Palger to Omaha is so much less in

this is true, and there seems to be ne reason to doubt it, the "Omaha"

should : place us on an equality with

such places as Pilger, and do it at once. The difference in distance is small, and does not justify such a discrimination.

The rate from Pilger to Omaha is the same as the rate from Wayne to Sloux City, shorter distance. If the Sloux

A reference to the commissioner receedings will disclose the fact that it costs a pretty good sum to take the sment of Wayne county.

Entertaining Angels

Mr. Saltonstall told another story of old Mr. Ward, which made us all merry. There was a noted Antino-

mian of Boston who used to go much man of Boston who used to go much about the country disputing with all who would listen to him, who, coming to lpswich one night with another of his sort with him, would fain have tarried with Mr. Ward, but, he told them that he had scarce hay and again anowed in his heart for the vise.

tarried with Mr. Wavd. but. he told then that he had earce hay-and grain enough in his barn for the use of his own cattle, and that they would do well to take their horses to the ordinary, where they could he wishing to be put off, hade him consider what the Scripture said touching the keeping of strengers as some and thereby centertained angels unawares. "True, my friend," said Mr. Ward," but we don't not be desired with the ward, and was a support of the ward of the w

## The Story of a Seige.

BY SISTER FRANCES.

CHAPTER III. onrently easy it is for a r side emotion or sorrow callous outside, and m

to throw aside emotion or sorrow, to put on a calloos outside, and make himself hard through and through. A woman may wear never so care-less or gay an outward seeming, with still the conscious gnawing at the heart, but it seems possible for the sternor sox to eliminate feeling entire-ly for a time, and be as wood or mar-ble.

Warren took his seat in the cars that sere to bear him away from and Margaret. His small preparation for the journey had also little time and less thought. The old house, with

pencefol and pleasant to sattle in Holme, after knocking t the world all those years army tife, and his pro-onal energy and ambition had ned to be content with the busy s of the little village.

falthout as second among, again in its cloudy folds; ring thought of Margarand pure, so hard and too, came with such bitthe strong habit of composition indifference, was

index a "Monthie merico, and life offer times over again. A remagade radial" son-of-that old Bordeaux merchant doubtless for wouldn't light on their sides" and the laughed grimly at the struggle between the Boston blood in his voins-mult he mercural thereframe. The structure of the structure of

"Coming Into Puls, after all Asircinos is hurryjny anexy" was the salustation is hurryjny anexy" was the salustation with the salustation of the s

ecks."
Skirting the pretty Park Monceaux, hose rich masses of leaf-plants in neir vivid coloring brought strangely his mind the faultinr autumn fields tholme, and resisting the impulse to linger there awhile and gay and brilliant fife mounted the steps which some, where he had been
