THURSDAY, PRB. 14, 1880

The judges of the Supreme Court have asked the legislature to add iwo more to their number, as the number of eves new coming before the court is so great that it has become innessi ble to keep up with the work with but three judges.

but three judges.

Hartiggton Democrat.—It is reported that wolves in great pumber roam over the pratrice in the neighborhood of Bow Valley and Mentanine, and syveral persons have been attacked. In one instance, but not the present the contract of the co person who was accurate, not not the person who was accurate a club, he might have been arm to pieces. Our specing near could be read on the beasts and rid the county of their presence

and no the county of their presence of the county of their presence of the Minnelson Agency passed through town on Saintedy for Siors City, where it will be used to decente the Washington Corn Palace train. The corn was purchased of six or seven different Varieties and Siors, including the beautiful seal brown, a new variety introduced from control of the County o

Hartington Herald—The Intest; development in the St. Helena boom is the attempt to purchase the fine fam belonging to John Mines, local-oddinates. from Schingling to John Mines, located directly across the river from their former perchases in that quaint old (www. What the out come may be is not known to be public. Everthing is clubted, with the nitmost secrecy. The old settlers would not be surprise data suything. They look for mag, nesum mills, new railroads, a railroad philips across the river, and to crown it all a town numbering its inhabitually the thousands in a few short years. The hope may not he in valar.

Emerson Bra Thorn is about 30, 800 acces of the Winnehngo reserva-tion in Excess of the Allofunctural which the Indians have taken or may take. Of this 20,000 acres is in this vicinity and the remainder farther east. This land will be sold to settlers at some time and far distant, but this is an emitted that the control of the settlers and the settlers are the settlers and the settlers are the settlers and the settlers are the isely distinct and separate affair from the sale to which the Indians

have recently contented.

The land that the Winnebagoes have consented to sell is the east half sell to the content of the con
