Nebraska goes well up to the from of the republican ranks with her 25,000 Washington, Montana and Wyom

ing all went heavily republican Admit them.

The republicans will have nearly three-fourths of both branches of the next legislature.

In-Douglas county one lone repub lican on the legislative ticket man aged to be elected.

The tree trude business does not sem to have taken with the western farmers very strongly. Cariele will probably not make

very vigorous concest for the speak ership in the next house.

A mine explosion at Pittshure Kansas, last week, resulted in the loss of more than a bundred lives.

Even Cleveland's English Triends have gone back on him on account of ent of Sackville West

White Nebraska has been basking under balmy skies, many parts of the country have been visited by heavy snows and disastrous storms

W. C. Huse & Son, who have made brightest papers of northern Nebraska have bought the Norfolk News.

The newspapers are busily engaged in constructing a cabinet for General Harrison. After they are through he will take a hand in the matter

The movement to organize the ter tory of Okluhoma is again brough to life by a call for an inter-convention at Wichita, Kansas.

Will some of our union labor friends arry thel news to Knex, of Custo county, that "invincible" Jim Wes ver was knocked out of time over in

If you want to see a chap who is particularly tickled over the result of the election, hunt up a Dakois man. His eathusiasm will make your bair stand on end.

Are the democrats resigned to the resulte? "Resigned", said an hourst old German, when asked if his wife was resigned to die, "resigned, mein Gott,

It used to be a common expression in Iowa that that state would go demcontic when hader froze over. The infernal regions are evidently still in a lively state of eruption.

Delaware, which has for genera tions been rock-rooted in its democrany surprises the country by electing a republican majority to the legislature, and will for the first time have a republican to represent her in the United States senate,

The election returns show that at the last election about 187,000 votes were cast this year in Nebraska. A comparison of this with the vote cast in previous years, when the populain pervious years, when the popular care, the first was known, indicates a present population of something over a million. It is fair to presume that the consus of 1850 will show that the consus of 1850 will show that the Kebraska haw n population of twelves the consustance of t

Before another presidential elec-tion the census of 1890 will have been taken, and a reapportionment of re-presentatives made. The great northwest will have many more electoral votes, and there is probably not single democratic state except Texas that will increase its number of repand there is probably not a said county on the 36th day of Navenus that will increase it in the summer of tent will come by the admission of the Dakotas, Mostana, Washington and cother-territories will give the republican such an advantage that the democrats coin not eater upon the democrats coin not eater upon the warm of the property of the purpose of presenting their chains, and allow since. Six months are allowed for cred particular their chains, find one to present their chains, and one to present their chains, and one to present their chains, and one to present the chain of the property of the purpose of presenting their chains of the purpose of presenting their their presentations. It is presented by the property of the purpose of presenting their chains of the purpose of presenting the

The Sloux City bridge is to be ready for travel on the 25th inst. and i Sioux City proposes to celebrate the suspicious event in the highest style of the art.

The republican candidate for gov-2,191, and Harrison's plurality will be several hundred greater. The result of the official canvaes of the voice for electors has not yet been declared

Virginia went republican or democrat

The republicans claim the state but the democrats hope to get it or the official count. The majority will unt be more than two or three hundred either way.

A centleman named Wetherby from Creighton was circumnavigating the ngo under the delusion that he wa runing for congress. In view of the publican majority of something like fifteen thousand which the splendid third district rolled up for Mr. Dorsey it would be interesting to know what

The following is the vote on sen tor and representative in the district To which Wayne county belongs as shown by the official returns made by the clerks of the different counties t Mr. Miller, county-clerk:
Senator J. R. Manning: 2,790; G.

Buettner, 2,344; H. B. Miller, 472; - Bovec, 108. Manning's plurality,

Representative: H. Ley, 1,026, A Axen, 914. Ley's majority, 112.

It is reported from Washington that the commission appointed to secure the consent of the Indians to the the opening of the Sioux reservation, in reporting their failure to get the necessary signatures, will recommend necessary signatures, will recommend that the reservation be opened wheth er the Indians consent of not. It is probable that copgress will act on the suggestion, and it should. The farce of treating with the Indians as if they were independent nations has long outlived its excuse for existence, and there should be no more of it. It is simply a sickly sentimentation the permits a few Indians to roam over a vast tract of country of which they māke ne use whatever.

make no use whatever.

This would be a good time to revive-the extense of an Ounde and Dubau railroad.—The result of the recent election means the speedy adoission of two states to the union and they will both experience a season of prevalent of the parthwest.—St. Paul and Minne-topolis are counting much on this. Will Omab, set anymely by and see the trade of two great states kept from her because of the lack of waterprise and public spirit! Mitchell, Huron, Biemarck, in met the greater portion of Dukatus, is nearer to Omaha than it is to Minneapolis and St. Paul, and it is to Minneapolis and St. Paul, and the because and various contributions and such than the state of th

he Missouri is cributary to those two cities.—Omaha Republican. Will Omaha "set" supinely by? Of course she will. Would a duck swim?

About to jump out. Funtaments and account at the property of t

the roof and difficult to reach 1 gives it two or three swart puls, but there was no alackening of speed.

Another passenger repeated the attempt without getting any recognition. We might as well have tried to stop a whirtwind by pulling a boy's kitestra. When an English engineer starts list train to stops for neghing, short of a collision, and the bell-rope on the outside edges of the car is only to make passengers feel comfortable; at the idea that they was togo the trein if they want to, and, as it is not one of in a thousand times smoon is willing to risk his arm not reach out of the window long esough to work the rope. to risk his arm not reach out of the window loog-gauseh to work the rope, the deliusion is seldom broken. To rid ourselves of our dangerous associate seemed impossible. Then there came a struggle as to which should have supremney of that car, right, reason or dementia. The demonar moved around the car set it belonged to him around the car set it belonged to him.

around the car as it is belonged to him and all the rest were intruders. Then it and all the rest were intruders. Then it is proposed in coursilisms across the lap of one of the passagers.

At this moment, when we thought the horror had climaterised, the traged was intensited. We plugged was intensited. We plugged was intensited. We plugged with the proposed in the proposed to the course of these tong timents in which English rainwy travel is celevated. Minetes seemed there. Can you imagine a second there we have considered the control of the course of the ralway carriage, eight feet by six, in a tunnel of complete darkness, with a tinnel of complete detkness, with a manusac? May the occurrence never be repeated! We knew not what moment be might dash upon us or what way. We waited for the right and waited while the hard little dopout the scale not the blood ran cold. When at last the Fight looked in through the windows we found the afflicted man I ing helplessly across one of the passengers. When the train balted t did not take us long, after handing over the poor unfortunate for medical treatment, to disembark and move jum another car.
