what is the matter with p ting a tew hundred men to work on the Omaha Northern?

The outlook in Florida is very dis couraging. Yellow fever has already made its appearance and in all probability will spread all over the Gulf

Gen. Weaver, the loud mouthed apostle of reform managed by getting on the inside with the officials to gob ble up the finess and most valuable quarter section of land in Oklahoma.

A Nebraska boy, Oscar Brinkman of Fremont, was on one of the United States yessels, wrecked at Samos reand has goined much praise ing a number of his unfortunate com-

The Omaha Republican is rapidly improving under the new manage-ment and although it is not as large as many of its rivals, it is bright grandy of its rivals, it is origin, readable and well edited, and gives all the important news. It is just the important news. It is just the important news of the day without go-ling through a mass of unimportant matter. If its circulation is prowing all over the state as it is in Wayne it will soon lead all the other papers in

Thousands of people liquide. Ok-about airendy, and more thousands will leave. Instead of being a para-liss the settlers find that the country is really inferior and that one half of it is utterly worthless except for graxing. The bottom lands only are rich and suitable for cultivation, but many people have yet to learn that the fact a that tract of country hes reserved fortan Indian reservaon does not prove that it is the best and in the world. But a repetition of the Oklahoma craze is to be looked for every time a reservation is thrown open to settlement.

Yesterday's Omaha Bee had a po onliar editorial devoted to showing that Sioux City's dream of becoming trade center of northern Nebrasks will never be realized, and that Omn a will continue to do nine-tenths o

the business of this region. The sur-prising statement is made that if by any possibility Omaha should be shut out of this field that Norfolk would drive Sioux City to the wall, as it has the wealth, the energy and the grit to do it, while Sionx City's ambition is limited to the consumption of Cor-ington whiskey.—The asticle is sim-While Omaha taik nd dreams, Sioux City works, and nakes its work count for something Omaha does not now, and never do nine-tenths of the business of this part of the state, and nuless it gets ou of the rut-into which it seems to have fallen, and wakes up to the actual sit nation, it must expect to lose much of The people of the orthern part of the state have the tindliest feelings for Omaha, and would prefer to trade there if any inducements were offered, but while that ducements were offered, but while that city shows such an indifference to its own welfare, Sioux City gives every energy to perfecting its communications with our people, and by every possible means invites them to unite will proceed the control of the control bonds that once formed will be brok-en with difficulty. We have but liten with difficulty. We have but lit-tle faith in the talk that Sioux City will be larger than Quaha within a' lew years, but when Quaha attempts to ignore Sioux City she is making mistake that will be realized when i is too late to reneedy it. Sioux City with her push and determination, is with the push and determination, is going to be a rival of Omaha, and a vigorous one for the trade, not only of northern Nebraska, but of a much larger territory, and it is folly for the city down tha river to close its over the test.

Thriffightn. Nonparell.—Robert, Yakes, the Omaha nan has been paying up, property in and around St. Helena, stated in Harington the other day thur in 20 days St. Helena, would outble the population that it has now. Last week Yates bought 47 steres of 3. C. Stratanan laying—next to that ever, and unimproved paying 33,000 therefor. Therekan air of mystery connected with this business. That the buying up of all this land, means something more than the establishment, of coment works—is evident. The general impressesson is that first olds so all visits in paying quantities in that section, and that the screech of lacomotives will be heard thereabouts are many more mones. St. Helena parties inform us that men have lately been sounding the river at that point Something tangible is expected to develop soon.

raska. There is a deep significance n the determination of the Manitoon system to enter the state from the north. It shows that St. Paul and and Minneapolis realize the benefits to corne from such a line, and back

accrue. The soll-a line, and back the half with their moles. Plant half with their moles, Plant half with their moles, Plant half with their moles. Plant half with their moles of the richest sections of the state and divert trade to Sloux City and Chicago. On the accrue their moles with a compiler multing. They must demonstrate their faith in a north and seath his put tigg up the eath and proceeding with the work. Outsiders can not be expected to invest in the enterprise of capital refuse to bunch it. Twans and countries along the line have heretofore indicated their readiness to substantially said the company, and if Ona-ha millioning the line has the company, and if Ona-ha millioning the line has the millioning that the period of read on paratively but in operation for a comparatively

and strics wonderingly round hor.

"What has happened?" she asks, it a struce. startled way.

I suppose you were playing what I suppose we may torned practical joke." answers Harry, hesitating before the utterance of the last two words; "and when we tripping over a

stone on your way."

A storm seems to gather on Alice's brow—up to this moment her expression has been simply perplexed.

"A phactical joke" she cries, blaring into a Teoble kind of wrath; for her strongth has not fully returned. "It would have proved no joke for him is the long run; if you had only let me alone. In played so beautifully into so beautifully into ag her lip----poor

the long run, if you had only let me alone. He played so beautifully into my hand"—curling her lip—ipoor weak-minded foe!"

"You wicked, wloked woman!" I exclaim, all my pity ewallowed up by a feeling of resemment. "You shall be punished for files—I will have you taken up for minimization."

"When a low scornful larged it was a large of the self-standard spell it all?" she asks amogue and spell it is all?" She would have been assembled in the she will be a she asks amogue as a she will be a she will b

soon have found you out."

To this she deigns no an ever; but tendying herself by the tack of the sofa into a sitting posture, prepares to eave the room. As however her foot touches the ground, she gives uttertuce to a sharpfort.

(TO BE CONTINUED.)

Pennsylvania Dutch. It is not generally known, even by people who have visited America, that there is in Pennsylvania, very near the cities of Philadelphia and New

the cities of Philadelphia and New York, a population of more then two million inhabitants which is in-sissip respects straingly like what its rural ancestors were in Germany more than two centuries ago. Some years since there were to be seen in a shop in the control of the control of the property of the control of the control spelling of 1840, bound in leastly spelling of 1840, bound in leastly initiations of old books, they seemed to be 'the thing 'tself,' but the date was recent.

to be "the thing was recent."
"They are for the Pennsylvania Utch," said the bookseller. "They but the Lord would be the "They are for the Fennsylvania Dutch," said the bookseller. "They sould no believe that the Lord would-bear them if they prayed to him out of bear them if they prayed to him out of bendera-booking book. And those books, as you see them, have been printed and bound in that style for nearly 200 years for the Ponnsylvania Dutch markel, just as they were printed for their ancestors during the re-formation."

ed for their ancestors during the re-formation."

There is probably no more striking instances of conservatism to be found anywhere in Europe than this; but the spirit manifested by the "Dutchmen" is carried out by them consistently in carryiding eise. "Follow thy father, good son, and live as thy father before the has done," is their rolled rule of life. Firstly, they always speak among themselves a singular patois called beneated and butch, from the word butter.

Beauserstand Datch, from the word Denschangers, says Dr. Bansman, in his edition of the pomes of Dr. H. Her-Eaugh, to the South German dialects, and, white partaking of all, it is most closely allied to the Platkisch"—this is to the Bhine German of the Palatinate. In the valley of the Susquehanna, and bayond the Alliephany, it is much mingied with English. Farther in the mingied with English. Farther in the Tritish. Swedich and see Southell Print, Swedich and see the Print, Swedich and see the Court of the of the Fatherland We find the in-thence of the unchangeable longitude article the in der. Thus a man will say: "then-seherr der bilm (fan) if, wer walte if dee markt father "—i. a., "thenry, harness the blind herse; we will go to market!"—For-land Tran-

script.

A Powerful Sermon.

A little girl came to her mether with the question: "Which is worse, to tell at lie or to steal?

The mother, taken by surprise, replied that both were so bad that she couldn't tell which was the worse.

Well, said the title one. "I've to steal the title one that it is to steal. If you steal at thing you can pay for it. But," and there was a look of wegin the little force— at le is forzw.

What kind of a hand have you ?" responded the absent-minded rgyman...

Rev. Dr. McCosh will deliver a course of lectures to the students of the West Obio university this year. the Of the 125 candidates for the don school board, 27 are clerg, and 19 lawyers.

merit or rather promise of merit, as it is necessary to begin their tultion in their early youth, and canine education should be ouid be commenced in good earnest to be seen in training at certain Ger-man and French military stations are of all sorts and sizes—"dachshunds" of all souts and stress—"dachshunds" and poolles, retrievers and collies, retrievers and collies, graybounds, foxfordads, fox forriers and formale. The littlians prefer the later as possessing teening senses of hearing and scent. All are trained to rigid silence—are subtenity to obtained after long and partiers, within a taken to the sense. stient tuition, indeed it is at all mes difficult to insure obedience when music strakes up, so great is the temp-lation to give vecal accompaniment.

### Minister's Singular Fredica

An incident of a peculiar nature occured in the Bonn-stom Free Church, Glasgow, during the morning service on Sunday. The Rey, Dr. Stowents be-ferer cumine fine in the Bonne (Daniel v. 34) asked the indulgence of the conv. 34) asked the indulgence of the con-pregation. He said that he had care-fully prepared his sermon, but that within the last half hor his memory had become a complete blank. He rould not account for the true ways as betterwise he full in perfect health. It succession de fact in period health. It was the first time during a milipsity accitending over a period of clight seat them for the proposed of the period of the seat them for the configuration with an apology of the period of was the first time during a ministry ex-

Conscience and Keentsars,
Maria Thereas, of Austria, was
yearly addicted to granbilag, and playto recoordingly high stakes. The
four functionaries did all in their powre to overcome this passion; but to no
timprose. They finally appealed to the
Emprose's confessor, who induced the
imperial guameter not to give up cards,
out to play for only a copper knoutzer
a point. The vaniance Empress, howwer, out roll and the playeder to make her
to first the played of the playeder to
the ferromagner in a new line number of proces were put together the initiated knew that t proces were put together so that only the initiated knew that they were not what they seemed. Thus the Empress kept the letter of the confessor's demand and at the same time enjoyed axcitement in which she delighted.

By Edgar Saltus: "From what has gone before it may not, then be improper to define love as an exchange of fancies. The greater the store of fancies the greater its duration; and conversely, the fewer the fancies the shorter is its again, and per, as Miss Stears has Admirably per as Miss Stears has Admirably per the far one cond definition of a great of the store of t

By Ella Wheeler Wilcox: "Love is the essence of acets existing thing, the root of life, the recompense for death. It is the all-cruative spark, the vital force of the universe. There is power to achieve in the mere utterance of the word."

### China Losing Patience.

Boston Herfild prints a letter from Mr. Henry Norman giving a re-port of an interview which he was granted with the Viceroy of Chima hast November. We make this ex-tract: "Of course, I asked himabout trate: "Of course I asked himahout the question of Chiase imagination to the United States: "I understand, he sold, as nearly as I remember, that the nextspapers have a great deal of influence in American. Well, tell them from me that I ask them to the property of the p the question of Chinese immigration the United States and china will not be friends."

### A Clergyman and a Lock of Bair.

Avenerable white haired clorge map n one of the city churches recently preached in Norristown persone in Aoristown. He had hardly got home refor almost before the door hell ring and a charming girl of 18 isskel to see him. He re-ceived her, they talked about the ser-mon and orther things until finally she asked diffidently; "(1b)" "(1b)" and "

she asked diffidently.
"Oh! won't you please give me a look of your hair."
"Gertainly my child," said the old gendeman, flattered at the remest.
"If hered it to you tomorrow and he did.
Oh his return to the typ he had five more requests of the same kind, and he proudly boxted to his wife that he was glad to see that he had not twe look they have to please. He declared his trip had near nose charming, and all went well until his wife had received this note.

"MA Dear Way X. Won't on please at

"Mx Dean Mus X Won't you your good husband to send me m lock of his hare. We have all lessents in making lait flowers. So the other guls asked hen mid-he them, but I thought I would rather to get at for me. Arew, won't you his to me, it is so hard to get with s for me, it is a

This was a terrible blow, and the less now said about looks of hair in the married goutleman's presence the better.
