY STRICKEN BLIND.

The Extraordinary and Fittable Fate of a Cincinnati New Keeper.

A catastrophe such as a few, men have the stockens to bear and deer survive has come like a thundereday upon Charles Collina. of 52 Browne atreet. Last Saturday night, while auditing the books of the Believas Building Association, at their rooms ou McMicken sevenue, he turned suddenly to one of the bystanders and anguily stolaismed: "Why do you turn out the gas? Fun not through yet." "Turn out the gas? Each to triving the control of the bystanders and anguily stolaismed: "My Got, then I'm blad?" cried Cullman, and sinking back in his choir from which be hut arised in his catterment, he buried his face in his hands and meaned and wept like a child.

and moaned and went like a child.

and moaned and wopt like a child,
Dr. Schwartmeyer, his regular physician, was hastily, sinct for, and only
arrived to confirm the worst fear.
Cullman, was indeed blind.
Without a presionitory-sign, without
a warning, the blow had come, and as
a warning, the blow had come, and as
well of the secondary his sand fate
oyes grew dim. Friends took him by
the hand and trembled with emotion
as they tried to speak words of hope
and comfort. The strickar-name only
moaned, "My witte! My little onest."
Tunderly they led his assessmine

and comfort. The stricken-man only monate. "My write My little onest":

Tenderly they led his Attaggering steps to his bloom. The wife was cantiously respared for the said home-coming. Horically as the nerved to the said home-coming. Horically as the nerved totaling, step.—Her four little anes, the oldest, as the rest to tribing, step.—Her four little anes, the oldest, not yet twelve yours and the youngest a more toddler, clung to her fixits and to scope that followed beggars description. Sunday moring Drs. Ayers and Settler, the noted specialists, were summoned. A lengthy examination by these gentlemen only-confirmed they create the step of the said of the er.
