### Mrs. Harrison's Washington Friends.

Mrs. Harrison is making her friends prospectively very happy by the many kind letters to thom in which she tells them in womanly confidence of the them in them in womanly confidence of the pleasure which she expects to give her former associates. My having them around her. From these tetters it would be safe to anticipate that the quite social life of friends at the executive mansion will be very pleasant. It will be as far as specially part from the everyonical consideration, more particularly apportaining to therefore than the occupant of the presidency. While cularly apperiaming to the other than the occupant of the presidency. While there will be no diminution of the de-corum which should always surround the chief magistrate. Mrs. Harrison will draw the line between her position as presiding lady of the executive man-sion and the head the domestic sursion and the heat the domestic sur-roundings of plain Gen. Harrison. Her time will be much given to cuterprises which will contribute to the amelioration of the condition of the poor of the tion of the condition of the poor of the capital. Her charity is not the eccentric impulse of fashten, but a conviction leading to a utilitarian view rather than a sentiment. There will also auxious distribution of the condition of the conditio a circuit of had friends who were no qualitances in a less conspienous sphere of life and who will make a very please ant inner circle of home friends which will be more congenial to her than the fashionable gayeties which naturally The executive household will have at least three a lies in the persons of Mes. Harrison and her daughter and ~ and ni cill also add to the surroundings of th Mrs. Monroe or the T Johia Times, Washingt

Veteran Government Clerks

The career of a Government clerk is tirly typified in the case of James fairly typified in the cases of James Eveleth, the veteran of the War Department. He began working for the United States in 1829 at \$800 a year. In 1836 he was given \$1,000 a year. In 1850, \$1,250 a year; from 1851 to 1853. w and the next year o \$1.600. In 1864 ho he was paid \$1.500 and the next year was primeted to \$1.600. In 1866 he he was given \$1.800 and in 1885, on ac-count of advancing age, was reduced to \$1.600. There he is now at about eighty years of age, and there he will die, unless, perhaps, he lives long enough to suffer further reductions. tells me be has on his rolls time over secuty, and the oldest being am Pitts, born in 1802. Richard resecuty, and the ones.
